Notes:

- 1 The above unaudited consolidated financial results were reviewed by the audit committee and thereafter approved at the meeting of the Board of Directors held on 9th, November 2021. The auditors have issued unqualified audit opinion on these results.
- 2 The above consolidated financial results of the Group have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
- 4 The Group has performed a detailed assessment of its liquidity position and the recoverability of the assets as at the balance sheet date and has concluded that based on current indicators of future economic conditions, the carrying value of the assets will be recovered. Management believes that it has fully considered all possible impact of known events in the preparation of the consolidated financial results. However, given the effect of the lockdown on the overall economic activity and in particular on the automotive industry, the impact assessment of COVID-19 is a continuing process, given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions and the consequent impact on its business, if any, which may be different from those estimated on the date of approval of these financial statements.
- 5 The Code on Social Security, 2020 ("Code") received Presidential assent in September 2020. The Code has been published in the Gazette of India. However the related final rules have not yet been issued and the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and the rules thereunder when they come into effect.
- 6 The above consolidated results are after excluding revenues and profits from sale of buses by the Parent Company to its subsidiaries. The subsidiaries earn revenues by operating these buses for STU's and hence the same are capitalised in the books of subsidiaries. Therefore, the consolidated revenues and profits of the Group are lower than the standalone revenues and profits.
- 7 During the current quarter ended September 30, 2021, the Group has recognised (a) Rs.255.81 Lakhs towards one time severance cost in Insulators Division and (b) Profit on sale of wholly owned subsidiary of the Company (TF Solar Power Private Limited) to Trinity Infraventures Ltd of Rs.1.14 Lakhs. Accordingly, the total amount of Rs. 254.67 Lakhs has been considered as "Exceptional Items".
- 8 The previous year figures have been regrouped / reclassified, wherever necessary to conform to the current period presentation.

Our responsibility is to express a conclusion on "the Statement" based on our review.

We conducted our review of "the Statement" in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether "the Statement" is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
