S S KOTHARI MEHTA & COMPANY CHARTERED ACCOUNTANTS

To the Board of Directors of Satin Creditcare Network Limited

Opinion

- 1. We have audited the accompanying standalone financial results for the quarter and year ended March 31, 2022 ('the Statement') of Satin Creditcare Network Limited ('the Company'), attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 and 52 read with Regulation 63 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations, 2015').
- 2. In our opinion and to the best of our information and according to the explanations given to us, the statement:
 - (i) presents financial results in accordance with the requirements of Regulations 33 and 52 read with Regulation 63 of the Listing Regulations, 2015; and
 - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder, and other accounting principles generally accepted in India, of the standalone profit after tax and other comprehensive income and other financial information of the Company for the year ended March 31, 2022.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") and the rules thereunder, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter- COVID 19

4. We draw attention to note no. 3 on the statement which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. The impact of the pandemic on the operations of the Company and its financial position as at March 31, 2022 including the measurement

of expected credit losses on the loan assets are significantly dependent on uncertain future economic conditions. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Statement

S S KOTHARI MEHTA

& COMPANY

5. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors.

The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulations 33 and 52 read with Regulation 63 of the Listing Regulations, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors is responsible for assessing Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

- 6. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this statement.
- 7. As part of an audit in accordance with the Standards on Auditing, we exercise

professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 8. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 9. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the audited standalone financial results:

- 1 The above financial results for quarter and year ended March 31, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on May 4, 2022 and audited by the statutory auditors pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
- 2 The financial results have been prepared in accordance with applicable accounting standards, as notified under the Companies (Indian Accounting Standards) Rules, 2015, and as specified under section 133 of the Companies Act 2013 (as amended).
- 3 The COVID-19 pandemic has continued to cause a significant disruption of the economic activities across the globe including India throughout the current year. It is difficult to predict how long covid waves will continue to come and go and with what intensity. We remain watchful of the emerging situation.

In assessing the impairment allowance for loan portfolio, the Company has considered internal and external sources of information available including changes in the macroeconomic factors. Further, the management has estimated the impact of the pandemic on its loan portfolio, based on reasonable and supportable information available till date and considering performance after the first wave, second wave and third wave, and has noted that the existing provisioning levels are adequate to cover any further delinquencies. Given the unique nature and scale of this pandemic, its full extent of impact on the Company's operations and financial metrics, more specifically on the borrower's ability to service their obligations on a timely basis, will depend on the severity and duration of the pandemic as well as on highly uncertain future developments including governmental and regulatory measures taken time to time and the Company's responses thereto.

The management's estimate of impairment losses based on various variables and assumptions could result in actual credit loss being different than that is estimated. The Company has assessed the impact of the pandemic on its liquidity and ability to repay its obligations as and when they are due. The Company has considered its current liquidity position, expected inflows from various sources of borrowings and stimulus packages announced by the Government of India and State Governments time to time. Based on the foregoing, management believes that the Company will be able to pay its obligations as and when these become due in the foreseeable future.

The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to restructuring of loans in accordance with RBI circular, and impact on leases. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements.

The impact of COVID-19 on the on the operations of the Company and standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the uncertain nature and duration of COVID-19 pandemic and is significantly dependent on uncertain future economic conditions.

Auditor's Responsibilities for the Audit of the Statement

- 6. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 7. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Notes to the audited consolidated financial results:

- 1 The above consolidated financial results for quarter and year ended March 31, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on May 4, 2022 and audited by the statutory auditors pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
- 2 The consolidated financial results have been prepared in accordance with applicable accounting standards, as notified under the Companies (Indian Accounting Standards) Rules, 2015 and as specified under section 133 of the Companies Act 2013 (as amended).
- 3 The COVID-19 pandemic has continued to cause a disruption of the economic activities across the globe including India throughout the year. The Government of India announced a lockdown during the first quarter of ther financial year to contain the spread of the virus and various state governments and local statutory authorities imposed restrictions on economic activities in different parts of the country which continued to impact Group's operations including lending and collection activities.

In assessing the impairment allowance for loan portfolio, the Group has considered internal and external sources of information available including indicators of deterioration in the macro-economic factors. Further, the management has estimated the impact of the ongoing second wave of the pandemic on its loan portfolio, based on reasonable and supportable information available till date and considering performance after the all the three waves of Covid, and has noted that the existing provisioning levels are adequate to cover any further delinquencies. Given the unique nature and scale of this pandemic, its full extent of impact on the Group's operations and financial metrics, more specifically on the borrower's ability to service their obligations on a timely basis, will depend on the severity and duration of the pandemic as well as on highly uncertain future developments including governmental and regulatory measures and the Group's responses thereto. Accordingly, the management's estimate of impairment losses based on various variables and assumptions could result in actual credit loss being different than that is estimated.

The Group has assessed the impact of the pandemic on its liquidity and ability to repay its obligations as and when they are due. The Group has considered its current liquidity position, expected inflows from various sources of borrowings and stimulus packages announced by the Government of India and State Governments. Based on the foregoing, management believes that the Group will be able to pay its obligations as and when these become due in the foreseeable future. The impact of the pandemic on the operations of the Group is significantly dependent on uncertain future economic conditions.
