INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

Review report to,
The Board of Directors of Ujjivan Financial Services Limited.

- (1.) We have reviewed the accompanying statement of unaudited standalone financial results of Ujjivan Financial Services Limited (“the Company”) for the quarter and half year ended September 30, 2021 (“the Statement”), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the SEBI Regulation”).
- (2.) This statement is the responsibility of the Company’s Management and has been approved by the Board of Directors. This Statement has been prepared in accordance with the recognition and measurement principles laid down in Ind-AS 34 ‘Interim Financial Reporting’ (“Ind-AS 34”), prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI Regulations. Our responsibility is to issue a report on the Statement based on our review.
- (3.) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- (4.) Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

- (5.) We draw attention to Note 9 of the accompanying standalone financial results, which describes business uncertainties due to the outbreak of Global pandemic SARS-CoV-2 virus (COVID-19). As stated therein, in view of these continuing uncertainties, the extent to which the COVID-19 pandemic will continue to impact on the carrying value of assets including investment in the subsidiary will depend on future developments which are uncertain.

Our conclusion is not modified in respect of this matter.

Other Matters

- (6.) The review of Unaudited standalone financial results for the quarter ended June 30, 2021, half year ended September 30, 2020 and the audited financial results for the year ended March 31, 2021 included in the Statement were carried out and reported by predecessor auditors who have expressed unmodified conclusion/opinion, whose reports have been furnished to us and which have been relied upon by us for the purpose of our review of the Statement.

Our conclusion is not modified in respect of this matter.

Statement of Unaudited Standalone Financial Results for the quarter and half year ended September 30, 2021

9 Consequent to the outbreak of COVID-19 pandemic, on March 24, 2020, the Indian government had announced lockdown in March 2020. Subsequently, the lockdown has been lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. During the quarter ended June 30, 2021, India experienced a "second wave" of COVID-19, including a significant surge of COVID-19 cases following the discovery of mutant coronavirus variants in the country.

The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activity, which may persist even after the restrictions related to the COVID-19 outbreak are lifted. The Company is a CIC-NBFC and its activities are limited to its investment which significantly comprises of Investment made in subsidiary, Ujjivan Small Finance Bank Limited ("the Bank"). Numerous government and companies, including our subsidiary, have introduced a variety of measures to contain the spread of virus.

The disruptions following the outbreak, have led to a decrease in loan originations and in collection efforts efficiency. This may lead to a rise in the number of customer defaults and consequently an increase in provisions against the same.

The extent to which the COVID-19 pandemic will continue to impact the Bank's operations and results will depend on ongoing as well as future developments, which are incapable of assessment at this point in time, including among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Bank.

Management has made an assessment that there is no material impact of COVID-19 on the Company which is required to be recognised in the standalone financial results. The Company has adequate liquidity and resources to service its obligations in the near future.

Further, the impact of COVID-19 pandemic on the subsidiary's financial results will depend on the future developments which are uncertain. Accordingly, no adjustments have been made to the standalone financial results.

10 Previous period / year figures have been reclassified / re-grouped, wherever necessary, to confirm with current period classification / grouping.

- 6 During the half year ended September 30, 2021, the Company has allotted 11,269 equity shares (for the half year ended September 30, 2020: 10,958 equity shares) of Rs 10 each, fully paid-up on exercise of options by employees of its subsidiary, in accordance with the Company's employee stock option scheme.
- 7 Subsequent to the quarter ended September 30, 2021, on October 30, 2021, the Company's Board have approved a scheme of amalgamation with and into Ujjivan Small Finance Bank Limited which is subject to the approval by the Reserve Bank of India, Securities Exchnage Board of India, BSE Limited, National Stock Exchange of India Limited, its members and the Creditors and National Company Law Tribunal.
- 8 Consequent to the outbreak of COVID-19 pandemic, on March 24, 2020, the Indian government had announced lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. During the quarter ended June 30, 2021, India experienced a "second wave" of COVID-19, including a significant surge of COVID-19 cases following the discovery of mutant coronavirus variants in the country.

The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activity, which may persist even after the restrictions related to the COVID-19 outbreak are lifted. The disruptions following the outbreak, have led to a decrease in loan originations and in collection efforts efficiency. This may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. Numerous government and companies, including our subsidiary, Ujjivan Small Finance Bank Limited ('the Bank'), have introduced a variety of measures to contain the spread of virus.

The extent to which the COVID-19 pandemic will continue to impact the subsidiary's operations and results will depend on ongoing as well as future developments and which the Group is unable to assess currently, including among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the subsidiary.

Statement of Unaudited Consolidated Financial Results for the quarter and half year ended September 30, 2021

- 9 The Bank's (subsidiary) Results for the quarter and half year ended September 30, 2021 were declared on November 08, 2021 which were prepared as per the recognition and measurement principles as referred to in paragraph 4 above (or IGAAP). Provision (other than tax) and contingencies as per IGAAP and impairment on Financial Instruments (or Expected Credit loss provisioning or ECL) under Ind-AS as per Consolidated Financial Results for the half year ended September 30, 2021 are as follows:

Particulars	Charge in profit and loss
Provision (other than tax) and contingencies as per IGAAP	91,008.57
Impairment on financial instruments as per ECL methodology under Ind-AS	48,850.18
Difference	42,158.39

The Consolidated Financial results are prepared as per the recognition and measurement principles as referred in para 3 above (or Ind-AS). Ministry of Corporate Affairs (MCA), in 2015, had notified the Companies (Indian Accounting Standards (IND AS) Rules 2015, which stipulated the adoption and applicability of Ind-AS in a phased manner wherein Ind-AS applicability and adoption was made mandatory for all Non-Banking Financial Companies (NBFCs). As per the rules, the Company being a NBFC adopted Ind-AS with effect from April 1, 2018 having Net worth of more than Rs. 500 crores. However, with respect to applicability of Ind-AS to our subsidiary, RBI through its notification dated March 22, 2019 have deferred the implementation of Ind-AS for Banks till further notice.

The Consolidated Financial Results largely represents the standalone results of Ujjivan Small Finance Bank restated as mentioned in para 4 above and standalone Ind-AS results of Ujjivan Financial Services Limited. The Bank Results (after restatement to Ind-AS) were also adopted by the Board of Directors of the Bank in their meeting dated November 08, 2021 and were subjected to review by statutory auditors of the Bank.

The broad reasons for the difference between provision made by the Bank Results under IGAAP and ECL provision as per Consolidated Financial Results under Ind-AS are listed below:

- (i) One fundamental reason is that the Bank (subsidiary) Results and Consolidated Financial Results are prepared under different recognition and measurement principles as mentioned above; i.e. IGAAP and Ind-AS respectively.
- (ii) IGAAP provisioning is based on RBI prudential norms, which is more like a rule based provisioning and based on the days past due concept. Under IGAAP, Non-Performing Assets (NPA) borrowers are classified into Sub Standard (SSD), Doubtful (DBF) and Loss assets (LOA).

Whereas Ind-AS 109 refers to the expected credit losses and much more stringent than the IGAAP provisioning. Under Ind-AS, the assets are classified under three stages:

- Stage I reflects that the expected credit loss is insignificant and twelve month credit loss assessment is done.
- Stage II reflects the medium risk enhancement and
- Stage III is where the higher risk is envisaged basis the expected deterioration of the loan portfolio considering the both internal and external factors.

Stage II & stage III works on the life time assessment of the loan portfolio by following the NPV concept of net cash flows expected from the stress book portfolio.

To summarize, the credit loss is calculated following forward looking approach by discounting the future expected cash flows whereas IGAAP based on days past due concept and follows prudential norms.

Further, the provision rates under IGAAP are also different for each of these NPA classes. Once an account is classified as Stage III asset, ECL is calculated at a higher rate for the entire period till the time it is in Stage III whereas the same account under IGAAP once becomes NPA will be first classified as SSD and then moves to DBF or LOA as time passes by. The rate of provisioning for SSD, BDF and LOA category assets are different and increases from SSD to LOA as the time passes by and in compliance with the IRAC norms.

- (iii) Hence, this lifecycle of NPA assets causes a higher charge in statement of profit and loss under Ind-AS during the initial period of an asset when it becomes NPA and write back of provision under Ind-AS at a later stage of NPA.

- 10 Figures of the previous period / year have been reclassified / re-grouped, wherever necessary, to confirm with current period's / year's presentation.
