Limited Review Report to The Board of Directors Salasar Techno Engineering Limited

- 1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of Salasar Techno Engineering Limited ("the Parent") and its subsidiary (the Parent and its subsidiary together referred to as ('the Group') and its share of the net profit/(loss) after tax and total comprehensive income /loss of its associates and joint ventures for the quarter ended December 31, 2020 (the "Statement") attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation'), read with SEBI Circular No. CIR/CFD/CMDI/44/2019 dated March 29, 2019 ('the Circular'). Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended December 31, 2019, and last quarter ended September 30, 2020, as reported in these unaudited consolidated financial results have been approved by the Parent's Board of Directors, but have not been subjected to review.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.
