Our consolidated loan portfolio grew by 18.4% YoY to INR 14,587 crore in Q3 FY22. Our collection efficiency excluding arrears consistently improved to 95% at CA Grameen and 89% at MMFL in Dec-21.

Overall, we opened 204 branches in the calendar year 2021 and added 5.42 lakh new borrowers of which 48% were outside the top 3 states, in line with our vision of being the preferred financial partner of households across the breadth and depth of the country.

We are elated to announce that we have achieved a major milestone in January 2022 with our consolidated loan portfolio crossing USD 2 billion mark. It is a testament to our commitment towards the women empowerment journey and promoting egalitarian growth. We draw immense strength from our resilient business model and deep rural presence which helped us to consistently outperform despite temporary challenges due to the Omicron variant. Our collection efficiency excluding arrears further improved to 95.6% at CA Grameen and 90% at MMFL in Jan-22.

As we witness the pandemic severity gradually waning, we stand firm to our yearly guidance and are on track to achieve the same. Our learnings from previous waves and the pragmatic approach adopted give us enough confidence to weather the odds. The government has made its stance clear during the Budget 2022-23 with capital expenditure push and inclusive development agenda being the drivers of creating long-term job opportunities for millions of low-income households. Given our strategic position of deep rural presence, we are proud to partner in this growth journey and contribute towards the next level of the capital creation story of Bharat."
