## CHAIRMAN'S MESSAGE

**Dear Stakeholders,**

It gives me immense pleasure to present to you the Annual Report for 2020-21. To begin with, I hope every one of you and your family is well and healthy. In these challenging times, it is more important than ever before to remain vigilant in safeguarding the health and well-being of the team while reliably supplying products to our customers.

The year under review had a decent volume and low profit despite the macro-environment headwinds and general slowdown of the economy, not just in India but across the globe. The sluggishness of the market's response leads to squeezed margins and inventory piles up in downward price trends of raw materials.

We, at Anand Rayons Limited, persistently aspire to retain the benchmark of quality, customer centric approach, robust engineering, in-house research & mapping, timeless values and transparency in all spheres of business conduct which contribute in making us a pioneer and renowned in textile industry.

We intend to purge all distractions that interfere in our business. We concentrate on establishing credibility, building relationships and execute our plans to perfection in our venture to provide outstanding service. Last but not the least, we endeavour to maintain a long lasting relationship with our honoured clients.

Industries across the globe has witnessed economic slowdown resulted into reduced revenues and profits due to reduced Demand. However, as the situation gets normalised, Industries will gradually set to normal. Despite of the challenges faced by the company due to Covid scenario, we are ready for the accelerated growth by expected pickup in demand from user industries and margin expansion. In the present fiscal we will benefit from gradual growth in market demand as the Covid scenario eases.

I appreciate the confidence and faith reposed by the shareholders in the Board and the Management team which has, in my view, geared up to take on more challenges. I can say with confidence the Company will improve its performance further in the coming years. This is however only possible through tireless efforts; dedication and commitment of our team who have helped us reach where we are now and look forward to their continued commitment in the journey forward.

On behalf of Board of Directors we would like to sincerely thank our all stakeholders- customers, employees, suppliers, partners and investors for their continuing support confidence in us.

2. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### GLOBAL ECONOMIC OVERVIEW

The global economy contracted by 3.3% in CY 2020, as all major economies barring China slipped into recession with COVID-induced lockdowns. Advanced Economies' (AE) decline of 4.7% was steeper than Emerging Markets (EM) decline of 2.2%. Within the AE complex, the decline in Euro Area (-6.6%) was much sharper than that in the US (-3.5%). Within the EMs, China's GDP grew 2.3%. Despite the steep global decline in CY 2020, global GDP decline was lower than initially feared primarily due to unprecedented monetary policy support from global central banks and fiscal stimulus from governments. Global fiscal stimulus reached US\$18.6 trillion by March 2021 (23% of GDP) while monetary stimulus by global central banks reached US\$16.6 trillion (21% of GDP). Global trade volume (goods and services) contracted by 9.6% in CY 2020 after a modest 1% increase in CY 2019. Global trade also started recovering in 4Q FY 2021 as merchandise trade volume turned positive on yearly basis from November 2020. Global trade is forecast to grow 8% in CY 2021 with merchandise volumes recovering faster than services volumes.

The global economy is expected to see a rebound in 2021 with the International Monetary Fund (IMF) expecting 6% growth, with US stimulus and vaccine optimism leading to further opening up of the economies. The growth recovery is likely to be led by the US and China – the US is estimated to grow 6.4% in 2021 and China by 8.4%. Governments and Central Banks are expected to maintain supportive policies until the recovery is firmly underway. The strength of recovery will depend on vaccine roll-out.

#### INDIAN ECONOMIC OVERVIEW

The Indian economy is estimated to decline by 8% in FY 2020-21, the first year of contraction since 1980. India's economic decline was sharper than other key economies due to strict and early lockdowns to control the spread of COVID-19. However, growth has continued to recover and was back in positive territory (+0.4%) in 3Q FY 2021 after a decline of 24.4% and 7.3% respectively in 1Q FY 2021 and 2Q FY 2021. India saw a V-shaped recovery as most consumption and industrial indicators were back in positive growth territory in the September-December quarter after being in deep negative in the June quarter. Digital adoption saw acceleration during the crisis, particularly in the usage of digital payments. UPI payments grew more than 100% y-o-y in 2021 as monthly transaction volumes crossed `4 trillion or nearly 25% of GDP on that run rate.

The external sector exhibited resilience as current account turned surplus for the first time since 2004, on weaker domestic demand, falling oil prices and strength in India's services exports. FDI and equity FII flows were strong, driving India's forex reserves to an all-time high of ~US\$580 billion by the end of FY 2020-21, against ~US\$475 billion by the end of FY 2019-20.

The Reserve Bank of India (RBI), and the central and state governments provided critical support to the economy during the crisis. The RBI maintained loose monetary policy, cutting repo rates by 115 bps during early CY 2020. To keep funding markets easy, the RBI maintained liquidity surplus through various monetary measures.

#### INDIAN TEXTILE INDUSTRY

The textile industry is one of the oldest industries of the Indian economy. The industry is labour intensive and continues to be the second-largest employer (after the agricultural sector) in the country. It employs more than 45 million people directly and 60 million people indirectly. The Indian Textile Industry contributes approximately 2% to India's Gross Domestic Product (GDP), 7% of industrial output (in value terms), 27% of the country's foreign exchange inflows and 15% of country's export earnings.

Indian domestic textile and apparel market is estimated at US\$ 75 billion in 2020-21. The market fell 30% from US\$ 106 billion in 2019-20. The market is expected to recover and grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26.

Due to the impact of Covid-19, India's Textile & Apparel exports are expected to fall around 15% to reach US\$ 28.4 billion in 2020-21. India's exports of Textile & Apparel are expected to grow to US\$ 65 billion by 2025-26, growing at a CAGR of 11%.

## POLYESTER INDUSTRY OUTLOOK

Traditionally, the Textile Ministry has been skewed in its favoured cotton as it supports the livelihood of almost 5.8 million farmers.

However, Polyester has become the most preferred fiber in the global textiles industry due to its better physical properties, lower price, versatility, and recyclability, which offer a completely unique set of benefits unmatched by any other natural or synthetic fibers. Polyester filaments has been segmented into apparel, home furnishing, automotive, construction, filtration, and personal care and hygiene applications.

The Indian polyester industry, for last six years, had been at a distinct cost disadvantage in global competitiveness on account of Anti-Dumping Duty on key raw material i.e. PTA. Man Made Fiber industry associations and users of PTA had been vigorously representing and following up the Government authorities to remove this punitive duty and address the structural anomalies like "Inverted Duty" structure which are hampering the growth. Polyester industry continues to suffer on account of inverted GST structure – higher rate of 18% on raw material & 12% on finished products like yarn & fiber and going forward 5% on fabrics and garments.

Finally, the global shift in fashion toward MMF was noticed by the government and the additional anti-dumping duty on PTA was abolished by Ministry of Finance in the budget announced on February 2020. The whole polyester industry has become hopeful at the removal of this major burden that had been hampering the growth of the Indian polyester industry. This abolishment has levelled the playing field for the Indian manufacturers and is likely to have a positive impact in domestic business environment as well as global competitiveness.

**AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS :-**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE - "B" TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of ANAND RAYONS LIMITED of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ANAND RAYONS LIMITED ("the Company") as at 31st March, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS : -**

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**AUDITORS' RESPONSIBILITY : -**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

*M. R. Bombaywala & Co.*

**C h a r t e r e d   A c c o u n t a n t s**

509-510, Union Trade Centre (UTC), Beside Apple Hospital,

Udhna Darwaja, Ring Road, **SURAT** – 395 002

Tel. : - 0261 - 234 2891 – E-mail : - mrbombaywala@yahoo.com

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING :-**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING :-**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF NOTES TO ACCOUNTS FOR THE YEAR ENDED ON 31/03/2021.

**NOTES : -**      **24 SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS**

**(1) SIGNIFICANT ACCOUNTING POLICIES : -**

**(i) METHOD OF ACCOUNTING : -**

**a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS : -**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**b) USE OF ESTIMATES : -**

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include future obligations under employee retirement benefit plans, income taxes, scrap value of fixed assets and useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Change in estimates are reflected in the financial statements in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**c) INVENTORIES : -**

Inventories comprise Stock in trade and packing materials. These are valued at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost is determined as follows : -

❖ Stock in Trade	➤ At cost
❖ Packing Materials and Consumables	➤ At cost

## **NOTES FORMING PART OF NOTES TO ACCOUNTS FOR THE YEAR ENDED ON 31/03/2021.**

**d) REVENUE RECOGNITION : -**

Revenue is primarily derived from sale of traded goods. Revenue from sales is recognized on transfer of significant risks and rewards to the buyer as per the terms of arrangement with the buyer. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. The company presents net of indirect taxes in its statement of profit and loss.

Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sale price and carrying value of the investment. Interest is recognized using the time proportion method, based on rates implicit in the transaction. Dividend income is recognized when the company's right to receive dividend is established.

**e) PROVISIONS AND CONTINGENT LIABILITIES : -**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent Liability. A disclosure for a contingent Liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**f) TANGIBLE ASSETS AND CAPITAL WORK-IN-PROGRESS : -**

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets if any, are ready for use. Capital work-in-progress if any, comprises direct cost, related incidental expenses and attributable interest, if any.

**g) INTANGIBLE ASSETS : -**

Intangible assets if any, are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment. Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, and the Company has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

## **NOTES FORMING PART OF NOTES TO ACCOUNTS FOR THE YEAR ENDED ON 31/03/2021.**

**h) DEPRECIATION AND AMORTIZATION : -**

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as prescribed under Part - C of Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Intangible assets if any, are amortized over their respective individual useful lives as prescribed under Part - C of Schedule II of the Companies Act, 2013 on straight-line basis, commencing from the date the asset is available to the Company for its use.

Depreciation and Amortization methods, useful lives and residual values are reviewed periodically at each financial year end.

**i) IMPAIRMENT : -**

The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the assets not selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**j) FOREIGN CURRENCY TRANSACTION : -**

Foreign currency denominated monetary assets and liabilities if any, are translated at exchange rate in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Revenue, expense and cash-flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

## **NOTES FORMING PART OF NOTES TO ACCOUNTS FOR THE YEAR ENDED ON 31/03/2021.**

**k) RESERCH AND DEVELOPMENT EXPENDITURE : -**

Revenue expenditure pertaining to research if any, is charged to Statement of Profit and Loss. Development costs of products are also charged to the statement of Profit and Loss / Reserve for Business restructure unless a product's technological feasibility and commercial viability has been established, in which case such expenditure is capitalized. The amount capitalized comprises expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to creating, producing and making the asset ready for its intended use. Fixed assets utilized for research and development are capitalized and depreciated in accordance with the policies stated for tangible fixed assets and intangible fixed assets.

**l) INCOME TAXES : -**

Income taxes are accrued in the same period that the related revenue and expenses arise. A provision is made for income tax, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable. Minimum alternate Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Balance Sheet if there is convincing evidence that the company will pay normal tax in future and the resultant asset can be measured reliably. The company offsets, on a year basis, the current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount of timing difference. The tax effect is calculated on the accumulated timing difference at the end of an accounting period based on enacted or substantively enacted regulations. Deferred tax assets in situation where unabsorbed depreciation and carry forward business loss exists, are recognized only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax asset, other than in situation of unabsorbed depreciation and carry forward business loss, are recognized only if there is reasonable certainty that they will be realized. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities have been offset wherever the company has legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by same taxation authority. The income tax provision for the interim period is made based on the best estimate of annual average tax rate expected to be applicable for full financial year.

## **NOTES FORMING PART OF NOTES TO ACCOUNTS FOR THE YEAR ENDED ON 31/03/2021.**

The Company has made provision for Income Tax of Rs. 3001028/= (Rupees thirty lac one thousand twenty eight only).

**m) EARNING PER SHARE : -**

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity share outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior period for approval of financial statements by the Board of Directors.

**n) INVESTMENTS : -**

Trade investments are the investments made to enhance the company's business interests. Investments are either classified as current or long term based on management's intention. Current investments are carried at the lower of cost and fair value of each investment individually. Cost for overseas investments comprises the Indian Rupee value of the consideration paid for the investment translated at the exchange rate prevalent at the date of investment. Long term investments are carried at the cost less provisions recorded to recognize any decline, other than temporary, in the carrying value of each investment.

**o) CASH AND CASH EQUIVALENTS : -**

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**p) CASH FLOW STATEMENT : -**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.
