The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2022

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2022 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Perform procedures in accordance with circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable

- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company and its unincorporated joint ventures to express an opinion on the Annual Standalone Financial Results. We are responsible for direction, supervision and performance of the audit of financial information of such entities or business activities included in the Annual Standalone Financial Results of which we are the independent auditors. For the unincorporated joint ventures included in the Annual Standalone Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2022

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2022 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

Other Matters

- We have placed reliance on the technical/commercial evaluation performed by the management in respect of categorization of wells as exploratory, development, producing and dry wells, allocation of costs incurred on them, proved developed hydrocarbon reserves and depletion thereof on Oil and Gas assets, impairment and liability for site restoration costs. **Deloitte

Our report on the Statement is not modified in respect of this matter.
- We did not audit the financial information of seven unincorporated joint ventures included in the Statement, whose financial information reflect total assets of Rs. 57,082 lakhs as at March 31, 2022 and total revenues of Rs. Nil for the quarter and year ended March 31, 2022. Our report on the Statement is not modified in respect of this matter.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.
4. Production Sharing Contract ("PSC") for PY1 block was extended up to June 4, 2022 by Government of India ("GOI") to continue the production from the field while addendum to the PSC for 10 years extension is pending with GOI. HOEC and GOI have a dispute on computation of royalty payable under the PSC since commencement of production from 2009 onwards. HOEC stated that as per PSC the royalty should be on well head value, whereas Government of India insists that the royalty is payable on realizable value. While considering the extension, GOI insists that the royalty needs to be computed since 2009 by adopting realized value as the basis for computation and the differential amount should be paid along with applicable interest. This matter was referred to Dispute Resolution Committee and it was agreed during the year to make a payment of ₹ 2,789.18 Lacs inclusive of interest to obtain 10 years extension of the block from the date of expiry of the initial contract on October 5, 2020 based on the draft settlement agreement. The company is in the process of obtaining the signed settlement agreement and signed extension letter as on date of this result. Accordingly, the amount of ₹ 2,789.18 lacs has been provided in the books as at March 31, 2022.

With reference to CB-OS/1 block, Oil and Natural Gas Corporation Limited ("ONGC") made a claim of ₹1,245 lacs which was disputed by the Company and the matter was referred to arbitration. The final award was received on March 24, 2022, directing HOEC to pay to ONGC ₹647.35 lacs inclusive of interest and arbitration cost.

5. The Company operates in one segment i.e. "Oil and Gas".
6. The figures for the quarter ended March 31, 2022 and March 31, 2021 are balancing figures between audited figures in respect of the full financial years and the unaudited published year-to-date figures up to the third quarter for respective years which were subject to limited review and there are no material adjustments made in the results for the quarter ended March 31, 2022 which pertains to earlier periods.
7. Figures for previous years have been regrouped/reclassified wherever necessary to conform to the current year's presentation

Basis for Opinion on the Audited Consolidated Financial Results for the year ended March 31, 2022

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in paragraph (a) of Auditor's Responsibilities section below. We are independent of the Group, its associate and unincorporated joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results for the year ended March 31, 2022 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Statement

This Statement, which includes the Consolidated Financial Results is the responsibility of the Parent's Board of Directors and has been approved by them for the issuance. The Consolidated Financial Results for the year ended March 31, 2022 has been compiled from the related audited Consolidated financial statements. The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended March 31, 2022

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2022 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the entities within the Group and its associates to express an opinion on the Annual Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Annual Consolidated Financial Results of which we are the independent auditors. For other entities included in the Annual Consolidated Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance of the parent and such other entities included in the Consolidated Financial Results regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Consolidated Financial Results for the quarter ended March 31, 2022

We conducted our review of the Consolidated Financial Results for the quarter ended March 31, 2022 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Opinion and Conclusion section above.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

Notes:-

1. The above results and notes of the Company and its subsidiaries (the Company and its subsidiaries together referred to as "Group") and its share of the profit/(loss) after tax of its associate thereto were reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on May 30, 2022. The statutory auditors have audited the financial results for the year ended March 31, 2022. The information presented above is extracted from the audited financial statements prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act 2013 and notified under the Companies (Indian Accounting Standard) Rules 2015 (as amended) and the Guidance note on Oil & Gas producing activities (Ind AS) issued by the ICAI.

The consolidated results for the quarter and year ended March 31, 2022 include the results of the Company's subsidiaries of Hindage Oilfield Services Limited ("HOSL") and Geopetrol International Inc. ("GPII"). It also includes the stepdown subsidiary Geopetrol Mauritius Limited ("GML") and an associate of GML, GeoEnpro Petroleum Limited ("GeoEnpro").

2. The individual items of expenses in the above financial results are net of amounts charged to Unincorporated Joint Ventures (UJV) where the Group is the operator. The Group's share of such net expenses in UJV's are treated as exploration, development or production costs, as the case may be.
3. The Group is in the business of exploration, development and production of crude oil and natural gas in India. Production of crude oil and gas is classified as essential commodities as per Section 2 of the Essential Commodities Act, 1955. Presently, gas and oil production of the Company at Dirok field in Assam and Kharsang field in Arunachal Pradesh, PY-1 field in Cauvery offshore and three fields in Gujarat are under production as per the offtakes of the buyers. In assessing the recoverability of its assets including receivables and inventory, the group has considered internal and external information up to the date of approval of these financial results including economic forecasts. The Group has performed analysis on the assumptions used and based on current indicators of future economic conditions, the Group expects to recover the carrying amount of these assets. The Group has concluded that there is no material impact of COVID-19 based on such evaluation. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Group will continue to closely monitor any material changes to future economic conditions.
4. Production Sharing Contract ("PSC") for PY1 block was extended up to June 4, 2022 by Government of India ("GOI") to continue the production from the field while addendum to the PSC for 10 years extension is pending with GOI. HOEC and GOI have a dispute on computation of royalty payable under the PSC since commencement of production from 2009 onwards. HOEC stated that as per PSC the royalty should be on well head value, whereas Government of India insists that the royalty is payable on realizable value. While considering the extension, GOI insists that the royalty needs to be computed since 2009 by adopting realized value as the basis for computation and the differential amount should be paid along with applicable interest. This matter was referred to Dispute Resolution Committee and it was agreed during the year to make a payment of ₹ 2,789.18 Lacs inclusive of interest to obtain 10 years extension of the block from the date of expiry of the initial contract on October 5, 2020 based on the draft settlement agreement. The company is in the process of obtaining the signed settlement agreement and signed extension letter as on date of this result. Accordingly, the amount of ₹ 2,789.18 lacs has been provided in the books as at March 31, 2022.

With reference to CB-OS/1 block, Oil and Natural Gas Corporation Limited ("ONGC") made a claim of ₹1,245 lacs which was disputed by the Company and the matter was referred to arbitration. The final award was received on March 24, 2022, directing HOEC to pay to ONGC ₹647.35 lacs inclusive of interest and arbitration cost.

5. Production Sharing Contract for Kharsang block, wherein Geopetrol holds 25% participating interest had expired on 15 June 2020 and the company has got an interim extension for 23 months from Government of India to continue the production till a formal extension of 10 years is granted effective from 15 June 2020. The formal extension is being pursued by the operator by settling the outstanding issues with the Directorate General of Hydrocarbons based on the Management Committee meeting held on 15 June 2020.

6. The Group operates in one segment i.e. "Oil and Gas".
