Key audit matters

5. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter:

5.1 Assessment of the carrying value of investment in and loans granted to a subsidiary, Jindal ITF Limited [Refer to note 3.6, 3.12(a), 4(f) and note 60 to the Standalone Financial Statements]

Description of Key Audit Matter:

The carrying amount of the Company's investment in its subsidiary, Jindal ITF Limited (the 'subsidiary') as at March 31, 2023 is Rs. 64,663.28 lakhs, which includes investment in redeemable preference shares ("RPS") of the subsidiary amounting to Rs. 52,550.81 lakhs. During the year, the redemption date of the RPS was extended by five years and a redemption premium payable on maturity with effect from the date of issue of the RPS, was introduced. These modifications to the terms of the RPS resulted in a change in fair value of the debt component of the RPS and recognition of a gain of Rs. 19,783.01 lakhs in the Statement of profit and loss. Further, the outstanding balance of loans and advances granted to the said subsidiary is Rs. 144,191.02 lakhs as at March 31, 2023.

The subsidiary had entered into a contract in the financial year 2015-16 with a public sector undertaking ('PSU') for transporting imported coal to one of the PSU's power generating stations. The contract was for a period of seven years and the subsidiary was the sole transporter and accordingly, had made significant investments to develop the facility. The contract had a clause for compensation in case the supply was lesser than the minimum guaranteed quantity ('MGQ') mentioned in the contract and had specific clauses to be adhered to by both the parties before terminating the contract.

The PSU stopped taking the supplies during the first year of operation and refused to pay compensation towards MGQ and terminated the contract subsequently. The matter was referred to arbitration where the arbitrator had awarded an interim award amounting to Rs. 35,631.18 lakhs in favour of the subsidiary relating to first 2 years of MGQ which was paid by the PSU, against an equivalent amount of bank guarantee furnished by the subsidiary. Subsequently, the arbitrator issued the final order in favour of the subsidiary awarding Rs. 189,108 lakhs plus interest and applicable taxes.

The PSU has filed an appeal with Hon'ble High Court of Delhi against the final arbitration order. The Hon'ble High Court passed an interim order directing the PSU to pay Rs. 50,000 lakhs as an interim compensation which was paid by the PSU against an equivalent amount of bank guarantee furnished by the subsidiary. Currently, the matter is under litigation and pending before the Hon'ble High Court of Delhi. The management, in consultation with their legal counsel on the likely outcome of the case, has assessed that the carrying amount of investments in and loans granted to the subsidiary including interest thereon, are good and recoverable.

This has been determined as a key audit matter as the investment made, and loans granted are material to the Standalone Financial Statements and the subsidiary is currently having insignificant operations. Further,

How our audit addressed the key audit matter:

- Understood and evaluated the design and performed testing of operating effectiveness of controls over recognition and assessment of recoverability of the investment in and the loans given to the subsidiary.
- Obtained an understanding of the matter and enquired about updates over the legal case and the proceedings that took place during the year.
- Evaluated appropriateness of the accounting policy of the Company in respect of impairment assessment of equity investments, loans given and modification to the terms of a compound financial instruments (i.e., RPS).
- Perused the contract between the subsidiary and the PSU to corroborate the matters stated in the appeal and details of the claim filed by the subsidiary with the Arbitration Tribunal and the final arbitration order issued in this regard.
- Evaluated the recoverability of the said loans and investments considering the arbitration order decided in favour of the subsidiary.
- Evaluated the opinion obtained from the Company's external legal counsel on likely outcome of the case which supports the Company's assessment about recoverability of the said loan and investment balances.
- Read the minutes of the meetings of the board of directors and understood the modification to the terms of the RPS of the subsidiary
- Read the opinions obtained by the Company and involved auditor's experts to assess the appropriateness of the gain recognised on modification to the terms of the RPS.
- Evaluated the appropriateness of presentation and adequacy of the disclosures made in the standalone financial statements.

5.2 Assessment of carrying value of investments in a subsidiary, Jindal Quality Tubular Limited and an associate, Jindal Fittings Limited [Refer to note 3.6, 3.12(a), 4(f) and note 8 to the Standalone Financial Statements]

The carrying value of Company's investments include unquoted investments in the form of equity and preference shares in a subsidiary, Jindal Quality Tubular Limited (JQTL) and in an associate, Jindal Fittings Limited (JFL), aggregating Rs. 14,823.38 lakhs respectively. The Company accounts for equity investments in subsidiaries and associate at cost (subject to impairment assessment) and preference shares are carried at amortised cost. The carrying value of these investments as at the year end has been assessed for impairment by the Company basis an independent valuation carried out by a third party.

- Forecast cash flows including assumptions on growth rates
- Discount rates of 12.82% for JFL and 14.17% for JQTL
- Terminal growth rate of 4% for JFL and 1% for JQTL
- Economic and entity specific factors incorporated in the valuation.

How our audit addressed the key audit matter:

We performed the following procedures:

- Understood and evaluated the design and tested the operating effectiveness of the Company's controls over monitoring the performance of the subsidiary and associate and performing an impairment assessment.
- Evaluated the appropriateness of the accounting policy of the Company in respect of impairment assessment of investments in equity and preference shares.
- Obtained the management's valuation calculations supported by an independent report of a third party and performed enquiries with the management to understand the assumptions, including the discount rate and the growth rates, underlying in the forecast.
- Assessed the reasonableness of the growth rates used in the forecast with the current orders in hand and historical growth rates where the impairment indicators exist.
- Assessed, with the involvement of auditor's expert, the appropriateness of financial projections, discount rate and terminal values used in the valuation calculations.
- Performed sensitivity tests over the key assumptions and considered them to be within a reasonable and foreseeable range.
- Assessed the historical accuracy of the forecasts by comparing the forecast used in the prior year valuation with the actual performance in the current year. In case the actual performance was lower than the forecast, we obtained the reasons thereof from the management.
- Tested the mathematical accuracy of the underlying calculations.
- Evaluated the appropriateness of presentation and adequacy of the disclosures made in the Standalone Financial Statements.

Based on the above audit procedures, the management's assessment of the carrying value of the investments in the subsidiary and associate company was considered to be reasonable.

Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the standalone financial statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on Audit of the Standalone Financial Statements
Page 6 of 7

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

14. We did not audit the financial statements of the Trust included in the standalone financial statements of the Company, which constitute total assets of Rs. 1,576.54 lakhs and net assets of Rs. 70.91 lakhs as at March 31, 2023, total revenue of Rs. 45.43 lakhs, net excess of income over expenditure of Rs. 26.89 lakhs and net cash flows amounting to Rs. (138.87) lakhs for the year then ended. These financial statements have been audited by other auditors whose report has been furnished to us by the management, and our opinion on the standalone financial statements in so far as it relates to the amounts and disclosures included in respect of the Trust, is based solely on the report of such other auditor.

Our opinion is not modified in respect of above matter.

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Jindal Saw Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Annexure A to Independent Auditor's Report

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company is maintaining proper records showing full particulars of Intangible Assets.

- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.

- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 5 to the financial statements, are held in the name of the Company, except for the following:

Description of property	Gross carrying value (Rs Lakhs)	Held in the name of	Whether held by promoter, director or their relative or employee	Period held - indicate range, where appropriate	Reason for not being held in the name of the Company
Freehold Land	1,950.00	Multiple third parties	No	10-15 years	Change inland use not yet approved by government authorities

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.

- ii. (a) The physical verification of inventory excluding stocks with third parties has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory and have been appropriately dealt with in the books of account.
- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the unaudited books of account. However the Company has not filed return or statements for the quarter ended March 31, 2023 with the banks and accordingly, we are unable to comment on such reconciliations as required by clause 3(ii)(b).
- iii. (a) The Company has made investments in one company, one mutual fund scheme, granted unsecured loans to one company and 314 employees and stood guarantee to one subsidiary company and one joint venture. The Company during the year has not granted any secured loans or advances in nature of loans or provided security to any parties during the year. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans and guarantees to subsidiary and joint venture are as per the table given below:

	Guarantees (Rs. in Lakhs)	Loans (Rs. in Lakhs)

Basis for Qualified Opinion included in Auditors' report of a Subsidiary Company

3. The audit report on the financial statements of DERWENT SAND SARI, a subsidiary of the Holding Company, issued by an independent firm of auditors vide its report dated April 20, 2023 and furnished to us, contains the following modification, which is reproduced by us as under:

"Continuity of operations: During our mission, we recall that the company is in liquidation, under article 711 bis 11 of the Commercial Code".

The above modification does not impact our opinion on the consolidated financial statements as the subsidiary company is under liquidation and the same has been disclosed in the Consolidated Financial Statements (refer note 50 to the attached consolidated financial statements).

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Emphasis of Matter

5. We draw your attention to Note 51 to the Consolidated financial statements regarding related party transactions entered into by the Holding Company, which are in excess of the limits approved by the Audit Committee of the Board of Directors and the shareholders as required under Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). The Holding Company has intimated the said non-compliance to the stock exchange(s), and action, if any, against the Holding Company by the Securities and Exchange Board of India is presently not ascertainable.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have reported key audit matters in our report of even date on the audit of standalone financial statements of the Holding Company with respect to assessment of carrying of value of investments in and loans granted to two subsidiary companies and carrying value of investments in an associate company. We have determined that there are no other key audit matters to communicate in our report on the consolidated financial statements.

Other Information

7. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer paragraph 16 below), we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

8. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group including its associate company and joint ventures in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies

included in the Group and of its associate company and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

9. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate company and joint ventures are responsible for assessing the ability of the Group and of its associate company and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. The respective Board of Directors of the companies included in the Group and of its associate company and joint ventures are responsible for overseeing the financial reporting process of the Group and of its associate company and joint ventures.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate company and joint ventures to continue as a going concern. If we conclude that a material uncertainty

exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate company and joint ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate company and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
13. 1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to financial statements of Jindal Saw Limited (hereinafter referred to as "the Holding Company"), its subsidiary companies and its associate company and Joint Venture, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its associate company and Joint Ventures, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Annexure A to Independent Auditor's Report

Referred to in paragraph 19(f) of the Independent Auditor's Report of even date to the members of Jindal Saw Limited on the consolidated financial statements for the year ended March 31, 2023
Page 2 of 3

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its associate company and Joint Venture, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.
