See accompanying notes to the unaudited financial results

## Notes:

Date: August 02, 2021

- 1. The unaudited financial results for the quarter ended June 30, 2021 of Mangalore Chemicals and Fertilizers Limited ("the Company") have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on August 02, 2021.
- 2. The unaudited financial results have been prepared in accordance with the applicable Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3. The Company is engaged in the manufacture, sale and trading of fertilisers which constitutes a single operating segment as per Ind AS 108 and hence separate segment disclosures have not been furnished.
- 4. The urea concession income for the period / year has been recognized based on management's estimate, pending finalization by the Government of India ('GOI'). Revenue for the quarter and year ended March 31, 2021 include additional urea concession income of Rs.1,856.06 Lakhs, relating to immediately preceding financial year recognized on finalization of escalation/de-escalation claims.
- 5. The Company had during the year ended March 31, 2021 recognised urea subsidy income of Rs.2,914 Lakhs without benchmarking its cost of production using naphtha with that of gas-based urea manufacturing units recently converted to natural gas, as notified by the Department of Fertilizers [DoF] for subsidy income computation against which the Company had filed a writ petition against the DoF before the Hon'ble High Court of Delhi [DHC]. Pending finalization of writ petition before the DHC against this matter, the management based on legal opinion and considering the fact that the energy cost is always a pass through in subsidy computation, believes that artificial benchmarking is arbitrary and discriminatory and is confident of realisation of the aforesaid subsidy income.
- 6. Consequent to reassessment of uncertainity over eventual realization arising due to the order of DoF against the Company (challenged by a writ petition which is pending before DHC), during the quarter and year ended March 31, 2021, the Company derecognized subsidy income of Rs.2,686 Lakhs relating to higher energy norms which was recognized till December 31, 2020 of fiscal year ended 31 March 2021.
- 7. The Code on Social Security, 2020 ('Code') relating to employee benefits received Presidential assent in September 2020. However, effective date and the final rules/ interpretation have not yet been notified / issued. The Company is in the process of assessing the impact of the Code and will recognize the impact, if any, based on its effective date.
- The Company has assessed the impact of COVID 19 and concluded that there is no material impact on the operations of the Company and no material adjustment is required at this stage in the financial results of the Company for the quarter ended June 30, 2021. However, the Company will continue to monitor the impact which is a continuing process, given the uncertainities with its nature and duration of COVID - 19 and the impact may be different from the estimates considered while preparing these results.
- 9. The figures of the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2021 and the unaudited published year-to-date figures up to December 2020 being the date of the end of the third quarter of the financial year which were subjected to limited review.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Mangalore Chemicals and Fertilizers Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of Mangalore Chemicals and Fertilizers Limited (the "Company") for the quarter ended June 30, 2021 and year to date from April 01, 2021 to June 30, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34. (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410. "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act. 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 5. Emphasis of Matter

We draw attention to Note 5, which states that the Company has recognized urea subsidy income of INR 2.914 lakhs considering that benchmarking of its cost of production of urea using Naptha with that of gas based urea manufacturing units is arbitrary and for which the Company has filed a writ petition against the Department of Fertilizers before the Hon'ble High court of Delhi. Based on legal opinion obtained, the management believes that the criteria for recognition of subsidy revenue is met. Our conclusion is not modified in respect of this matter.
