Notes to Consolidated unaudited financial results for the period ended December 31, 2020.

- 1) The above unaudited consolidated financial results have been reviewed by the Audit Committee and have been approved by the Board of Directors at their meetings held on February 09, 2021 pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements), Regulations 2015 (as amended). The statutory auditors have carried out a Limited Review on the results for the period ended December 31, 2020 and the related report is being submitted to the concerned stock exchange. The above results have been prepared in accordance with the recognition and measurement principles of Ind AS 34 - "Interim Financial Reporting" notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).
- 2) The Group's main business is Financing Activity. All other activities of the Group revolve around the main business. As such, there are no separate reportable segments, as per the Ind AS 108 "Operating Segments" specified under section 133 of the Companies Act, 2013.
- 3) The Group, during the nine months ended December 31, 2020, has granted 2,95,000 employee stock options in accordance with the Group's Employee Stock Option Scheme(s).
- 4) The listed Non-Convertible Debt Securities of the Group as on December 31, 2020 are secured by first pari-passu charge on the fixed assets owned by the Group and first pari-passu charge by way of hypothecation, over standard present and future receivables. The total assets cover required thereof has been maintained as per the terms and conditions stated in the Debenture Trust Deed.
- 5) The outbreak of COVID-19 pandemic across the globe and in India has contributed to a significant decline and volatility in the global and Indian financial markets and slowdown in the economic activities. The Reserve Bank of India (RBI) has issued guidelines relating to COVID-19 Regulatory Package and in accordance therewith, the group had provided moratorium on the payment of all principal amounts and/or interest, as applicable, falling due between March 1, 2020 and August 31, 2020 to all eligible borrowers classified as standard, even if the said amounts were overdue on February 29, 2020. For all such accounts, where the moratorium was granted, the asset classification remained standstill during the moratorium period (i.e., the number of days past due shall exclude the moratorium period for the purpose of asset classification as per the policy).

The Group continues to receive requests for restructuring of some of its loans under the Guidance given by RBI dated August 6, 2020 in respect of its MSME loans. In respect of the Housing Loans the Group has received requests for restructuring up to 31 December 2020 in line with similar guidelines applicable to housing loans by RBI dated August 6, 2020. These requests are under implementation and are expected to be completed by March 31, 2021, including all fresh requests (in respect of MSME Loans) received till that date. Loans covered by such restructuring requests duly approved by the management as at 31 December 2020 amounted to INR 1,101.0 million on which a provision has been made based on current management assessment of expected credit losses.

Given the uncertainty over the potential macro-economic impact and external developments including the final decision of the Honourable Supreme Court in relation to moratorium and other related matters, the Management has considered reasonable internal and external supportable information up to the date of approval of these financial results, and estimated the expected credit loss based on certain judgements in accordance with the policy of the Group for impairment of financial assets carried at amortised cost.

Based on the current indicators of future economic conditions, the Group considers these provisions to be adequate. The extent to which the pandemic impacts future results of the Group will depend on future developments, which are highly uncertain. Given the uncertainty over the potential macro-economic condition and judicial decisions, the impact of the COVID pandemic may be different from that estimated as at the date of approval of these financial results and the Group will continue to closely monitor any material changes to future economic conditions, which will be given effect to in the respective future period.

- 6) Hon'ble Supreme Court. in a public interest litigation (Gajendra Sharma vs. Union of India & Anr). vide an interim order dated 3 September 2020 has directed that accounts which were not declared NPA till 31 August 2020 shall not be declared as NPA till further orders. Basis the said interim order, the Group has not classified any standard account as of 31 August 2020 as NPA subsequent to 31 August 2020 as per RBI norms. Such accounts have been classified as stage 3 and provisioned accordingly.
- 7) From the period ending June 30, 2020 the Group has changed the rounding off from INR in Lakh to INR in Million and accordingly the Comparative figures for Previous period/ year have been presented in INR in Million.
- 8) The Code on Social Security, 2020 (the "Code") has been enacted. The date of coming into force of the various provisions of the Code is to be notified and the rules thereunder are yet to be announced. The potential impact of the change will be estimated and accounted in the period of notification.
- 9) Previous period/ year figures have been regrouped and reclassified wherever necessary to conform to current period's presentation.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent’s personnel responsible for financial and accounting matters and applying analytical and other review procedures. Accordingly, we do not express an audit opinion.

4. The Statement includes the results of the following entities:

- Capri Global Housing Finance Limited
- Capri Global Resources Private Limited

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to Note 5 to the Statement, which describes the continuing uncertainty arising from COVID-19 Pandemic on the Group's results.
Our conclusion on the Statement is not modified in respect of this matter.
