## Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Nava Bharat Ventures Limited

### Opinion

1. We have audited the accompanying standalone annual financial results ('the Statement') of Nava Bharat Ventures Limited ('the Company') for the year ended 31 March 2021, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations'), including relevant circulars issued by the SEBI from time to time.
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
  - (i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, and
  - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act'), read with relevant rules issued thereunder, and other accounting principles generally accepted in India, of the standalone net profit after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2021.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. ## Responsibilities of Management and Those Charged with Governance for the Statement

4. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
5. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

# Walker Chandiook & Co LLP

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Other Matters

11. The Statement includes the financial results for the quarter ended 31 March 2021, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subject to limited review by us.
12. The Statement includes the financial information of 1 branch, which have not been reviewed/audited, and whose financial information reflects total assets of ₹7.86 lakhs as at 31 March 2021, and total revenues of ₹Nil, total net loss after tax of ₹8.55 lakhs, total comprehensive loss of ₹8.55 lakhs, and cash outflows (net) of ₹8.55 lakhs for the year then ended, as considered in the Statement. Our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this branch, is based solely on such unreviewed/ unaudited financial information. According to the information and explanations given to us by the management, this financial information is not material to the Company.

Our opinion is not modified in respect of this matter with respect to our reliance on the aforesaid financial information certified by the Board of Directors.

Based on advice from in-house legal counsel, a sum of ₹2,441.53 lakhs and ₹91.25 lakhs has been assessed and provided for as an expense during the quarters ended 30 September 2020 and 31 March 2021 respectively and for the year ended 31 March 2021, as a probable aggregate obligation towards the disputed charges on consumption in earlier years. During the quarter ended 30 September 2020, the GST authorities assessed and acknowledged the claim, and authorised refund of the aforesaid amount. The management has submitted its response to TSNPDCL contesting the said demand inter alia that the captive consumption is for production of Ferro Alloys which industry is entitled to a specific single part energy tariff without any demand charges and so the grid support charges, derived out of applicable demand charge in the tariff category, ought to be nil and that interest demand does not arise being unsupported by basic demand and in the absence of any contract thereof, aside from the demand suffering from apparent calculation errors. However TSNPDCL persisted with the demand again without furnishing any further information and without disposing the Company's representation properly, threatening disconnection of service. The Company has again sought supporting calculations without prejudice to its right of nil grid support charges based on captive consumption for Ferro Alloys and is also contemplating to counter the said demand in the court of law. Pending clarifications and response from TSNPDCL, and/ or legal outcome, management has not made any provision in the standalone financial results in respect of this matter.

## Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and that obtained by the other auditors in terms of their reports referred to in paragraph 13(i) of the Other Matter section below, is sufficient and appropriate to provide a basis for our opinion.

4. We draw attention to:
  - a. note 4 to the accompanying consolidated financial results of the Holding Company, which describes the uncertainty related to the outcome of the lawsuit filed by and against a subsidiary Company, Brahmani Infratech Private Limited.   - b. note 5 to the accompanying consolidated financial results of the Holding Company, which describes the uncertainty related to the outcome of proceedings pending against a subsidiary Company, Nava Bharat Projects Limited, regarding the attachment of the equity shares invested in by such subsidiary company in a step-down subsidiary company, Nava Bharat Energy India Limited. These amounts have been considered as good and realisable by management on the basis of their assessment of the status of discussions and follow up with the customer, the sovereign guarantee issued by the Government of Zambia for such receivables and the undergoing arbitration proceedings. Accordingly no further adjustments have been considered necessary in the audited consolidated financial results in this regard.

  - e. note 17 to the accompanying consolidated financial results of the Holding Company, in connection with a breach of "events of default" clause of a loan arrangement by Maamba Collieries Limited (MCL), a step-down subsidiary, owing to default in repayment of loan instalments and delay in payment of interest thereon as detailed in the said note. These defaults provide the lenders the ability to demand repayment of the balance loans in full which could have a significant impact on the current ratios of MCL. Further, the lenders of MCL have not provided a waiver of this aforesaid material breach in writing. Management of MCL has continued to classify the loans in accordance with their repayment schedule agreed with the lenders for reasons mentioned in note 17. This matter has been reported as a material uncertainty relating to going concern of MCL by their Auditor's vide their audit report dated 4 May 2021.

## Auditor's Responsibilities for the Audit of the Statement

8. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
9. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and the subsidiary companies covered under the act has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

# Walker Chandiook & Co LLP

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial statements of the entities within the Group, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The management has submitted its response to TSNPDCL contesting the said demand inter alia that the captive consumption is for production of Ferro Alloys which industry is entitled to a specific single part energy tariff without any demand charges and so the grid support charges, derived out of applicable demand charge in the tariff category, ought to be nil and that interest demand does not arise being unsupported by basic demand and in the absence of any contract thereof, aside from the demand suffering from apparent calculation errors. However TSNPDCL persisted with the demand again without furnishing any further information and without disposing the Company's representation properly, threatening disconnection of service. The Company has again sought supporting calculations without prejudice to its right of nil grid support charges based on captive consumption for Ferro Alloys and is also contemplating to counter the said demand in the court of law. Pending clarifications and response from TSNPDCL, and/or legal outcome, management has not made any provision in the consolidated financial results in respect of this matter.

On the basis of assessment of the progress of arbitration proceedings, the lenders also being a petitioner in this arbitration process, the existence of an insurance cover for 65% of the outstanding balance of loans, the sovereign guarantee issued by the Government of Zambia, the progress of the discussions with the lenders on the proposed restructuring of the loans, and in the absence of any demand from the lenders for the repayment of the balance of loans, management has continued to classify these loans in accordance with the repayment scheduled agreed with the lenders. Further, taking cognisance of the said facts, management and Board of Directors of MCL are confident of its ability to continue as a going concern for a foreseeable future and to generate sufficient funds to discharge its liabilities as and when they fall due.
