Basis of Adverse Opinion

4. The Company's is unable to repay its liability (current & non-current) as on December 31, 2023. These events indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. The financial statements (and notes thereto) do not disclose this fact.

Adverse Opinion

5. In our opinion, because of the omission of the information mentioned in the Basis for Adverse Opinion paragraph, the financial statements do not give the information required by the Companies Act, 2013 in the manner so required and also do not give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st December, 2023, and its profit/loss and its cash flows for the year ended on that date.

Emphasis of Matter

6. Without qualifying our opinion, we draw attention to the multiple issues of financial significance as highlighted in the Audit Report for the year ended 31st December, 2023 together with observations noted during the quarter and three months ended as on December 31st, 2023 and forming part of the unaudited financial statement;
 - a) We refer to note 2 wherein the company has stopped manufacturing activities since 01-01-2018 and no detailed plans are made available to us regarding commencement of business activity in near future. The company is in the process of restructuring/revival of its business, in view of the management's expectation of the successful outcome of revival of its business the financial statement has been prepared on going concern basis. However, in view of the above uncertainty we are unable to comment on the ability of the company to continue as a going concern and the consequential adjustment to the accompanying financial statement if any that might have been necessarily, had the financial statement been prepared under liquidation basis.
 - b) Attention is invited to Note No. 3 in the notes to unaudited financial statement, which indicate that the company has incurred a loss of Rs.75,96,019/- during the quarter ended as on 31st December 2023 and has a negative net worth of Rs.46,84,85,567/-, if provision for the unrealized sundry debtors outstanding for more than three years amounting to Rs.41,10,67,159/- is made by the company, the company's current liability will exceed current assets of the company. Sundry debtor's amount outstanding are unconfirmed by the parties and outstanding for more than three years.

- c) We Refer to note 4 of the statement relating to cash credit limit from Punjab National Bank and Bank of India for Rs. 10 crores and 5 crores respectively. The accounts have been classified as non-performing assets during the financial year 2015 - 16 by the respective banks vide their letter dated 11-05-2016 with effect from 31-03-2016 due to non-service of interest. Further the lead bank Punjab National Bank has initiated action as provided under section 13(4) of the SARFAESI Act 2002. Pending confirmations from the company, no provision has been made against interest obligation on the overdue loans for Quarter ended 31-12-2023 since the same is not quantifiable and accordingly the loss for the year is understated to that extent. Due to non-provisioning of interest, penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirement of Ind AS 23: Borrowing Costs read with Ind AS 109 Financial Instrument.
- d) We refer to note 5 of the statement wherein the outstanding debtor's receivable as reflected in current assets of Rs.41,10,67,159/- are outstanding for more than three years. The amount outstanding are unconfirmed by the parties and forms part of disputed trade receivable - considered doubtful.
- e) We refer to note 5 of the statement wherein the outstanding creditor's payable as reflected in current liabilities of Rs.15,82,47,094/- which are outstanding for more than three years. The amount outstanding are unconfirmed by the parties. The existence of material uncertainty on going concern as regards the company's ability to meet its obligation.
- f) We refer to note 6 of the statement wherein the balances as reflected in cash/bank is unconfirmed and is kept under freeze as per the direction of authorities on default of Punjab National Bank and Bank of India. The availability of such funds held in different banks even in future for the company is doubtful.
- g) We refer to note 7 of the statement wherein the outstanding provision of Rs.1,52,74,491/- towards expenses of Rent & Water charges as reflected under other current liabilities includes outstanding for more than three years. The amount outstanding are unconfirmed by the parties.
7. These condition along with Other Matters set forth, indicate the material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. In absence of sufficient appropriate audit evidence in support of management's assessment regarding going concern basis of accounting is appropriate. Our opinion is not modified in respect of this matter.

Material Uncertainty Relating to Going Concern

8. We draw your attention to Note No. 2 of the financial statements regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. After making provisions for events and amounts mentioned from 6(a) to 6(g), the net worth of the company will be fully eroded.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the resolution plan of the company which is under process, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future. Our opinion is not modified in these matters

Disclaimer of Opinion

9. The significance of the matters described in para 6(a) to 6(g) above, we have not been able to obtain moderate assurance to provide a basis for a review opinion as to whether the Statement has been prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India or state whether the Statement has disclosed the information required to be disclosed the information in terms of Regulation 33 of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.
10.
