5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 8 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matters

- a. We draw attention to Note 6, which states that in case of a Subsidiary Company (MCFL), MCFL had recognized urea subsidy income of INR 29.14 crores considering that benchmarking of its cost of production of urea using Naptha with that of gas based urea manufacturing units is arbitrary and for which the MCFL has filed a writ petition against the Department of Fertilizers before the Hon'ble High court of Delhi. Based on legal opinion obtained, the management of MCFL believes that the criteria for recognition of subsidy revenue are met.

Our opinion is not modified in respect of this matter.

7. Other Matter

- a. We draw attention to Note 5 of the accompanying financial results, Zuari Farmhub Limited (ZFL), a subsidiary of the Company, had issued 78,55,60,000 equity shares of INR 10 each by way of conversion of unsecured compulsory convertible debentures (CCD's). And further during the quarter ended June 30, 2022, ZFL had filed before NCLT, Scheme for Reduction of its Share Capital ("Scheme") which has been approved by NCLT, Mumbai Bench, vide its order dated May 04, 2023, and the Scheme has become effective from the appointed date i.e. July 01, 2022. To give effect to the capital reduction, ZFL had cancelled and extinguished 69,89,67,400 number of shares with face value of INR 10 each in their books. Accordingly, the Company has reduced its carrying value of investment in ZFL by INR 698.97 crores and loss arising on the same has been disclosed under exceptional items in profit and loss statement by the Company.

- b. We draw attention to Note 8(i), Adventz Trading DMCC, foreign subsidiary of the Company, The Board of Directors of the Company at its meeting held on 31st March, 2023 has approved the liquidation and winding up of operation, Subject to the approval of Reserve Bank of India and other Regulatory Authorities as it was not conducting any business since May, 2021. Further, the Company does not envisage any viable business in the near future as well.
