To the Board of Directors of Prime Securities Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results of Prime Securities Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended 30 September 2021 and the consolidated year to date results for the period 01 April 2021 to 30 September 2021 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
- We did not review the interim financial results of two subsidiaries included in the Statement, whose financial information reflects total assets of ₹ 1.871 lakhs as at 30 September 2021, total revenues of ₹ 155 lakhs and ₹ 288 lakhs, total net profit / (loss) after tax of ₹ 4 lakhs and ₹ (3) lakhs, total comprehensive profit / (loss) of ₹ 5 lakhs and ₹ (8) lakhs, for the quarter and year-to-date six month period ended on 30 September 2021, respectively, and cash outflows (net) of ₹ 137 lakhs for the six month period ended 30 September 2021, as considered in the Statement. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

Consolidated Notes:

- 1 The above consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The consolidated financial results were reviewed by Audit Committee and approved by the Board of Directors at its Meeting held on November 9, 2021. The results for the quarter and half ended September 30, 2021 were subjected to limited review by the statutory auditors of the company.
- 2 The Consolidated financial results include the reviewed financial results of the wholly-owned subsidiaries Prime Research & Advisory Limited and Prime Funds Management Limited.
- 3 Amid continued COVID-19 pandemic and gradual phase out of restrictions, economic activities have started returning to normal. Employees of the Group continue to work from home. The Company believes that it has taken into account all possible impact of known events arising out of COVID 19 pandemic in preparation of financial results. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company is continuously monitoring any material changes that may influence future economic conditions.
- 4 During the quarter and half year ended September 30, 2021, the holding company has tracked and recovered certain listed shares which had formed a part of its investments. These had been misplaced and so written-off in earlier years. These shares have since been reinstated at the average cost they were carried at. The difference between the market value of such shares on the date of reinstatement and the average cost at which they have been reinstated and related expense, has been accounted for through exceptional item as the gain that has been accounted for does not pertain to this quarter and half year ended September 30, 2021 alone. Subsequent changes in fair valuations have been shown under "Net Gain on fair value changes".
- 5 The Board of Directors have, at their meeting held on October 13, 2021, approved the issue of upto 45,50,000 equity shares of the Holding Company to the specified investors, on a preferential basis at a price of Rs. 88.75 per equity share, subject to approval of the shareholders at their extraordinary general meeting scheduled to be held on November 10, 2021.
- 6 The Company has identified two business segments (i) Financial Advisory & Intermediation services and (ii) Brokerage from financial product distribution business as per Ind-AS 108. However, the segment "Brokerage from distribution business of financial products" does not exceed the quantitative thresholds as prescribed by paragraph 13 of Ind-AS 108. Hence, the entity has not reported separate information for each operating segment.
- 7 The amounts reflected as "0" in the Financial Information are values with less than rupees one lakh.
- 8 Previous quarter, half year and year ended figures have been regrouped / reclassified, wherever necessary, to confirm to the current quarter presentation.

Standalone Notes:

- The above standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The standalone financial results were reviewed by Audit Committee and approved by the Board of Directors at its Meeting held on November 9, 2021. The results for the quarter and half year ended September 30, 2021 were subjected to limited review by the statutory auditors of the company.
- 2 Amid continued COVID-19 pandemic and gradual phase out of restrictions, economic activities have started returning to normal. Employees of the Company continue to work from home. The Company believes that it has taken into account all possible impact of known events arising out of COVID 19 pandemic in preparation of financial results. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company is continuously monitoring any material changes that may influence future economic conditions.
- Pursuant to receipt of order dated May 13, 2021, from the Honourable National Company Law Tribunal, Mumbai Bench (NCLT) approving the Scheme of amalgamation of its erstwhile subsidiaries, Primesec Investment Limited (PIL) and Prime Commodities Broking (India) Limited (PCBIL), (jointly referred as the Transferor Companies), with Prime Securities Limited (PSL), (the Transferee Company) as a result of which the Transferor Companies and Transferee Company have filed Form INC-28 with ROC, which has made the Scheme effective from April 1, 2020. Amalgamation of the Transferor Companies with the Transferee Company has been accounted in the books of the Transferee Company as per Pooling of Interests Method as set out in Appendix C of Ind-AS 103 (Business Combinations of entities under common control) read with the Companies (Indian Accounting Standards) Rules, 2015. The comparative financial information in the financial results in respect of year ended March 31, 2021 and quarter and half year ended September 30, 2020, have been restated as if the business combination had occurred from the beginning of the preceding period in the financial statements i.e April 1, 2019.
- 4 During the quarter and half year ended September 30, 2021, the Company has tracked and recovered certain listed shares which had formed a part of its investments. The difference between the market value of such shares on the date of reinstatement and the average cost at which they have been reinstated and related expense, has been accounted for through exceptional item as the gain that has been accounted for does not pertain to this quarter and half year ended September 30, 2021 alone. Subsequent changes in fair valuations have been shown under "Net Gain on fair value changes".
- 5 The Board of Directors have, at their meeting held on October 13, 2021, approved the issue of upto 45,50,000 equity shares of the Company to the specified investors, on a preferential basis at a price of Rs. 88.75 per equity share, subject to approval of the shareholders at their extraordinary general meeting scheduled to be held on November 10, 2021.
