Independent Auditors' Review Report on Unaudited Consolidated Financial Results of Reliance Industrial Infrastructure Limited for the quarter and nine months ended December 31, 2022 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

To the Board of Directors of Reliance Industrial Infrastructure Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Reliance Industrial Infrastructure Limited ("the Parent Company") and its share of net profit after tax and total comprehensive income of its associate for the quarter and nine months ended December 31, 2022 ("Statement") attached herewith, being submitted by the Parent Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended read with relevant circulars issued by SEBI("the Listing Regulations").
2. This Statement, which is the responsibility of the Parent Company's Management and approved by the Parent Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 ("the Act"), as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 of the Listing Regulations.. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

4. The Statement includes the results of an associate company Reliance Europe Limited.

5. Based on our review conducted as above and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under Section 133 of the Act as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The Statement also includes the Group's share of Profit after tax of Rs. 45.24 Lakhs and Rs. 112.96 Lakhs and total comprehensive income of Rs. 45.24 Lakhs and Rs. 112.96 Lakhs for the quarter and nine months ended December 31, 2022 respectively as considered in the Statement in respect of one associate is based on the interim financial information which have not been reviewed by their auditor. These unaudited financial information have been furnished to us by the management and our conclusion on the Statement in so far it relates to the amounts and disclosures included in respect of the associate is based solely on such unaudited financial information. In our opinion and according to the information and explanation given to us by the Management, the interim financial results are not material to the Group.

Our conclusion on the Statement is not modified in respect of this matter.

7. Other Matter

Attention is drawn to the fact that the figures for the quarter ended December 31, 2021 & nine months ended December 31, 2021 and year ended March 31, 2022 are based on previously issued financial results and annual financial statements that were reviewed/audited by the predecessor auditor (vide their unmodified limited review report dated January 20, 2022 and unmodified audit report dated April 20, 2022, respectively). Our conclusion is not modified in respect of this matter.
