We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above and based on the consideration of the review report of other auditor of a foreign operation referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The accompanying Statement of quarterly and year to date unaudited standalone financial results include the reviewed financial results in respect of a foreign operation whose financial results and other financial information, without giving effect to elimination of intra-group transactions, reflect total assets of INR 58,128.9 million as at September 30, 2021 and total revenues of INR 7,887.1 million and INR 11,326.6 million, total net profit / (loss) after tax of INR 1,886.8 million and (INR 3,688.9 million) and total comprehensive income / (loss) of INR 1,827.1 million and (INR 4,149.2 million) for the quarter and half year ended on that date respectively, and net cash outflows of INR 1,236.6 million for the period from April 01, 2021 to September 30, 2021, as considered in the Statement which have been reviewed by other auditor.

The independent auditor's report of this foreign operation has been furnished to us by other auditor, and our conclusion on the Statement in so far as it relates to the amounts and disclosures included in respect of this foreign operation, is based solely on the report of such other auditor. Our conclusion on the Statement is not modified in respect of the above matter.
