## **Limited Review Report on Unaudited Quarterly Standalone Financial results of Aurobindo Pharma Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended (“Listing Regulations”)**

To  
Board of Directors of Aurobindo Pharma Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Aurobindo Pharma Limited (“the Company”) for the quarter ended 30 June 2021.
2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. The standalone financial results of the Company include the financial results of 5 wholly owned subsidiaries whose standalone financial results reflect total revenue (before inter-company adjustments) of Rs. 14,627 lakhs for the year ended 31 March 2021. These subsidiaries have been merged with the Company vide The Hon’ble National Company Law Tribunal, Hyderabad order dated 30 March 2021. These subsidiaries have been audited by other auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the report of such other auditors.

Principal Office:

**B S R & Associates LLP**  
**Review Report (Continued)**

Further, standalone financial results include total revenue (before inter-company adjustments) for the quarter ended 31 March 2021 and 30 June 2020 of Rs. 3,537 lakhs and Rs.1,100 lakhs respectively related to aforesaid subsidiaries. The financial results of the aforesaid subsidiaries for these quarters have not been subjected to review or audit. In our opinion and according to the information and explanations given to us by the Management, the financial results of subsidiaries are not material to the Company.

6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Limited Review Report on unaudited quarterly consolidated financial results of Aurobindo Pharma Limited under Regulation 33 of the Listing Regulations

To  
Board of Directors of  
Aurobindo Pharma Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Aurobindo Pharma Limited (“the Parent”) and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), and its share of the net loss after tax and total comprehensive loss of its joint ventures for the quarter ended 30 June 2021 (“the Statement”), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘Listing Regulations’).
2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.
