Dear Sirs,

Sub: Financial Results for the quarter and nine month period ended December 31, 2021 and declaration of a third interim dividend

We enclose the audited standalone financial results of the Company and audited consolidated financial results of the Company and its subsidiaries for the quarter and nine month period ended December 31, 2021 under Ind AS, which have been approved and taken on record at a meeting of the Board of Directors of the Company held today.

We would like to inform you that at the Board Meeting held today, the Directors have declared a third interim dividend of ₹7 per Equity Share of ₹1 each of the Company.

The third interim dividend shall be paid on Monday, February 7, 2022 to the equity shareholders of the Company, whose names appear on the Register of Members of the Company or in the records of the Depositories as beneficial owners of the shares as on Thursday, January 20, 2022 which is the Record Date fixed for the purpose.

The above information is also available on the website of the Company: www.tcs.com

Thanking you,

Yours faithfully,
For **Tata Consultancy Services Limited**

**Pradeep Manohar Gaitonde
Company Secretary**

Independent Auditors' Report

To the Board of Directors of Tata Consultancy Services Limited

Report on the Audit of the Consolidated Interim Financial Results

Opinion

We have audited the accompanying statement of consolidated interim financial results of Tata Consultancy Services Limited (hereinafter referred to as the "Holding Company") and its subsidiaries listed in Annexure I (Holding Company and its subsidiaries together referred to as "the Group"), for the quarter ended 31 December 2021 and the year-to-date results for the period from 1 April 2021 to 31 December 2021 ("the Statement" or "consolidated interim financial results"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the consolidated interim financial results:

- a. includes the interim financial results of the entities listed in Annexure-I;
- b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations, as amended; and
- c. give a true and fair view, in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the consolidated net profit and other comprehensive income and other financial information of the Group for the quarter ended 31 December 2021 and for the period from 1 April 2021 to 31 December 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Interim Financial Results* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed consolidated interim financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated interim financial results.

Independent Auditors' Report (*Continued*)

Tata Consultancy Services Limited

Management's and Board of Directors' Responsibilities for the Consolidated Interim Financial Results

These consolidated interim financial results have been prepared on the basis of the condensed consolidated interim financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated interim financial results that give a true and fair view of the consolidated net profit/ loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated interim financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated interim financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated interim financial results, the respective Management and the Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Interim Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated interim financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated interim financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated interim financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditors' Report (*Continued*)

Tata Consultancy Services Limited

Auditor's Responsibilities for the Audit of the Consolidated Interim Financial Results (*Continued*)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated interim financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated interim financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated interim financial results, including the disclosures, and whether the consolidated interim financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated interim financial results. We are responsible for the direction, supervision and performance of the audit of financial information of entities included in the consolidated interim financial results. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated interim financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report (*Continued*)

Tata Consultancy Services Limited

Auditor's Responsibilities for the Audit of the Consolidated Interim Financial Results (*Continued*)

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Independent Auditors' Report **To the Board of Directors of** **Tata Consultancy Services Limited**

Report on the audit of the Standalone Interim Financial Results

Opinion

We have audited the accompanying standalone interim financial results of Tata Consultancy Services Limited (hereinafter referred to as "the Company") for the quarter ended 31 December 2021 and the year-to-date results for the period from 1 April 2021 to 31 December 2021 ('standalone interim financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone interim financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Accounting Standards, and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the Company for the quarter ended 31 December 2021 as well as the year-to-date results for the period from 1 April 2021 to 31 December 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Interim Financial Results* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the standalone interim financial results.

Independent Auditors' Report (Continued)

Tata Consultancy Services Limited

Management's and Board of Directors' Responsibilities for the Standalone Interim Financial Results

These standalone interim financial results have been prepared on the basis of the condensed standalone interim financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone interim financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone interim financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone interim financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Interim Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone interim financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone interim financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone interim financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditors' Report (Continued)

Tata Consultancy Services Limited

Auditor's Responsibilities for the Audit of the Standalone Interim Financial Results (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone interim financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone interim financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone interim financial results, including the disclosures, and whether the standalone interim financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Rajesh Gopinathan, Chief Executive Officer and Managing Director, said: “Our continued growth momentum is a validation of our collaborative, inside-out approach to our customers’ business transformation needs.

Customers love our engagement model, our end-to-end capability, and our can-do approach to problem solving. While mapping out their innovation and growth journeys, we are also helping them execute new-age operating model transformations to support those journeys."

N Ganapathy Subramaniam, Chief Operating Officer & Executive Director, said: *"We continued our focus on growing organically and on developing the talent, methodologies, and toolkits for an ever-evolving technology landscape. This, coupled with our contextual knowledge and the passion and commitment of thousands of TCSers enabled us to deliver cutting-edge solutions during the quarter, and help our clients realize speed to value. We are also delighted to cross another important milestone in our journey, hitting the \$25 billion revenue mark in CY 2021."*

Samir Seksaria, Chief Financial Officer, said: *"Our sustained investment in our talent has helped us power strong growth despite a challenging supply environment. We remain focused on long term talent development as well as on tactical measures to mitigate the talent churn. We have exercised various operating levers in Q3 to mitigate the higher costs and manage our employee expense."*

Q3 Segment Highlights**

Industries: All verticals grew in the mid to high teens. Growth was led by Retail and CPG (**20.4%**), BFSI (**+17.9%**) and the Manufacturing vertical (**+18.3%**). Technology & Services grew **+17.7%**, Life Sciences and Healthcare grew **+16.3%** and Communications & Media grew **+14.4%**.

Markets: Among major markets, growth was led by North America (**+18%**) and Continental Europe (**+17.5%**) while UK grew **+12.7%**. Among emerging markets, growth was led by Latin America (**+21.1%**) and India (**+15.2%**), followed by Middle East & Africa (**+6.9%**) and Asia Pacific (**+4.3%**).

Services: Q3 witnessed a clear trend of enterprises investing confidently in technology initiatives for longer term growth. There was broad-based growth across all services, led by Cloud, Cyber Security, Consulting & Services Integration and IoT & Digital Engineering.

- **Consulting & Services Integration:** C&SI continues focus on growth & transformation initiatives for clients with proactive propositions combining TCS contextual knowledge, technology & domain expertise integrating multiple services across our practices. Cloud Strategy & Transformation, Customer Experience, Finance & Shared Services transformation led growth in the quarter.
- **Cloud Platform Services:** Accelerated cloud adoption by enterprises drove growth in application transformation, IT landscape modernization, shift to hybrid cloud, and data modernization on cloud. TCS won the AWS 2021 Rising Star Partner of the Year (GSI, for USA) & AWS Application Transformation and Migration Partner of the Year (for ANZ) awards.
- **Digital Transformation Services:** Key G&T themes which saw traction in Q3 include connected enterprise, product innovation, customer experience transformation and security services. Engineering and IoT services are enabling customers to gain complete traceability of products across the value chain, manage assets, innovate products, re-design plants and improve predictability & operational efficiency. This drove growth in Intelligent devices, GIS and Plant Solutions & Services. IoT, Engineering and Analytics services are also helping customers in their sustainability journey, a critical business priority. We are enabling clients on their digital ERP journey leveraging TCS Crystallus™ to empower enterprise digital transformation and drive business value. Oracle Cloud and Niche SaaS transformations led growth this quarter. TCS' Cyber Defence Suite and globally

distributed Threat Management Centers steered growth during the quarter with agile, localized, regulatory compliant security services across ransomware protection, cloud security and managed security services with strong market resonance.

- **Cognitive Business Operations:** Demand was propelled by customers seeking to outsource IT and business operations to drive business agility, operational resilience, and cost efficiency. Growth in Q3 was led by Enterprise BPS, Infrastructure transformation and automation services. MFD™ and Cognix™ continue to demonstrate strong market relevance and deliver customer delight.

**** Year on Year Growth in Constant Currency terms**

Key Highlights

- Engaged by **FactSet**, a leading provider of integrated financial information and analytical applications, to understand, analyze and repackage their datasets to enable them to target untapped industries and prospective customers. TCS has been instrumental in creating a business case and delivering a consulting-led strategy, leveraging TCS' Salesforce Center of Excellence. TCS' NYC Paceport drove the design thinking workshops, solution ideation and creation of workflow along with wireframes to enable the integration of the datasets.
- Selected by a leading ANZ-based specialty retailer, as the strategic consulting partner to build a modern enterprise. TCS will help integrate the business processes (finance, order to cash, forecast to plan, plan to manufacture, inventory) under a common Digital ERP platform on a leading hyperscaler, enabling new digital services and higher efficiency. TCS will also program manage the initiative, including providing OCM services.
- Engaged by a leading US-based banking company as an advisor for data governance across all operational processes for its retail banking business. TCS will use its DATOM™ framework and expertise in banking operations and data governance to model and implement a modern Data & Analytics solution. This will enable an Enterprise Data Management Strategy across all operational processes (disputes, customer complaints, fraud, collections & recoveries).

"We at FactSet are consistently looking to enhance customer experience and provide meaningful information to our customers. This initiative was a key driver and component of our larger vision and strategy planned for this year. We are delighted to have TCS as our Consulting Partner and as a Strategy Advisor for this ongoing initiative."

Jonathan Reeve
EVP and Head of Content & Technology
Solutions, FactSet

- **Swiss Re**, one of the world's leading providers of reinsurance, insurance, and other forms of insurance-based risk transfer, is partnering with TCS to build a more social and open digital workspace leveraging the cloud, to drive greater collaboration and innovation. TCS will help design the new future-ready, persona-based digital workplace using Microsoft technologies and also manage the underlying operations.
- Selected by a leading European postal and logistic company for its hybrid cloud initiative. TCS Enterprise Cloud powered by TCS Alpha 4.0 as a Strategic Hybrid Cloud Platform will empower the client by curating a business-aware, stable, agile, and modern infrastructure, providing reliability, flexibility and scalability.
- TCS and **IAG Global Business Services (GBS) Limited**, have signed an agreement to modernise and transform their business applications through leveraging cloud native features and through TCS accelerators. TCS has designed this programme on a sustainable cloud foundation in support of IAG's vision to be the world's leading airline group on sustainability. IAG GBS is part of International Consolidated Airlines Group (IAG), one of the world's leading airline groups.
- Selected by a Swiss based investment banking firm as a strategic risk analytics partner for one of their groups in the APAC region. TCS will provide analytics services for the Chief Risk and Compliance Officer (CRCO) function and will also enhance the risk platform to drive sustainable returns along with risk control and regulatory advice services.
- Selected by a US based critical emergency equipment provider for product engineering services for its newly acquired ventilator company. It is rebranding and developing the products along with ensuring FDA compliance, prior to launch in other geographies including emerging markets. TCS will do product tear down analysis, product development, quality verification & validation services and regulatory documentation and submission.
- Selected by a leading US based Retailer as the customer experience transformation partner to modernize existing loyalty and online services capability. This will deliver orchestrated customer journey across channels and enrich first person data for marketing initiatives.
- Selected by **Iron Mountain**, a leading US-based information management services company, to modernize its finance and accounting processes. Using TCS CogniX™ and intelligent visualization, TCS will execute an end-to-end transformation of Iron Mountain's procure-to-pay, record-to-analysis, cashflow forecasting, and lease accounting processes. This program is expected to boost productivity, increase cash on hand, and drive data-driven business decisions.
- Selected by **Zebra Technologies Corporation**, a US-based computer peripheral equipment manufacturing company, as a strategic partner to drive its IT Agile transformation. TCS will implement higher levels of intelligent automation to drive agility and synergy across integrated operations of

"Accelerating Swiss Re's journey to become a leading tech and data-led risk knowledge company, we work closely with our partners to co-create new and innovative solutions by leveraging technology and data to drive value for our clients. We partnered with TCS to leverage their insurance domain experience, strategic partnership with Microsoft, proven track record in successfully executing similar large transformation programs including with Swiss Re. Together with TCS and Microsoft, we want to empower our employees with a seamless and secure Digital Workplace experience."

Youngran Kim
Group Chief Technology Officer, Swiss Re

application and infrastructure Services. TCS will also provide DevSecOps services for speedy roll out of new products and services.

- **Petco**, a leading US based pet health and wellness company, has partnered with TCS for its IT transformation journey to gain next-gen capabilities across applications, digital, infrastructure, BI, and business process services. These initiatives are focused on bringing efficiency, agility, compliance, streamlined processes, and better customer engagement to help Petco in their growth & transformation journey.
- Engaged by **Sensata Technologies**, a global industrial technology company in North America to enable a Service Business Model that provides actionable insights for commercial vehicle operators. This transformation would create subscription based recurring revenue stream, build customer stickiness and improve customer retention and renewals.
- Partnered with a super regional bank in North America to build a next-gen crypto engine to provide access to crypto assets to its end-customers. The TCS solution will include a self-service client portal integrated with core systems and crypto vendors, to enable the bank's end-customers to trade in crypto assets.
- Chosen as a strategic integration partner by a large UK based communications service provider in their merger journey and commercial launch of products for the newly formed joint entity. The new cloud-based data solution will enable faster time to market, drive analytics driven decision making on product performance and enhance brand experience for end customer.

Research and Innovation

As on **December 31, 2021**, the company has applied for **6,396** patents, including **227** applied during the quarter, and has been granted **2,201** patents.

Human Resources

TCS crossed a new milestone in its diversity journey in Q3, with the number of women in its workforce crossing **200,000**. The company added **28,238** employees on a net basis, taking the total number of employees to **556,986** as on December 31, 2021. Its policy of hiring local talent across the world has resulted in a globally distributed workforce comprising **156** nationalities.

The company continued to invest in organic talent development. Over **100,000** market-relevant deep skills were gained by TCSers in Q3. **32.3%** of open positions were fulfilled through up-skilling/cross-skilling. Over **38,000** Contextual Masters identified across the organization represent a large, internally groomed cadre of specialists powering the company's expanding foray into the growth and transformation opportunity.

Sustained investment in organic talent development, progressive workplace policies and a vibrant culture that empowers individuals and fosters creativity, have resulted in a long-term track record for best-in-class talent retention. IT Services attrition rate (LTM) in Q3 was **15.3%**.

"The ability to attract and retain top quality talent across the world has been central to TCS' business success and a source of competitive differentiation. We continue to set new records in talent acquisition. In addition to the 43,000 freshers we hired in H1, we onboarded 34,000 fresh graduates in Q3 – which is higher than our full year fresher hiring numbers in prior years. On the talent retention side, we continue to be the industry

*benchmark. By continuing to invest in our people, giving preference to internal candidates for the most exciting open positions, providing global deployment opportunities, fast track career paths linked to learning, and promotions to over 110,000 employees, we have been able to retain our best talent and overcome supply side challenges,” said **Milind Lakkad, Chief HR Officer.***

About Tata Consultancy Services

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 556,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US \$22.2 billion in the fiscal year ended March 31, 2021 and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
