3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.  
Attention is drawn to the fact that the figures for the quarter ended December 31, 2019, nine months ended December 31, 2019 and the year ended March 31, 2020 included in the statement are based on previously issued standalone financial results or standalone financials statements that are reviewed/audited by predecessor Auditor.

Note No. 7(a) to the financial results regarding inter-corporate loans given by the company amounting to Rs. 6706 lakhs in earlier year on which interest for the year ended March 2020 amounting to Rs.1031.27 lakhs is overdue till date. Based on estimated time and realization of security, the company had created expected credit loss allowance of Rs. 1856.62 lakhs for the year ended March 31, 2020, the outcome of which is dependent on the timing and final realization of the value of the security. Our conclusion is not modified in respect of this matter.
- b. Note No. 7(b) to the financial results regarding interest accrued on the inter-corporate loans given by the company in the earlier years. Based on the uncertainty of collection of any further interest, the company has not accrued interest income on the said inter-corporate loan (net of provision) for the quarter ended December 31, 2020 amounting to Rs. 231.81 lakhs & for nine month ending December 31, 2020 amounting to Rs. 692.91 lakhs. Our conclusion is not modified in respect of this matter.
- c. Note No. 8(a) to the financial results regarding capital advance given by the company in earlier year in relation to development of its immovable property. In view of the pending commercial negotiation with the contractor, the company had estimated a provision of Rs. 300 Lakhs as probable compensation during the year ended March 31, 2020. However, the outcome of negotiation is dependent on final future settlement. Our conclusion is not modified in respect of this matter.
- d. Note No. 8(b) to the financial results regarding capital advance given by the company in earlier years in relation to development of its immovable property. In view of the uncertainty regarding outcome of the ongoing negotiation, the company continued its judgment and did not accrue interest income for the quarter ended December 31, 2020 amounting to Rs. 105.86 lakhs & for nine month ended December 31, 2020 to Rs. 316.44 lakhs.
