The figures for the quarter ended 31 December 2020 have not been audited but have been subject to limited review by the Statutory Auditors
- 3 In view of COVID 19 outbreak ("the Pandemic"), the Company's management decided to temporarily shut down operations from the month of March 2020 till November 2020. While the operations commenced from November 2020, these have been temporarily shut-down once again post year-end from mid-April 2021 due to Second Wave of COVID 19. The decision has been taken by the management in accordance with safety and precautionary instructions outlined by the respective State Governments to prevent and contain the spread of COVID 19. This temporary shut-down resulted in lower or no operating income during that part of the year. The ability of the Company to continue as a going concern is dependent on its ability to meet its obligations towards its stakeholders, creditors, employees and the Government during the interim period till the lockdown caused by the Pandemic is lifted and normal operations resume thereafter. Under these circumstances, the Company remains going concern for the foreseeable future and at least 12 months from the balance sheet date based on the following factors.
 - a) Historically, the Company has been a profitable organization;
 - b) The Company has liquid assets (cash balances and investments in mutual funds) of Rs. 9,294 Lakhs as at 31 March 2021 which will cover significant near-term obligations and future commitments till the resumption of normal business activities;
 - c) The Company has undertaken costs (payroll, advertising & marketing and overheads) reduction and rationalization measures including deferral of avoidable operating costs during lock down period. Through this, the management is able to bring down cash burn significantly;
 - d) The Company is maintaining all Parks and related facilities for resumption of business activities at short notice after the shut-down is lifted;
 - e) The Company has met all the obligations in terms of statutory payments to Governments and outstanding payments to creditors and there are no significant overdue creditors as on date. The Company does not have any conditions and events that will result in its inability to meet its obligations as they become due towards shareholders, Government, creditors or lending institutions;
 - f) The Company has sufficient liquidity to deal with the current situation and will be able to meet the on going expenses. It will be able to raise debt at favorable rates as the Company has a strong, debt-free balance sheet. The Company will also be able to utilize its current working capital facilities of Rs. 2,500 Lakhs which remain largely undrawn; and
 - g) The Company's management expect that the post year-end lockdown caused by the second wave of Covid 19 Pandemic will be for a shorter period as the remedial measures along with the vaccination program implemented by the Central and State Governments will result in quicker control of the Pandemic and resumption of business activities.

Based on the above factors, the Company's management believes that the Going concern assumption in the preparation of these financial results is appropriate.

- 4 Based on the management approach as defined in Ind AS 108-Operating Segment, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates the Company's resources based on an analysis of various performance indicators by business segments and the segment information is accordingly presented as Amusement Parks and Resort and Others. Resort is an integral part of Bengaluru Park segment and disclosed accordingly. The Amusement Parks and Resort segment includes admission fees, running a hotel accommodation and other related services. Others segment includes sale of merchandise, cooked food, packed foods etc. The accounting principles used in the preparation of these financial results are consistently applied to record revenue and expenditure in individual segments.
- 5 Exceptional item during March 2020 represented the reversal of provision for service tax created by the Company during earlier years towards certain litigations on service tax demands from 2007 till June 2017. The Company was carrying provisions against the service tax demand including interest and penalty in the books till 30 September 2019. The Company had opted for the Sabka Vishwas (Legacy Dispute) Resolution Scheme, 2019 ('the Scheme') initiated by the Government of India during September 2019. As per this Scheme, the Company will get relief ranging from 40% to 70% of the disputed amount and full waiver of interest and penalties. Accordingly, the payments made during the previous year 2019-20 towards cettlement of these pending litigations under the Scheme and the earlier payments made under protest totaling to Rs. 2,743.83 Lakhs were adjusted against the provision. The resultant excess provision of Rs. 1,556.60 Lakhs after the aforementioned adjustments was reversed as income during the previous year ended 31 March 2020.

Based on a legal opinion received by the Company, the management estimated that the provision for local body entertainment tax for the period from July 2016 to June 2017 was no longer required. Accordingly, the resultant excess provision of Rs. 335,33 Lakhs was further reversed as income and disclosed as exceptional items during the previous year ended 31 March 2020.

6 Owing to the ongoing Covid 19 Pandemic and the resultant lockdown of the Company's Amusement Parks ("the Parks") effective second week of March 2020 till November 2020 and then again from second week of April 2021 till date, the management has tested its Parks for impairment as at 31 March 2021. Each of the Parks has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the Parks and accordingly no impairment was recorded as at 31 March 2021.

The Company has undertaken the impairment with reference to the latest cash flow forecasts of next five years and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future market developments through to 2025-26. Specifically, the Company has considered the potential impacts of the outcomes arising from the outbreak of the Pandemic on the Amusement Parks business.

The cash flows for the year 2025-26 are extrapolated into perpetuity assuming a growth rate stated as above and discounted by applying the weighted average cost of capital.

Included in the Company's Capital work in progress, Property, plant and equipment and capital advances, is total amount of Rs.11,023 Lakhs spent towards development of an Amusement Park in Chennai, Tamil Nadu ("the Chennai Project") ("the Chennai Park"). The Company had initial plans to complete the Chennai Project by the financial year ended March 2020 The Company had a pending approval from the Government of Tamil Nadu towards exemption of local body/Entertainment tax on entry fees to Amusement Park ("the approval"), which was received only in October 2019. As a result, the Company had not progressed with the construction of the Chennai Park. Thereafter, due to the shut down caused by the ongoing Covid 19 Pandemic, the Chennai Project construction has not progressed till date.

The total budgeted cost of the Chennai Project is Rs. 33,024 Lakhs. Construction work on the Chennai project is expected to restart around April 2022 with targeted completion within 18 months thereafter i.e. around September 2023. Key approvals required from the Government authorities for the Chennai Project are in place. The aforementioned approval received from 1 November 2019 till 31 October 2024. However, since the Project has not progressed even after December 2019, the Company had obtained a further extension of this exemption with the Government of Tamil Nadu to cover a period of 5 years from the date of commencement of commercial operations or 30 September 2021, whichever is earlier. The Company's management is planning to seek a further extension of this exemption from the Tamil Nadu Government in view of the continuing disruption caused by Covid-19 Pandemic. The Chennai Project will be largely funded from the Company's existing funds available, cash generated from its operations over a period of 18-20 months after commencement of construction and borrowings as necessary. The Company's Board monitors the developments on Chennai Project on a regular basis and has approved the updated cash flow projections of the Chennai Project during its meeting on 8 June 2021.

During the current year, the Company's management has carried out fair valuation of Land and Rides which have been procured as part of the Chennai project. While no adjustment was required to the carrying value of Land, certain Rides were valued by the valuer at amounts lower than the carrying value. Accordingly, these Rides were written down and charge has been recorded against the same during the current year.

Basis the aforementioned factors and current status, the Company's Board of Directors believes that the carrying value of the Chennai Project is fairly stated.

8 The Board of Directors in their meeting held on 26 May 2020, approved Employee Stock Option Scheme, 2016 (ESOS 2016), to grant 2,347 stock options exercisable at a price of Rs 10 each and all such options shall vest after one year from the date of grant.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Independent Auditors' Report (continued)

Management's and Board of Directors' Responsibilities for the Annual Financial Results

These annual financial results have been prepared on the basis of the annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

Independent Auditors' Report (continued)

Auditor's Responsibilities for the Audit of the Annual Financial Results (continued)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
