STANDALONE AND CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER ENDED 30-JUNE-2023

Notes:

- 1 The unaudited standalone and consolidated financial results for the quarter ended 30 June 2023 has been reviewed by the Audit and Risk Management Committee and subsequently approved by the Board of Directors at their respective meeting held on 2 August 2023. The above results have been subjected to limited review by the Statutory auditors of the Company. The auditors have issued an unmodified review report. Further, the standalone and consolidated figures for the quarter ended 31 March 2023 are the balancing figures between audited figures in respect of the full financial year ended 31 March 2023, and the published unaudited year to date figures upto the end of the third quarter of the previous financial year, which were subjected to limited review and were not subjected to audit.
 - 2 These unaudited financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - 3 The consolidated financial results includes the financial results of the Company Fortis Malar Hospitals Limited and the financial results of its subsidiary company Malar Stars Medicare Limited (collectively known as "Group").
 - 4 The Company is engaged in the Healthcare Services, which in the context of Indian Accounting Standard (Ind AS) 108 - Operating Segments is considered as the only reportable segment of the Company.
 - 5 Request for regularization of the hospital building in which the Company operates was made vide an application dated 29th May 1999 to Chennai Metropolitan Development Authority ("CMDA"). In the year 2012, Land and hospital building was sold by the Company to Fortis Health Management Limited ("FHML"). Company and FHML had also simultaneously entered into a "Hospital and Medical Services Agreement" w.r.t. rendering of medical and healthcare services in the hospital premises (including right to use of the hospital building). CMDA by its Order dated 18th March 2016 ("Rejection Order") rejected the regularization application that was submitted in the year 1999. A statutory appeal was preferred in April 2016 before the Secretary to the Government of Tamil Nadu, Housing and Urban Development Authority ("Authority") challenging the said Rejection Order. During the pendency of the statutory appeal, on 3rd May 2016, CMDA served a "Lock & Seal" Notice stating that in view of the Rejection Order, construction at the site of the Hospital premises is unauthorized and called upon to restore the land to its original state within 30 days from the date of the Notice. A writ petition was filed before the Hon'ble High Court of Judicature at Madras which set aside the "Lock & Seal" Notice and ordered that no coercive steps should be taken by CMDA, till disposal of the statutory appeal. The said appeal is still subjudice.
- At the request of the Company, CMDA inspected the hospital building and issued a letter dated 25th August 2020, wherein certain clearances and certificates were sought within 30 days in connection with the regularization. In this regard, an extension of time was sought in November 2020. Simultaneously, actions were initiated for collating/obtaining requisitioned clearances and certificates which involved taking number of actions, significant expenses and capital expenditure. During the pandemic, there were lockdowns resulting in limited and restricted access to various offices all across, which slowed down the progress of actions initiated. The Company continued to undertake bonafide steps on best effort basis to complete the process of submission of the clearances and certificates sought by CMDA. On 20th May 2021, an update was sent to CMDA confirming that out of six requirements, as set out in their letter dated 25th August 2020, three have already been complied with and steps were underway for completion of the remaining actions. Subsequently, the Company obtained NOC from the Airport Authority of India dated 24th February 2022. Thereafter, for regularisation of the building, on 7th June 2022, an application along with available documents were submitted with CMDA. For processing the said application accompanied with available documents in support of Company's claim for regularisation, requisite scrutiny fee was deposited. The Company has been taking bonafide steps for issuance of fire compliance certificate and has been recently advised by the concerned authority to undertake certain steps and thereafter apply for the same. Having said this, steps as indicated, are being evaluated for further action and in the meanwhile it is being ensured that requisite safety measures are in place in the hospital building. In connection with this, a writ petition has also been filed before Hon'ble High Court of Judicature at Madras by FHML against Bharat Petroleum Corporation Limited and others for seeking possession of the land adjacent to the hospital premises. Notice has been issued to the respondents. While the Company is co-operating to get all the clearance, based on legal advice, Company is of the view that it is not required to bear any expenses, revenue or capital in nature, incurred towards regularization of building and for obtaining requisite clearances and certificates (or for the expenses that may be incurred in the unlikely event that the regularization is not approved) as all such expenses will be borne by FHML. The Company continues to believe that all Orders / Notices issued by CMDA prima facie would not result in any significant adverse impact on its operations/financial statements or on the going concern status.
- 6 Figures for the prior periods / year have been reclassified/ regrouped wherever required to conform to the classification of the current periods / year.
 - 7 These financial results are available on the BSE website (www.bseindia.com) and on the Company's website (www.fortismalar.com)

Limited Review Report on unaudited standalone financial results of Fortis Malar Hospitals Limited for the quarter ended 30 June 2023 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Fortis Malar Hospitals Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Fortis Malar Hospitals Limited (hereinafter referred to as "the Company") for the quarter ended 30 June 2023 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2023 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 5 to the standalone financial results which describes the litigation and issues pertaining to regularization of the hospital building in which the Company operates today and the related matters. A letter was received from Chennai Metropolitan Development Authority (CMDA) on 25 August 2020, wherein certain clearances and certificates were sought within 30 days in connection with the regularization. The Company is taking steps to complete the process of submission of the sought clearances and certificates, which involves taking a number of actions, significant expenses and capital expenditure. While the Company is co-operating to get all the clearances, it has been legally advised that, as per the agreement between the Company and Fortis Health Management Limited (FHML), it is not required to bear any expenses, revenue or capital

nature, incurred towards regularization of building and obtaining the requisite clearances and certificates (or for the expenses that may need to be incurred in the unlikely event that the regularization is not approved) as all such expenses will be borne by FHML. The Company also continues to believe that all Orders / Notices issued by CMDA prima facie would not result in any significant adverse impact on its operations/ financial results or on the going concern status.

Our opinion is not modified in respect of this matter.

2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the subsidiary company, Malar Stars Medicare Limited.

7. We draw attention to Note 5 to the consolidated financial results which describes the litigation and issues pertaining to regularization of the hospital building in which the Parent Company operates today and the related matters. A letter was received from Chennai Metropolitan Development
