Auditor's Report on financial results of Foundry Fuel Products Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors of
Foundry Fuel Products Limited

Report on financial results for the year ended 31st March, 2022

# **Opinion**

We have audited the accompanying statement of financial results of **Foundry Fuel Products Limited** ('the Company') for the year ended 31<sup>st</sup> March, 2022 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations") and initialed by us for identification purpose.

In our opinion and to the best of our information and according to the explanations given to us the Statement

- a) is presented in accordance with the requirements of the Listing Regulations in this regard;
- b) give a true and fair view in conformity with the recognition and measurement principle laid down in the applicable Indian Accounting Standard ("Ind AS") and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information for the year ended 31st March, 2022.

# **Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

# **Material Uncertainty Related to Going Concern**

We draw attention to Note 4 to the Statement in respect of the Company's business which was dependent on the commencement of mining operation by its holding company. However, during the F.Y. 2014-15, the Hon'ble Supreme Court had passed an order cancelling coal block allocations of various companies including the holding company. Considering the aforesaid cancellation, the Company is looking for another project. In view of no business operations, the Company has incurred loss on account of administrative and other expenses, current liabilities are more than current assets as at current & previous year end and its net worth has also become negative. Further, depreciable fixed assets have been fully depreciated in the previous year considering no significant recoverable value. The Company has received commitment from holding company for infusing the funds as and when required for any working capital requirements or any other shortfall that may arise due to the lack of operations in the Company. Considering the same, accounts are prepared on going concern.

Our opinion is not modified in respect of this matter. In respect of this matter, attention was also drawn under (a) Emphasis of Matters in our limited review reports for quarters ended 31<sup>st</sup> December, 2014 to 31<sup>st</sup> March, 2018. (b) Emphasis of Matters in audit report issued by us under the Companies Act, 2013 for the year ended 31<sup>st</sup> March, 2015 to 31<sup>st</sup> March, 2018. (c) Material

Auditor's Report on financial results of Foundry Fuel Products Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (continued)

Uncertainty Related to Going Concern paragraph in audit report issued for the year ended 31<sup>st</sup> March, 2018 to 31 March, 2021 and limited review reports for the quarters ended 30<sup>th</sup> June, 2018 to 31<sup>st</sup> December, 2021. Our conclusion / opinion was also not modified in respect of above matter in earlier quarters / financial years.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on the Statement based on our audit of such annual financial statements.

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit We also:

Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain sufficient appropriate audit evidence regarding the Statement of the Company to express an opinion on the Statement.

Materiality is the magnitude of misstatements in the Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
