Independent Auditors' Review Report on the Unaudited Standalone Financial Results of the Company for the quarter and six months ended September 30, 2023 Pursuant to the Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended

**Review Report to
The Board of Directors,
GAIL (India) Limited.**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **GAIL (India) Limited** ("the Company") for the quarter and six months ended September 30, 2023 ("the Statement"), being submitted by the Company pursuant to the Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.
2. This statement is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder; and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying the analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to the following matters:

- (i) Note No. 3 to the standalone unaudited financial results regarding, various transportation tariff orders issued by Petroleum and Natural Gas Regulatory Board (PNGRB), which have been contested by the company at Appellate Tribunal for Electricity (APTEL) and also certain customers have challenged these orders of PNGRB in Court of Law. Adjustment if any, will be recognized as and when matter is finally decided.
- (ii) Note No. 4 to the standalone unaudited financial results regarding CESTAT order confirming the demand for the differential amount by the Central Excise Department in the matter pertaining to classification of 'Naphtha' manufactured by the Company, of Rs. 2,889.00 crore (with interest upto 30.09.2023 of Rs 3,454.00 crore). Considering the merits of the case, Company has filed an appeal before the Hon'ble Supreme Court. Based on the legal opinion obtained, the Company does not foresee any probable outflow in the matter and accordingly has treated the same as contingent liability.
- (iii) Note no 6 to the standalone unaudited financial statements regarding residual value at 5%. During the quarter ended June 2023, company had received the opinion of the Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India (ICAI) on the residual value of natural gas/LPG Transmission Pipelines and the company is in the process of implementing the same.
- (iv) Note no 7 to the standalone unaudited financial results regarding accounting of deficit of Rs. 80.40 Crore post settlement in terms of Schedule D of Tariff Regulations (which includes Rs. 10.82 Crore pertaining to difference on account of invoicing done on UFT & eligibility on account of IT) on implementation of the Unified Tariff (UFT) for the National Gas Grid System (NGGS) with effect from 01.04.2023.

Our conclusion is not modified in respect of above matters.

6. The Statement includes interim financial results/information of exploration & production operations, whose results reflect total revenues of Rs.274.46 crores and Rs. 513.72 Crores, total net profit before tax of Rs.130.47 crores and Rs.264.69 crore and total comprehensive income of Rs. 130.47 crores and 264.69 crore for the quarter and half year ended 30th September 2023, respectively and total assets as on 30.09.2023 of Rs.1525.52 Crore which have not been reviewed by their auditors. This interim financial results/information is based on the statement received from the operators. Management is of view that this will not have a material impact on the Company's consolidated financial results.

Independent Auditors' Review Report on the Unaudited Consolidated Financial Results of the Company for the Quarter and six months ended 30th September 2023 Pursuant to the Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended

**Review Report to
The Board of Directors,
GAIL (India) Limited.**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **GAIL (India) Limited**. ('the Holding Company) and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its share of the net profit/(loss) after tax and total comprehensive income/(loss) of its associates and joint ventures for the quarter and six months ended 30th September 2023 ('the Statement'), being submitted by the Holding Company pursuant to the requirement of Regulation 33 and regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("the Listing Regulations")
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India and also considering the requirement of Standard on Auditing SA 600 on "Using the work of Another Auditor". This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the entities as given in the Annexure to this report.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7(a) below, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited consolidated financial results, prepared in accordance with applicable Indian Accounting Standard (Ind AS) prescribed under section 133 of Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. **Emphasis of Matter**

We draw attention to the following matters:

- (i) Note No. 3 to the consolidated unaudited financial results regarding, various transportation tariff orders issued by Petroleum and Natural Gas Regulatory Board (PNGRB), which have been contested by the company at Appellate Tribunal for Electricity (APTEL) and also certain customers have challenged these orders of PNGRB in Court of Law. Considering the merits of the case, Holding Company has filed an appeal before the Hon'ble Supreme Court. Based on the legal opinion obtained, the Holding company does not foresee any probable outflow in the matter and accordingly has considered the same as contingent liability.
- (iii) Note no 6 to the consolidated unaudited financial statements regarding residual value at 5%. During the quarter ended June 2023, the company had received the opinion of the Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India (ICAI) on the residual value of natural gas/LPG Transmission Pipelines and the company is in the process of implementing the same.
