4. **Project related notes:** In respect of the following projects/Special Purpose Vehicles (SPVs) of the Company where the company has investment there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

a. Container Terminal at Mumbai: The Project was delayed due to non-fulfilment of certain obligations by the Mumbai Port Trust (MbPT) under the License Agreement (LA) signed by the SPV with MbPT. The Roll-On-Roll-Off (RORO) operations was allowed by MbPT as an interim measure for alternate use of the 2 (two) berths for a mix of cargo of container, steel and RORO and is still continuing. However, the revenue generated through alternative use is inadequate for repayment of principal and interest of the Lenders and the credit facility account was declared NPA (Non Performing asset) by the Lenders of the SPV. The SPV has issued a Dispute Notice for the Licensor's Event of Default against MbPT and called upon the Licensor to refer the disputes for amicable settlement under the LA and the matter is pending with MbPT. A petition was filed by the SPV under section 9 and an application under section 11 of the Arbitration and Conciliation Act, 1996 was also filed where in Order dated 1st August 2019 is passed and interim protection by way of prayer is allowed for carrying ad-hoc RORO operations.

The SPV and the MBPT have nominated their arbitrators and they in turn have jointly appointed the Presiding Arbitrator/Umpire arbitrator and accordingly, the Arbitral Tribunal (AT) is formed. The SPV has duly filed its Statement of Claim (SOC) against MbPT for an amount of Rs. 296,736 lacs on 8th November 2019. MbPT has filed their Statement of Defense (SOD) and filed their Counter Claim of Rs 240,000 lacs with the Tribunal.

Virtual hearing was held on December 16, 2020 and directions were issued to file evidence affidavits on or before February 20, 2021. Another virtual hearing was held on January 9, 2021 wherein 34 issues are framed and directions were issued to exchange and file affidavit(s) in lieu of Examination-in-chief of their witness(es) latest by 20th March,2021 and to file "Supplementary Affidavit/s of Evidence in Rebuttal, if any, by 5th April,2021. Next date of hearing was scheduled on May 6, 2021 but due to Covid-19 pandemic no further Arbitral meetings could be held and the date of captioned hearing also has been re-scheduled. In the meantime, MbPT has sent letters dated May 28, 2021 / October 08, 2021 and invited ICTPL for a settlement of all disputes raised with the Arbitral Tribunal, to which ICTPL has replied and given their concurrence and the process is under active discussion. Both the parties have sought permission to keep the ongoing arbitration in abeyance for next 6 months since the parties have started conciliation proceedings. Virtual hearing was held by the Tribunal on 01-11-2021 to determine if the above application for keeping the matter in abeyance for a period of 6 months can be allowed and if the same would be in compliance of Arbitration and Conciliation Act,1996. The order of the Tribunal on this matter is awaited.

The SPV's submission of a One-Time Settlement (OTS) proposal to the consortium of Lenders', and the decision on acceptance, which is dependent upon fulfilment of certain conditions, are yet to be concluded.

There exists material uncertainty relating to the revival of the Project in favour of the SPV. The Auditors of the SPV have highlighted material uncertainty regarding going concern issue in their report for the quarter and half year ended September 30, 2021 and have qualified their report relating to their inability to opine on impairment pending the settlement of the outstanding dispute. The exposure of the Company in the SPV / project is Rs 13,287.33 lacs.

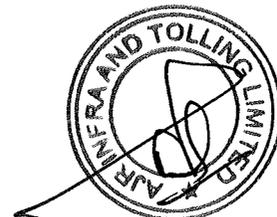

- b. Sidhi Singrauli Road Project Limited (SPV of the company) had signed a Concession Agreement (CA) for 30 years for upgradation of existing highway from two-lane to four-lane with Madhya Pradesh Road Development Corporation Limited (MPRDC). AJR Infra and Tolling Limited (Formerly Gammon Infrastructure Projects Limited) is the EPC contractor for the Project.

The Project was scheduled to commence commercial operations from 19th September 2015. However, delays on account of MPRDC in providing the required clearances and the Right of Way (ROW), has resulted in the extension of the Commercial Operations Date (COD). These delays have also resulted in increase in project cost, primarily due to increase in interest during construction period resulting from the time overruns and the credit facility with consortium of banks / lenders was classified as Non-Performing Asset (NPA).

Meanwhile, the Lead Bank has also issued notice dated October 15, 2019 for invocation of Corporate Guarantee (CG) issued by the Company in favour of the SPV's Banks / Lenders, due to financial default by the SPV. The SPV and the company have filed its response dated November 11, 2019 to the said notices issued by the Lead Bank.

- c. Bridge project at Cochin: The Greater Cochin Development Authority (GCDA) has sought to end the toll collection by unilaterally sealing the toll booth. Cochin Bridge Infrastructure Company Limited (SPV) has initiated arbitration / settlement process. The SPV has also in parallel filed a writ in the matter before the Hon'ble Kerala High Court for specific performance. However, the Government of Kerala approached the Hon'ble High Court for further extension of time and the Court granted extension to settle the matter, subsequent to which the SPV has filed amended plaint. 4. **Project related notes:** In respect of the following projects / Special Purpose Vehicles (SPVs) of the Group there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

a. Container Terminal at Mumbai: The Project was delayed due to non-fulfilment of certain obligations by the Mumbai Port Trust (MbPT) under the License Agreement (LA) signed by the SPV with MbPT. The Roll-On-Roll-Off (RORO) operations was allowed by MbPT as an interim measure for alternate use of the 2 (two) berths for a mix of cargo of container, steel and RORO and is still continuing. The SPV has issued a Dispute Notice for the Licensor's Event of Default against MbPT and called upon the Licensor to refer the disputes for amicable settlement under the LA and the matter is pending with MbPT. A petition was filed by the SPV under section 9 and an application under section 11 of the Arbitration and Conciliation Act, 1996 was also filed where in Order dated 1st August 2019 is passed and interim protection by way of prayer is allowed for carrying ad-hoc RORO operations.

We invite attention to the financial results detailing the material uncertainty in procurement of the Bagasse at a lower price from the Karkhana in return of supply of power and the financial position of the Company. The facilities are marked as Non-Performing Assets. The viability of the project including the potential impairment of the project and the ability to continue as a going concern depends upon the ability of the Company to procure the Bagasse at a reduced price from the Karkhana under the arrangement to supply them power in return. The availability of adequate Bagasse to run the plant at optimum capacity is a matter of significant uncertainty. The use of coal as an alternate fuel has other issues of cost and operations. Presently, the power plant is shut due to want of fuel. The lenders also are not providing funding for the procurement of the inventory for the running of the plant. Further,

During the quarter, the lead bank has served notice recalling the credit facilities, which is disputed and responded by the company. All of these conditions indicate a material uncertainty in the Company's ability to continue as a going concern. Our report is not modified on this account
