The SPV's submission of a One-Time Settlement (OTS) proposal to the consortium of Lenders', and the decision on acceptance, which is dependent upon fulfilment of certain conditions, are yet to be concluded.

There exists material uncertainty relating to the revival of the Project in favour of the SPV. The Auditors of the SPV have highlighted material uncertainty regarding going concern issue in their report for the quarter and nine months ended December 31, 2020 and have qualified their report relating to their inability to opine on impairment pending the settlement of the outstanding dispute. The Management has resumed discussions on revival of the Project with MbPT and the Ministry of Shipping (MoS) and is hopeful of finding an amicable resolution. The exposure of the Company in the SPV / project is Rs 13,401.28 lacs.

- b. Sidhi Singrauli Road Project Limited ( SPV of GIPL ) had signed a Concession Agreement (CA) for 30 years for upgradation of existing highway from two-lane to four-lane with Madhya Pradesh Road Development Corporation Limited (MPRDC). GIPL is the EPC contractor for the Project.

The Project was scheduled to commence commercial operations from 19<sup>th</sup> September 2015. However, delays on account of MPRDC in providing the required clearances and the Right of Way (ROW), has resulted in the extension of the Commercial Operations Date (COD). These delays have also resulted in increase in project cost, primarily due to increase in interest during construction period resulting from the time overruns and the credit facility with consortium of banks / lenders was classified as Non-Performing Asset (NPA).

Meanwhile, the Lead Bank has also issued notice dated October 15, 2019 for invocation of Corporate Guarantee (CG) issued by the Company in favour of the SPV's Banks / Lenders, due to financial default by the SPV. The SPV and GIPL have filed its response dated November 11, 2019 to the said notices issued by the Lead Bank.

Pursuant to the Termination Notice issued by MPRDC, SPV has contested the Termination Notice vide their letter dated 1st October 2020 and has approached MPRDC and Ministry of Road Transport and Highways (MoRTH) to find an amicable resolution under the circular dated March 09, 2020 on stuck BOT projects issued by MoRTH in the interest of all the stakeholders. The Company is exploring options to find an amicable resolution for the Project. The exposure of the Company in the SPV is Rs 75,102.20 lacs (funded and non-funded). - c. Bridge project at Cochin: The Greater Cochin Development Authority (GCDA) has sought to end the toll collection by unilaterally sealing the toll booth. Cochin Bridge Infrastructure Company Limited (SPV) has initiated arbitration / settlement process. The SPV has also in parallel filed a writ in the matter before the Hon'ble Kerala High Court for specific performance. However, the Government of Kerala approached the Hon'ble High Court for further extension of time and the Court granted extension to settle the matter, subsequent to which the SPV has filed amended plaint. The said SPV pursuant to the Court proceedings filed a fresh writ for recovery of dues. Matter was last listed on 10<sup>th</sup> July 2019 wherein it was argued and after considering the points of arguments, the Hon'ble High Court passed the orders that the writs petition stands dismissed with reserving the liberty to seek appropriate resolution before the Arbitral Tribunal. The SPV is in the process of re-constituting the Arbitral Tribunal and has intimated GCDA vide its letter dated 3<sup>rd</sup> January 2020 for revival of the Arbitration proceedings and to appoint their nominee arbitrator. Since, GCDA is not responding nor appointing its nominee arbitrator, the SPV is in the process of filing an application under section 11 of the Arbitration and Conciliation Act with the Hon'ble Kerala High Court with regard to the same. The exposure of the Company in the SPV is Rs 2,392.29 lacs (funded and non-funded).
- d. Hydro power project at Himachal Pradesh - the Project is stalled due to local agitation relating to environment issues. The SPV has received letter from the Government of Himachal Pradesh (GoHP), to discuss the matter mutually towards amicable resolution. After the SPV invoked arbitration on 19<sup>th</sup> February 2018, the SPV has received a letter from GoHP dated 4<sup>th</sup> September 2018 intimating that their office has begun the process for finalisation of the panel of Arbitrators and the nomination in this regard shall be intimated to the SPV shortly. The SPV has appointed its arbitrator in the matter and has also reminded GoHP to nominate its arbitrator, since there was no action from GoHP on the matter, the SPV has moved the Himachal Pradesh High Court under section 11 of the Arbitration and Conciliation Act. e. The Company has incorporated a SPV for developing Rangit-II Hydroelectric Power Project in Sikkim on Build, Own, Operate and Transfer (BOOT) basis. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbi river, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure. The Management is of the view that the present situation in power business is temporary and does not foresee any need for impairment. The exposure of the Company in the SPV is Rs. 9,418.26 lacs. One of the operational creditors of the SPV had filed an application under the Insolvency and Bankruptcy Code, 2016 (IBC) with the Hon'ble National Company Law Tribunal (NCLT), Delhi and the application has been admitted by NCLT vide their order dated July 30, 2020 received on August 05, 2020 and Interim Resolution Professional (IRP) has been appointed. As per the said order the Powers of the Board of Directors of the Sikkim Hydro Power ventures Limited (SHPVL) stands suspended and vests with the IRP. The Company (GIPL) had filed an appeal against the said order and National Company Law Appellate Tribunal (NCLAT) has fixed the next hearing date for admission on 16.12.2020 and has instructed the IRP to ensure that the Company remains a going concern. The matter was listed on 16-12-2020 but was adjourned till 03-02-2021 and further adjourned to 04-03-2021 in absence of written submission from the respondent. An application was made by the IRP seeking directions against Board of Directors and requesting tribunal to direct the directors to Co-operate. The said application matter was listed on 11.11.2020 and direction was received to file our Affidavit of Compliance. Also, IRP Mr Diwan Chand Arya was substituted and Mr. DevartRana was appointed as RP by the Hon'ble NCLT vide order dated 11.11.2020. The Financial Statement of this SPV upto 30th July,2020 have been incorporated in Consolidated financials of the company for the period ended 31<sup>st</sup> December,2020.

## 5. Material Uncertainty related to Going Concern

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation., The current liabilities are in excess of current assets by Rs. 1,52,397.53 lacs as at December 31<sup>st</sup>, 2020 . The liquidity crunch is affecting the Company's operation with increasing severity. The credit facility of the Company is also marked as NPA. Further, various projects of the Company as stated in detail in Note 4 above are under stress and the outcome of the continuance of these projects would be dependent upon favourable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in favor of the Company. The Management however is confident that the going concern assumption and the carrying values of the assets and liabilities in these Standalone Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties. In view of the above and other details in Note 4 there are material uncertainties which cast significant doubt on the ability of the Company to continue as a going concern.

6. Other Financial Assets includes Rs 1,514.01 lacs due from Western Coalfields Limited (WCL) on account of wrongful encashment of bank guarantee against which the Company has filed a suit for Recovery of damages. Subsequent to the encashment, the Company has filed an application for converting earlier injunction application to suit for recovery of damages. The Company has sought a legal opinion in this matter and has been advised that it has a good case for recovery of the amount. The Management is hopeful of getting favourable decision on the matter and recovery of damages based on legal advice on the matter. Pending the outcome, the Company has shown bank guarantee encashment amount as receivable from WCL.
7. The Covid-19 Pandemic has severely disrupted business operations due to lockdown and other emergency measures and restrictions imposed by the Governments. The operations of the Company were impacted, due to shutdown of Projects and offices following nationwide lockdown. Various proposals for restructuring and settlement have been delayed on account of the non-availability of the officials and the offices being shut. The COVID -19 Pandemic has compounded the problems due to all the restrictions on the movement of people / staff, opening of offices, and the project work at sites, which was already at its slowest. The impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly, the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions. The Management does not expect any further adjustment beyond the assessments already made in the financial statements to the assets and liabilities. The Covid-19 Pandemic does not have further implications on the going concern assumptions previously assessed.
8. The Company's operations constitute a single segment namely "Infrastructure Development" as per IND AS 108 - Operating Segments. Further, the Company's operations are within single geographical segment, which is India.
9. Figures for previous period have been regrouped / reclassified wherever necessary to conform to the current period's presentation.

The SPV has filed an appeal against the said NCLT order with the National Company Law Appellate Tribunal (NCLAT) and the appeal hearing is in the process. 4. **Project related notes:** In respect of the following projects/Special Purpose Vehicles (SPVs) of the Company there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

a. Container Terminal at Mumbai: The Project was delayed due to non-fulfilment of certain obligations by the Mumbai Port Trust (MbPT) under the License Agreement (LA) signed by the SPV with MbPT. The Roll-On-Roll-Off (RORO) operations were allowed by MbPT as an interim measure for alternate use of the 2 (two) berths for a mix of cargo of container, steel and RORO and is still continuing. A petition was filed by the SPV under section 9 and an application under section 11 of the Arbitration and Conciliation Act, 1996 was also filed where in Order dated 1<sup>st</sup> August 2019 is passed and interim protection by way of prayer is allowed for carrying ad-hoc RORO operations.

Meanwhile, the Lead Bank has also issued notice dated October 15, 2019 for invocation of Corporate Guarantee (CG) issued by the Company in favour of the SPV's Banks / Lenders, due to financial default by the SPV. Pursuant to the Termination Notice issued by MPRDC, SPV has contested the Termination Notice vide their letter dated 1st October 2020 and has approached MPRDC and Ministry of Road Transport and Highways (MoRTH) to find an amicable resolution under the circular dated March 09, 2020 on stuck BOT projects issued by MoRTH in the interest of all the stakeholders. The Company is exploring options to find an amicable resolution for the Project. The exposure of the Group in the SPV is Rs1,03,675.67lacs (funded and non-funded). However, the Government of Kerala approached the Hon'ble High Court for further extension of time and the Court granted extension to settle the matter, subsequent to which the SPV has filed amended plaint. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbiriver, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure. The Management is of the view that the present situation in power business is temporary and does not foresee any need for impairment. The exposure of the Group in the SPV is Rs. 10,821.20lacs. One of the operational creditors of the SPV had filed an application under the Insolvency and Bankruptcy Code, 2016 (IBC) with the Hon'ble National Company Law Tribunal (NCLT), Delhi and the application has been admitted by NCLT vide their order dated July 30, 2020 received on August 05, 2020 and Interim Resolution Professional (IRP) has been appointed. As per the said order the Powers of the Board of Directors of the Sikkim Hydro Power ventures Limited (SHPVL) stands suspended and vests with the IRP. The Company (GIPL) had filed an appeal against the said order and National Company Law Appellate Tribunal (NCLAT) has fixed the next hearing date for admission on 16.12.2020 and has instructed the IRP to ensure that the Company remains a going concern. The matter was listed on 16-12-2020 but was adjourned till 03-02-2021 and further adjourned to 04-03-2021 in absence of written submission from the respondent. An application was made by the IRP seeking directions against Board of Directors and requesting tribunal to direct the directors to Co-operate. The said application matter was listed on 11.11.2020 and direction was received to file our Affidavit of Compliance. Also, IRP Mr Diwan Chand Arya was substituted and Mr. DevartRana was appointed as RP by the Hon'ble NCLT vide order dated 11.11.2020. The Financial Statement of this SPV upto 30th July,2020 have been incorporated in Consolidated financials of the company for the period ended 31<sup>st</sup> December,2020.

## 5. Material Uncertainty related to Going Concern

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation., The current liabilities are in excess of current assets by Rs. 2,54,547.41lacsas at December 31<sup>st</sup>, 2020 . The liquidity crunch is affecting the Company's operation with increasing severity. The credit facility of the Company is also marked as NPA. Further, various projects of the Company as stated in detail in Note 4 above are under stress and the outcome of the continuance of these projects would be dependent upon favourable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in favor of the Company.

The Management however is confident that the going concern assumption and the carrying values of the assets and liabilities in these Standalone Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties.

In view of the above and other details in Note 4 there are material uncertainties which cast significant doubt on the ability of the Company to continue as a going concern.
