Limited Review Report

To

The Board of Directors

Atlas Jewellery India Limited

DTJ-719, 7th Floor, DLF Tower B, Plot No. 11,

Jasola District, New Delhi-110025

1. We have reviewed the accompanying statement of unaudited financial results ("The Statement") of Atlas Jewellery India Limited ("The Company") for the quarter ended December 31, 2019, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Trade Receivables include overseas debtor "M/S Satwa Precious Metals & Bullion Trading (FZE)" for Rs. 1,48,06,95,548 (including foreign currency exchange gain or loss) which are outstanding for more than three years and the matter is pending before the court. Since, there have been defaults in payment obligations by the overseas debtor "M/S Satwa Precious Metals & Bullion Trading (FZE)" on due date and recoveries from this debtor are not significant, the company has initiated legal action/ suits against them. In view of the factors stated above and subject to company getting a favourable verdict from the Court and time frame of realizability of this Trade Receivable, we are unable to determine the amount of expected credit loss/ impairment based on provision matrix as per the requirements of Ind-AS 109 "Financial Instruments" and its consequent impact, on the financial position.

5. Company's operating results have been materially affected due to various factors including non-realization of Trade receivables, notional foreign exchange gain/loss on unsecured and doubtful overseas debtor, non-recovery of loans and advances, reliance on cash sales for meeting out expenses, overdue expenses payable, pending income tax demands (appeals pending before CIT-A) etc. These events cause significant doubts on the ability of the company to continue as a going concern.

The company's continuing as a going concern is dependent on generation of the expected cash flows to be able to meet its obligations as and when they arise, for which an uncertainty exists as we are unable to determine the possible effect on the financial results.

6. Based on our review, with a exception of the matters described in para 4 and 5 above, where we have not been able to determine the possible effect on the financial results, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable accounting standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw attention to:

a) Valuation of Inventory is based on determination of estimated net realizable value and specific identification involving technical judgment of management and which has been relied upon by us.

b) There is loan and advances amounting to Rs. 85,34,000/- being carried in the books of accounts from Financial Year 2012-13 by the company and no provision against these amounts has been made in the books of accounts. As informed by the management, the company has already issued legal notice for recovery.
