# Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) 

## To

The Board of Directors of
Rajasthan Cylinders And Containers Limited

1. We have reviewed the accompanying statement of Standalone unaudited financial results of Rajasthan Cylinders And Containers Ltd ("the Company"), for the quarter ended $31^{\text {st }}$ December, 2022 and year to date from $1^{\text {st }}$ April 2022 to $31^{\text {st }}$ December 2022, ("the Statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 ("Ind AS 34") "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## 4. Basis of Qualified Conclusion

i) The interest payable $u / s 16$ of MSMED Act, 2006 on overdue amount of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for. (Note No. III)
ii) Balances of trade payables, trade receivables, Loans given and Unsecured Loans taken are subject to confirmation and consequential adjustments, if any. ( Note No IV)

As stated in Para 4(i) and 4(ii), impact is not ascertained by the management.

## 5. Qualified Conclusion:

Based on our review conducted as above, except for the effects/possible effects of the matters stated in Para 4 (including non quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulation, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 6. Material Uncertainty related to Going Concern

We draw attention to Note VI of the statement which indicates that the company has closed the operations at the Company's manufacturing unit located at SP - 825, Road No.14, V K I Area, Jaipur 302013 w.e.f $9^{\text {th }}$ December, 2022 due to unsatisfactory performance of the company with continued operational losses. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to sell/ transfer or otherwise dispose off Plant \& Machinery in one or more tranches and to appoint a consultant for setting up a new business, hence, the financial statements have been prepared on going concern basis. (Refer Note No.VI)

Our opinion is not modified in respect of this matter.
