Limited Review Report

To Board of Directors of
Goenka Diamond and Jewels Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Goenka Diamond and Jewels Limited ("the Company") for the quarter ended June 30, 2021 attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. This Statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, and other accounting principles generally accepted in India and in Compliance with regulation 33 of the Listing Regulation. Our responsibility is to issue a report on the Statement based on our review of the Statement.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. (a) The company has not translated following monetary items denominated in foreign currency as at the quarter ended closing rate and has been carried forward at the rate as at 31st March 2015, 31st March 2016, and / or 31st March 2017, which is not in accordance with Ind-AS -21 "The Effect of changes in Foreign Exchange Rates" and accounting policy followed by the Company.
 - i. Trade receivable amounting to Rs. 69703.18 lacs.
 - ii. Trade payables and other payable amounting to Rs.29717.66 lacs.
 - iii. Loan to subsidiary (including accrued interest) amounting to Rs. 1954.55 lacs.

The company has not provided for cumulative exchange gain (net) on the above items amounting to Rs. 7432.00 lacs including exchange gain amounting to Rs. 680.68 Lacs for the quarter ended June 30, 2021. Accordingly, exchange gain for the quarter ended June 30, 2021 is understated by Rs.680.68.

(b) The Company has defaulted in repayment of loans taken from the banks due to which the banks have recalled their loans and have initiated legal actions. The management has decided not to provide interest on such loans and consequently based on the calculation done by the management total interest amounting to Rs. 16166.02 Lacs determined at estimated rates, has not been provided for in the books of accounts including interest amounting to Rs. 680.83 Lacs pertaining to the quarter ended June 30, 2021. Accordingly, finance cost for the quarter ended June 30, 2021 is understated by Rs. 680.83 Lacs.

(c) No deferred tax assets amounting to Rs. 189.67 lacs (previous year 186.07 lacs) on expected credited loss of Rs. 704.60 Lacs against the interest receivable on loan from a subsidiary and on loss of Rs. 49.00 lacs on current investment designated through FVTPL have been recognized which is not in accordance with Ind AS-12 "Income Taxes".

Had the exchange difference and deferred tax as stated in para (a & c) above and interest on loans as stated in para (b) above been provided, the loss after tax for the quarter ended June 30, 2021 would have been decreased by Rs.3.45 Lacs.

(d) Due to uncertainties with respect to settlement of bank dues and interest, adjustments of trade receivables and payables and its consequential impact on taxation thereof, we are unable to ascertain the tax impact and liability, on the financial results.

(e) We draw attention to Note No. 2 and 3(b) of financial results regarding default in repayment of loans and interest to banks (including ARC) owing to which the banks has classified the account as NPA and recalled its loans and has initiated various legal actions for recovery of its dues including legal action initiated under SARFESI Act, The Recovery of Debts due to Banks and Financial Institution Act, 1993 and Insolvency and Bankruptcy Code, 2016, which are still pending for hearing. The outstanding loan balances due to banks (including ARC) amounting to Rs. 17,695.78 lacs and deposit/advance to an asset reconstruction company amounting to Rs. 1405.61 lacs for which no confirmation/statements have been obtained and are subject to reconciliation and subsequent adjustments.

(f) No provision for the expected credit loss/ impairment relating to overdue Trade Receivables of Rs. 69730.38 Lacs has been recognized as per the requirement of Ind- AS 109 "Financial Instruments". In view of defaults in payment obligations by the Trade Receivables on due date, non-recoveries from Trade Receivables, non-confirmations/ reconciliation from Trade receivables, initiation of legal action/ suits against Trade Receivables by the company, notices/ summon to the Company from Enforcement Directorate, Reserve Bank of India, Development Commissioner of Surat SEZ and in absence of clear forward looking information regarding outcome of pending legal actions initiated and time frame and quantum of realisability of these Trade receivables, we are unable to determine the amount of expected credit loss/ impairment based on provision matrix as per the requirements of Ind-AS 109 "Financial Instruments" and its consequential impact, on the financial results.

(g) No provision for the expected credit loss/ impairment on loan to a subsidiary amounting to Rs. 1249.95 Lacs has been recognized as per the requirement of Ind- AS 109 "Financial Instruments". The net worth of above subsidiary is negative and based on reasonable and supportable information regarding the current financial status and business condition there has been significant increase in credit risk and there could be delay/default in recovery of this amount. Considering the above, we are unable to comment on the amount of expected credit loss/ impairment and its consequential impact, on the financial results.

(h) The Inventory has been taken on the basis of physical verification carried out by the management as at the quarter end and its valuation is based on determination of estimated net realizable value and specific identification which involves technical judgment of management. We have relied upon by the physical verification and valuation of the Inventory as certified and determined by the management.

(i) The company has made investment of Rs. 2.03 lacs and Rs. 7.44 lacs in its subsidiaries namely M.B. Diamonds LLC and Goenka Diamond and Jewels DMCC, the net-worth of these subsidiaries is negative. The Company has not made any provision for Impairment against these investments.

(j) Balances with Banks amounting to Rs. 2.91 lacs (debit balances), Trade Payables and Other Current Assets and Liabilities are subject to confirmations and consequential adjustment thereof.

(k) Refer Note No. 7 of standalone Ind AS financial results, which describes management's assessment of the impact of the COVID-19 pandemic on the standalone financial results of the Company. However, in view of highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon the circumstances as they evolve.

5. Material Uncertainty related to going concern

The Company's operating results have been materially affected due to various factors including non-realization of Trade receivables, defaults in repayment of loans and interest to banks, non-availability of finance due to recall of loans by banks in consortium, legal actions/ insolvency proceedings initiated by banks against company for recovery of its dues, notices/ summon to company/director(s) from Enforcement Directorate, Reserve Bank of India, Development Commissioner of Surat SEZ and from other regulatory authorities, pending proceeding with National Company Law Tribunal, Debt Recovery Tribunals and other courts for recovery of banks dues and possession/attachment/sale of company's properties, assignment and transfer of dues in favor of an asset reconstruction company (ARC), pending income tax demands and consequent attachment of bank accounts by Income tax department, reliance on occasional sales for meeting out expenses, overall substantial decrease in volume of business and sales, non-payment of statutory dues and taxes, overdue creditors, non-realization of loan and interest thereon from a subsidiary etc. We are also unable to determine the impact of actions and forthcoming actions that may be taken by various legal and statutory authorities due to various factors mentioned herein above. These events cause significant doubts on the ability of the company to continue as a going concern. The appropriateness of the going concern assumption is dependent on the company's ability to raise adequate finance from alternative means, settlement of its due from banks and ARC and recoveries from overseas Trade Receivables to meet its short term and long term obligations as well as to establish consistent business operation. The above situation indicates that material uncertainty exist that cast significant doubt on company's ability to continue as a going concern

Based on our review, with a exception of the matters described in para 4(c) to (i) above, where we have not been able to determine the possible effect on the financial results and financial impact of the matters described in para4(a) and (b) above and considering the facts stated in para 5 regarding material uncertainty relating to Going Concern, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Ind-AS prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Company has also received show cause notice from Office of the Development Commissioner, Surat SEZ regarding certain non-compliances and non- realisation of export proceeds, to which company has replied suitably.

- 2 The auditors in their report on financial statement for the year ended March 31, 2021 have given disclaimer of opinion on the basis of observations that the Company's operating results have been materially affected due to various factors including non-realization of trade receivables, non-availability of finance due to recall of loans by banks in consortium, legal action initiated by banks against company for recovery of its dues including initiating corporate insolvency resolution process with NCLT under Insolvency and Bankruptcy Code and for attachment of company's properties, assignment and transfer of dues of four banks in favor of an asset reconstruction company, pending income tax demands and consequent attachment of bank accounts by Income tax department, reliance on occasional sales for meeting out expenses, overall substantial decrease in volume of business and sales, non-payment of statutory dues and taxes, overdue creditors, defaults in repayment of loans and interest to banks, non realization of interest on loans to subsidiary, non-confirmation of various balances etc, which cast doubts on the ability of the Company to continue as going concern. The management is of the view that due to certain unfavourable developments and sluggish market in earlier periods, the recovery from trade receivables are slow and there is a mismatch in the cash flow resulting in default in payment to creditors, payment of statutory dues and repayment of dues to banks owing to which banks have classified the account as NPA and recalled their loans. The management is hopeful that these trade receivables shall be recovered as the company has initiated legal action by way of sending legal notices and filing court cases. The company has filed legal suits in Mumbai High Court against majority of debtors. Further, the management is taking all possible steps to revive the business operations. The Company has approached consortium bankers and ARC for settlement of loan dues and assumes that Company will have adequate cash flow from export realisation to defray its entire debt obligation and payment to creditors in phased manner. At the same time, management is hopeful that it will be able to raise adequate finance from internal accruals and alternate means to meet its short term and long term obligations. Hence, the accounts of the Company are prepared on going concern basis.
- 3 (a) Trade Receivables, Trade payables/other payables and Loans (including accrued interest) given to a subsidiary denominated in foreign currency have not been restated based on exchange rate as at the period end and consequential tax impact on above has also not been accounted for. These Trade Receivables and Advances have been carried forward based on exchange rate as at the end of March 31, 2015, March 31, 2016 and / or as at end of March 31, 2017, as it is deemed prudent not to take cognizance of unrealised exchange difference on notional basis due to uncertainties with regard to expected time frame for realisation of Trade Receivables and loan to subsidiary. Consequently, the payment to creditors is also dependent on recovery from these Trade receivables. The company shall account for the actual exchange differences and its consequential tax impact at the time of realization of these trade receivables, Loans and advances and at the time of payment to trade creditors/ other payables.
- (b) As the promoters of the Company have approached consortium banks and ARC for settlement of entire dues, envisaging part-payment of principal amount against working capital loan dues, the Board in earlier year have decided not to provide Interest on working capital borrowings availed by the Company. Accordingly, no interest liability has been provided for the financial year ended March 31, 2017, March 31, 2018, March 31, 2019, March 31, 2020, March 31, 2021 and quarter ended June 30, 2021. Further, no confirmations and/or statements have been received from lender banks having outstanding dues amounting to Rs. 17,695.78 lacs, deposit/advance given to an assets reconstruction company amounting to Rs. 1405.61 lacs and various banks having debit balance of Rs. 2.91 Lacs at the quarter ended June 30, 2021. These balances are subject to reconciliation and subsequent adjustments. However, the management to the best of its knowledge and belief have recorded all the transactions.
- (c) The Company has made provision for expected credited loss of Rs. 704.60 lacs (P.Y. Rs. 690.31 Lacs) against the interest receivable on loan from subsidiary and had recognized loss of Rs. 49.00 lacs (P.Y.Rs. 49.00 lacs) on current investment designated through FVTPL on which no deferred tax assets thereon amounting to Rs. 189.67 lacs (P.Y. Rs. 186.07 lacs) has been recognized.
- (d) Had the exchange gains, interest and deferred tax as referred above have been accounted for, the loss after tax in the standalone financials results for the quarter ended June 30, 2021 would have been decreased by Rs. 3.45 lacs.
- 4 The auditors have made observation regarding non recognition of expected credit loss on trade receivables and loan given to subsidiary . The management is of the opinion that in view of court cases initiated against the trade receivables and looking to the uncertainty regarding time frame and quantum of realisation from these trade receivables, amount of expected credit loss required to be recognized cannot be estimated. The same shall be provided as and when the information regarding quantum and time frame of realisation from these trade receivables is ascertained. With regard to loan due from subsidiary, the same is in the nature of long term loan for set up of business of the subsidiary and is part of net investment in the subsidiary. The operation of the subsidiary shall soon be revived and these loans will be recovered in future.
However, the company is providing interest on its loan to subsidiary and simultaneously is also providing for expected credited loss against such interest accrued. Till date provision for expected credit loss amounting to Rs. 704.60 lacs (P.Y. Rs. 690.31 lacs) has been made against the accrued interest on the loan to subsidiary.

Statement of Unaudited Standalone Financial Results for the Quarter ended June 30, 2021 prepared in compliance with the Indian Accounting Standard (Ind-AS)

- 5 With regard to auditors observation in standalone financial statement regarding non-provision for impairment against investment in subsidiaries amounting to Rs. 2.03 Lacs and Rs. 7.44 lacs, the management is of the view that the investment in subsidiary is in the nature of long term investment and the subsidiaries have substantial business value.
- 6 The Company has given Rs. 1405.61 lacs to Alchemist Asset Reconstruction Company Ltd (ARC) as adhoc advance payment/ security Deposit to show its intent of settlement of its dues with four lender banks assigned to ARC. The terms and conditions of the settlement are yet to be finalised.
- 7 **Impact of COVID-19:**
In view of the severe health hazard associated with first and second wave of COVID-19 pandemic, the government declared a lockdowns in March 2020 and April 2021. The Company's operations which were already materially affected due to reasons as stated in Note 2 above but the management was hopeful that in coming years they will be able to revive the company's operations and were confident of recoveries from trade receivables. However, due to impact of the COVID-19 pandemic the overall business activity and especially in diamond sector has been slow resulting in delay in recoveries from trade receivables. Accordingly, in the opinion of the management, the Company's future operations which are dependent on the recoveries from trade receivables and settlement of its dues with banks/ARC have got delayed significantly due to pandemic.
The Company has considered internal and external information up to the date of approval of these financial statements including economic forecast, expected recoveries from trade receivables and settlement of its dues with banks/ARC and expects to recover the carrying value of property, plant & equipment, investments, inventories and other current assets appearing in the financial results of the Company. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.
