- 3) The COVID-19 pandemic has brought economies, businesses and lives around the world to a standstill, and our country is no exception. Based on the directives and advisories issued by central and state governments and other relevant authorities during the lockdown, our operations at factories / states were affected partially. Considering the unprecedented and ever evolving situation, the Company had made assessment of recoverability and carrying value of its assets consisting of tangible assets, inventories and other current assets as at June 30, 2021 and made appropriate provisions. However, the impact assessment of COVID-19 is a continuous process, given the uncertainties associated with its nature and duration. The Company will continue to closely monitor any material changes to future economic conditions. The Management has taken into account the impact of COVID-19 on the business for the foreseeable future and have concluded that the Company has sufficient resources to continue as a going concern.
- 4) The figures for the quarter ended March 31, 2021 are the balancing figures between the audited figures in respect of full financial year and the un-audited published year to date figures up to the quarter ended December 31, 2020, for which auditors had performed limited review.
- 5) The Company operates in one segment only at standlone level, namely Textiles.
- 6) The figures for the corresponding periods have been regrouped and rearranged wherever necessary, to make them comparable.

Limited Review Report on the Unaudited Quarterly Standalone Financial Results of Gokak Textiles Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

### To the Board of Directors of Gokak Textiles Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of **Gokak Textiles Limited** ("the Company") for the quarter ended June 30, 2021 ("the Statement"), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
- 2. This Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended read with relevant rues issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3.

- 4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 5. Based on our review conducted and procedures performed as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other recognised accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. We draw attention to note 2 of the Financial Results which describes that, during the quarter the Company has incurred loss before tax (including other comprehensive income) of Rs. 850.02 lakhs and has accumulated losses of Rs. 30,868.88 lakhs as on June 30, 2021. Further the Company's net worth has been fully eroded as at June 30, 2021.

### **Chartered Accountants**

These conditions indicate requirement of assessment of the Company's ability to continue as a going concern. The Company's financial results have been prepared on a going concern basis on the reporting date, based on the reasons stated in said note. Our opinion is not modified in respect of the above matter.

7. Attention is drawn to the fact that the figures for the quarter ended March 31, 2021 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the quarter ended December 31, 2020 which were subject to limited review.

  The continuity of the operations of the Group is dependent upon the continued operational and financial support of the Holding Company. The Group has witnessed demand for its yams during the current period and the Management believes that it is likely to continue. Due to adequate labour available at the Plant the Group will be able to meet the demand. Further the Group anticipates cost savings on raw materials and other operating expenses in the current year due to alternative options available. Based on these reasons, the financial results of the Group have been prepared on a going concern basis.

However, the impact assessment of COVID-19 is a continuous process, given the uncertainties associated with its nature and duration. Limited Review Report on the Unaudited Quarterly Consolidated Financial Results of Gokak Textiles Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

### To the Board of Directors of Gokak Textiles Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results of **Gokak Textiles Limited** (hereinafter referred to as the "Holding Company") and its subsidiary (collectively referred to as "the Group") for the quarter ended June 30, 2021 ("Consolidated Statement"), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
- 2. This Consolidated Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Consolidated Statement based on our review.
- 3. We conducted our review of the Consolidated Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations to the extent applicable.

- 4. This Consolidated Statement includes the results of Holding Company and its Subsidiary i.e. Gokak Power and Energy Limited.
- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Consolidated Statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations

### **Chartered Accountants**

including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 6. We draw attention to note 2 of the Consolidated Financial Results which describes that, during the quarter the Group has incurred loss before tax (including other comprehensive income) of Rs. 950.44 lakhs and has accumulated losses of Rs. 37,006.32 lakhs as on June 30, 2021. Further the net worth of the Group has been eroded as at the quarter end. These conditions indicate requirement of assessment of the Group's ability to continue as a going concern. The Group's financial results have been prepared on a going concern basis on the reporting date based on the reasons stated in the aforesaid note. Our opinion is not modified in respect of the above matter.
- 7. Attention is drawn to the fact that the figures for the quarter ended March 31, 2021 as reported in these consolidated financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the quarter ended December 31, 2020 which were subject to limited review.
