### **Krutesh Patel & Associates**

Chartered Accountants (A Peer Reviewed firm of ICAI)

**Limited Review Report** 

To, The Board of Directors, Gopal Iron and Steel Co (Guj) Limited, Ahmedabad.

We have reviewed the accompanying statement of unaudited financial results of **Gopal Iron and Steel Co (Guj) Ltd** for the period ended 30<sup>th</sup> September, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

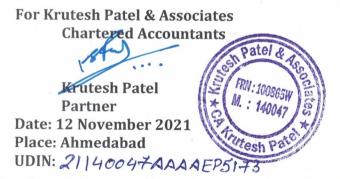

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **Emphasis of Matter Paragraph**

The Accompanying financial statements are prepared by management assuming that the Company will continue as a going concern. The Company has suffered recurring losses from the operations. Further, it has disposed of all its plant and machinery and other major fixed assets and discounted its operations. It raises substantial doubt about the ability of the company to continue as a going concern. The Management plan regarding this has been discussed in note 5 of accompanying statements. The Financial statement does not include any adjustments which might results from this uncertainty.

Our conclusion is not modified in respect of this matter
