Review Report to

The Board of Directors

Gujarat Narmada Valley Fertilizers & Chemicals Limited

1. We have reviewed the accompanying statement of unaudited standalone Ind AS financial results of Gujarat

Narmada Valley Fertilizers & Chemicals Limited (the 'Company') for the quarter ended June 30, 2018 and

year to date from April 1, 2018 to June 30, 2018 (the "Statement") attached herewith, being submitted by the

Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure

Requirements) Regulations, 2015 ('the Regulation'), read with SEBI Circular No. CIR/CFD/FAC/62/2016

dated July 5, 2016 ('the Circular').

2. The preparation of the Statement in accordance with the recognition and measurement principles laid down

in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133

of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015, as

amended, read with the Circular is the responsibility of the Company's management and has been approved

by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement

based on our review.

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review

of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute

of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain

moderate assurance as to whether the Statement is free of material misstatement. A review is limited

primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus

provides less assurance than an audit. We have not performed an audit and accordingly, we do not express

an audit opinion.

4. We draw attention to Note 6 to the financial results regarding management's evaluation, about significant

uncertainties relating to collection of dues from the government, recognized as subsidies receivable in the

previous years. Due to such uncertainties, the management has written off unrealized subsidies receivable

amounting Rs 127.38 crore in the current quarter, and has not recognized subsidy income of Rs 8.29 crore

for the current quarter. Our opinion is not modified in this matter.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- 1 The unaudited financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, (as amended).
- 2 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on August 09, 2018.
- 3 The Statutory Auditors of the Company have carried out a 'limited review' of the above financial results.
- The figures of the preceding quarter ended March 31, 2018 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2018 and the unaudited published year to date figures upto December 31, 2017 being the date of the end of the third quarter of the previous financial year which were subjected to limited review.
- The Company makes tax provision as per the Income Tax Act, 1961. During the current quarter ended June 30, 2018, tax provision is made as per normal provisions of Income Tax Act.

 During the previous years, tax provision was made as per Minimum Alternate Tax (MAT) as per the provisions of section 115JB of the Income Tax Act.

On account of utilization of MAT credit of Rs. 40.25 crore, cash outflow for tax expenses for the current quarter ended June 30, 2018 would be lower to that extent.

- In terms of subsidy notification no. 12012/1/2015-FPP dated May 25, 2015 read with subsidy notification no. 12012/3/2010-FPP dated April 2, 2014 of Department of Fertilizers, Ministry of Chemicals & Fertilizers, Government of India, the Company, based on the eligibility criteria in the notification, had recognised the subsidy income of Rs. 127.38 crores relating to compensation for additional fixed cost during the financial period April 1, 2014 to March 31, 2018. The aforesaid claim for the said subsidy was neither acknowledged nor paid by the Department of Fertilizer till date. Accordingly, for the quarter ended June 30, 2018, the Company has decided not to recognise additional fixed costs subsidy income of Rs. 8.29 crores in terms of the said notifications and has also decided to write-off the unrealized subsidy income of Rs 127.38 crores already recognised in the books for the earlier years. The management based on the evaluation believes that there is uncertainty to realise the said subsidy claims from the government in terms of the notifications and as substantial time has elapsed since the subsidy became initially due to the Company, it has adjusted the receivables in the book.
- According to the requirements of Schedule III of the Companies Act 2013, sales for the period up to June 30, 2017, and earlier periods presented in these financial results are inclusive of excise duty. Consequent to applicability of Goods and Service Tax (GST) w.e.f. July 1, 2017, sales are shown net of GST in accordance with requirements of Ind AS-115 'Revenue from contracts with customers'. The Sales net of Excise Duty/GST for all periods is as given below:

(Rs in Crore)

	Quarter Ended			Year Ended	
Particulars	30-06-2018	31-03-2018	30-06-2017	31-03-2018	
Revenue From Operations (Gross)	1,604.76	1,764.37	1,054.58	5,916.59	
Less: Excise Duty	-	-	84.36	84.36	
Revenue From Operations (Net)	1,604.76	1,764.37	970.22	5,832.23	

- Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach there were no significant adjustments required to the retained earnings at April 1, 2018. Also, the application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial results.
- 9 Previous periods' figures have been regrouped wherever necessary to confirm to the figures of the current periods.
