## Notes:

- 1 The above results have been prepared in accordance with Indian Accounting Standards ("Ind As") notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other recognised accounting practices and policies, as applicable.
- 2 Figures of the previous periods are re-classified/rearranged / re-grouped, wherever necessary, to correspond with the current period's classification / disclosure.
- 3 Figures for the quarters ended 31 March 2022 and 31 March 2021 as reported in these financial results, are the balancing figures between audited figures in respect of the full financial years and the published year to date figures upto the end of the third quarter of the respective financial years. Also the figures upto the third quarter ended 31st December of the financial year are subject to Limited Review and not subject to Audit.
- 4 **Regarding Auditor's observation:**  
The Company incurred a net loss of INR 148.79 Lakhs. The Net Liabilities of the Company exceed its assets by INR. 1203.41 Lakhs. Considering the business plans made by the Company, orders on hand, reorganization of product mix and with continued support from the bankers and the Holding Company, the Company expects to recover from the losses. According to the Company, considering all the facts, including sale/disposal of the inventories on hand, the shifting of manufacturing facility to different location at optimum operating costs for continuing business activities and company's decision to recruit workmen on contractual basis, the assumption of Going concern is not vitated even though the net worth is eroded.
- 5 In view of the nationwide lockdown announced by the Government of India to control the spread of COVID-19, the company's business operations were temporarily disrupted during the first quarter of the financial year 2021-22. Significant decline in economic activity of the whole nation and disruption created across the business, have affected the operations of the company as well, the impact thereof would evolve around the development taking place in the forthcoming months.  
  
The company has resumed operations in phased manner as per government directives. In assessing the recoverability of the carrying amount of all its assets, the company has considered internal and external information upto the date of approval of these financial results while arriving at the realisable value. Given the uncertainties associated with the nature and duration of this pandemic, the actuals may differ from estimates considered in these financial results and the Company will continue to closely monitor any material changes to future economic conditions and respond accordingly.
- 6 The company is into manufacturing of CNC Turning Machines which are capital goods for heavy industries. The usual lead time between the date of order and delivery is between 9 to 18 months depending upon the nature of machinery and technical complexities involved. As projects are long term in nature and the machineries manufactured are of high value, the company receives advance from customers against the confirmed orders. Due to lockdown implemented on account of COVID-19 pandemic, customers could not inspect the machineries and take the delivery. Further, due to current slowdown in industrial production, the customers are delaying to pick up their ordered machinery and make full payment against the order. Under the said circumstances, advance from customer is carried in the Balance Sheet. In the opinion of the company, such customer advances are in compliance with Section 73 of Companies Act, 2013 read with Companies (Acceptance of Deposit) Rules, 2014.
- 7 During the quarter ended 31st March 2022, the company has floated voluntary retirement scheme for its employees. All the employees of the company opted for the scheme pursuant to which the company has settled an amount of INR 64.97 Lakhs (disclosed as exceptional item in the result sheet) to the said employees of the company.
- 8 The Company has got net deferred tax assets in the form of unabsorbed losses and depreciation, However, the same is not recognized in the absence of reasonable certainty in future profits to set off the said losses within the time limit provided under the Income Tax Act, 1961
- 9 **Regarding Applicability of Ind AS-116 Leases**  
Ind AS-116 - Leases is effective from 1st April 2019 onwards. The company's existing lease arrangements are for less than 12 months, which is exempt under the Standard and hence the revised standard has no impact on the results of the company.
- 10 The company has elected to exercise the option permitted under Sec. 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. Therefore liability to Minimum Alternate Tax U/s 115JB does not arise. Further, in view of the brought forward losses available for set off against current year income, the company does not anticipate any tax liability on its
- 11 The Company is engaged in the business of Metal Cutting, Grinding and Ancillary machines which is single reportable segment in accordance with Ind AS 108 "Operating Segments." All sales and assets are in India. The Company has no single measure customers
- 12 The above results were reviewed and recommended by the Audit Committee on 30th May, 2022 and subsequently approved by the Board of Directors at their meeting held on the same date.

Place : Hubli.

**Independent Auditor's Report on Quarterly and Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To the Board of Directors of Miven Machine Tools Limited

**Report on the Audit of the Financial Results**

**Opinion**

1. We have audited the accompanying quarterly and annual standalone statement of Financial Results of **Miven Machine Tools Limited** ("the company") for the quarter and year ended 31<sup>st</sup> March 2022, together with the notes thereon ("the statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:
  - i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
  - ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS), prescribed under section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the year ended 31<sup>st</sup> March 2022

**Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are

## RAO ASSOCIATES CHARTERED ACCOUNTANTS

relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Material Uncertainty Related to Going Concern**

4. We draw attention to Note 4 in the financial results, which indicates that the Company incurred a net loss of INR 148.79 Lakhs during the year ended March 31, 2022 and as of that date, the Company's current liabilities exceeded its total assets by INR 1203.47 Lakhs. The events or conditions, along with other matters as set forth in Note 4, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

### **Emphasis of Matter**

5. We draw attention to Note 5 to the accompanying annual financial results, which describes management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations. Our opinion is not modified in respect of this matter.
6. We draw attention to Note 6 to the accompanying annual financial results about customer advances outstanding for more than one year as at the balance sheet date. Our opinion is not modified in respect of this matter for the reasons indicated therein.

### **Responsibilities of Management and Those Charged with Governance for the Statement**

7. These quarterly financial results as well as the annual standalone financial results have been prepared on the basis of annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles

## RAO ASSOCIATES CHARTERED ACCOUNTANTS

generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Statement**

10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under Section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
11. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

## RAO ASSOCIATES CHARTERED ACCOUNTANTS

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**RAO ASSOCIATES  
CHARTERED ACCOUNTANTS**

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matters**

14. The Statement includes the financial results for the quarter ended 31 March 2022, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to limited review by us and not subjected to any audit. Our report on the Statement is not modified in respect of this matter.
