Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information performed by the independent auditor of the entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act, read with relevant rules issued thereunder, SEBI Circulars CIR/CFD/CMD/15/2015 dated 30th November 2015 and CIR/CFD/FAC/62/2016 dated 5th July 2016 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Material Uncertainty related to Going Concern:

The unaudited financial results of the company indicate erosion of complete net worth of the company. The Company's liabilities exceed its total assets by INR 1,078.80 Lakhs as at 30th June 2021. We draw reference to Note 4 of unaudited financial results of the company regarding sale of entire land held by the company. As stated therein these events or conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

5. Emphasis of Matter:

We draw attention to Note 5 to the accompanying annual financial results, which describes management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations. Our opinion is not modified in respect of this matter.

A copy of the unaudited quarterly financial results of the Company for the period under review, which formed the basis of our limited review, duly initiated by us for the purpose of identification is enclosed to this report.

Notes:

- 1 The above results have been prepared in accordance with Indian Accounting Standards ("Ind As") notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other recognised accounting practices and policies, as applicable.
- 2 Figures of the previous periods are re-classified/rearranged / re-grouped, wherever necessary, to correspond with the current period's classification /disclosure.
- 3 The figures for quarter ended March 31, 2021 are the balancing figures between Audited figures in respect of the full financial year and published year to date figures upto the third quarter of the year ended 31 March 2021.
- 4 **Regarding Auditor's observation:**
The Net Liabilities of the Company exceed its assets by Rs. 1,078.80 Lakhs. Considering the business plans made by the Company, orders on hand, reorganization of product mix and with continued support from the bankers and the Holding Company, the Company expects to recover from the losses. According to the Company, considering all the facts, including renewal of bank working capital limits, sale/disposal of the inventories on hand and the company's decision to take back on lease a part of the land and factory building thereon for continuing business activities, the assumption of Going concern is not vitated even though the net worth is eroded.
- 5 In view of the nationwide lockdown announced by the Government of Karnataka to control the spread of COVID-19, the company's business operations were temporarily disrupted during the first quarter of the financial year 2021-22. Significant decline in economic activity of the whole nation and disruption created across the business, have affected the operations of the company as well, the impact thereof would evolve around the development taking place in the forthcoming months.

The company has resumed operations in phased manner as per government directives. In assessing the recoverability of the carrying amount of all its assets, the company has considered internal and external information upto the date of approval of these financial results while arriving at the realisable value. Given the uncertainties associated with the nature and duration of this pandemic, the actuals may differ from estimates considered in these financial results and the Company will continue to closely monitor any material changes to future economic conditions and respond accordingly.
- 6 The Company has got net deferred tax assets in the form of unabsorbed losses and depreciation, However, the same is not recognized in the absence of reasonable certainty in future profits to set off the said losses within the time limit provided under the Income Tax Act, 1961
- 7 **Regarding Applicability of Ind AS-116 Leases**
Ind AS-116 - Leases is effective from 1st April 2019 onwards. The company's existing lease arrangements are for less than 12 months, which is exempt under the Standard and hence the revised standard has no impact on the results of the company.
- 8 The company has elected to exercise the option permitted under Sec. 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019. Therefore liability to Minimum Alternate Tax U/s 115JB does not arise. Further, in view of the brought forward losses available for set off against current year income, the company does not anticipate any tax liability on its income for the year.
- 9 The Company is engaged in the business of Metal Cutting, Grinding and Ancillary machines which is single reportable segment in accordance with Ind AS 108 "Operating Segments." All sales and assets are in India. The Company has no single measure customers during the reporting periods.
- 10 The above results were reviewed and recommended by the Audit Committee on 12th August, 2021 and subsequently approved by the Board of Directors at their meeting held on the same date.
- 11 The unaudited financial results of the Company for the quarter ended June 30, 2021 have been subject to limited review by its Statutory auditors.
