Notes

- The above financial results for the Quarter ended 30-Jun-2020 have been reviewed by the Audit Committee in their meeting and approved by the Board of Directors in their meeting held on September 15, 2020 and are as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The said results have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013, read with the relevant rules and provisions of Companies Rules, 2015 and Companies Act, 2013 (as amended from time to time).
 - The Company has only one reportable segment namely 'Speciality Chemical Intermediates'.
 - The Operations of the Company have been severely impacted due to the Covid -19 pandemic. The Government of India declared a nationwide lockdown w.e.f. 24 March, 2020 and hence the Company's manufacturing operations were halted during the quarter. Several International and State governments continue to restrict distribution operations which impact our operations. As a result, our revenues were materially impacted during this period. We however continued to incur committed expenditure with respect to our Employees, Plant related expenditures and Other expenditures. This has significantly impacted our profitability. Covid-19 has also had a significant impact on our customers and their ability to meet their committed obligations. The extent and duration of COVID-19 is currently unknown and depends on future developments that are uncertain. Any resultant outcome and impact on business, due to this, is unpredictable. The Management has considered the possible effects if any that may result from COVID-19 pandemic on the carrying amounts of Trade receivables and Inventories. In developing the assumptions and estimates relating to the uncertainties as at the balance Sheet date in relation to the recoverable amounts of these assets, the management has used internal and external sources of information to the extent determined by it. The Impact of the same may differ from that estimated as at the date of approval of these financial statements due to the impact of the pandemic and the Management will continue to closely monitor the developments.
- The Management has taken several actions to mitigate the effect of Covid-19 on Company's business. We have taken steps to reduce our unit costs and increase our liquidity by making our operations more efficient and nimbler, putting on hold discretionary expenses, deferring certain capital expenditures, etc. In order to sustain operations, we also had to take actions to cut employee costs through pay cuts, leave without pay and reduction in workforce. We are ramping up our operations in a phased manner, subject to Government directions. The unprecedented nature of the pandemic makes the future business environment uncertain, however, we will continue to carry out the impact assessment on our assets and closely monitor any material changes to future economic conditions. Accordingly, the management has accounted for Impairment/Write-off on account of Loss of certain receivables of the company, under exceptional item and Reversal of excess interest on a/c of reconciliation of Books of accounts under other Income. The same however are not affecting continuing operations.
- Due to ongoing dispute with the certain lenders in relation to their failure to comply with committed lending obligations and outstanding, the Company has not provided for interest costs on certain loans outstanding amounting to INR 390.19 Lacs in respect of Operating Assets and INR 1040.62 Lacs in respect of Project Assets. The Company continues to believe in the merits of the litigation, however, there continues to remain material uncertainties in relation to the outcome of the said litigations.
 - Prior period/year figures have been regrouped/rearranged/re-classified wherever considered necessary

5. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **SEYA INDUSTRIES LTD.** ("the Company"), for the Quarter ended June 30, 2020("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations")
6. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
7. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. The Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing Specified under section 143 (10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
8. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statements are prepared in accordance with the aforesaid Indian Accounting Standards('Ind AS') specified under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion on the Statement is not modified in respect of these matters
