Notes :

1. The above Results have been reviewed and recommended by the Audit Committee & approved by the Board of Directors at its Meeting held on 21st January, 2021. The Statutory Auditors have conducted 'Limited Review' of the Financial Results.

The Company's operations and financial results for the nine months ended 31st December 2020 have been impacted by the lockdown imposed earlier in this financial year by Government Authorities to contain the spread of COVID-19. While the impact of lockdown was substantial during the first quarter, during the subsequent quarters the operations improved gradually in different plants at different times. The results for the nine months ended on 31st December 2020 are therefore not comparable with those of the corresponding period of the previous year.

The Company has assessed the impact of pandemic on its financial position based on the internal and external information available up to the date of approval of these financial results and does not expect any impairment of the carrying value of its assets.

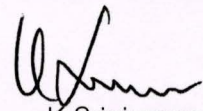

Disclosures relating to impact on operations of the Company have been filed from time to time with the BSE Limited.

2. Previous Years figures have been regrouped, rearranged or reclassified wherever necessary to correspond to Current Year's figures.
