**Independent Auditors' Review Report
The Board of Directors
McLeod Russel India Limited**

1. We have reviewed the accompanying statement of Standalone Unaudited Financial Results of **McLeod Russel India Limited** ("the Company") for the Quarter and nine months ended on December 31, 2019 ('the Statement'). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors is to be prepared by the Management in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS - 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the following Notes of the Statement which are subject matter of adverse conclusion as given in Para 5 below:
 - a) Note no. 6 and 8 relating to Inter Corporate Deposits (ICD) aggregating to Rs. 2,91,070 lakhs as on December 31, 2019 (including Interest of Rs. 6,461 lakhs accrued till March 31, 2019) given to certain companies which includes Rs. 1,10,189 Lakhs devolved/given during the period is subject to compliances, as required under Companies Act, 2013 ('the Act'). The amount outstanding as on this date as given above is doubtful of recovery. In absence of provision there against the profit for the period is overstated to that extent. Impact in this respect have not been ascertained and disclosed in the Statement.
 - b) The Company had given advance to a body corporate aggregating to Rs. 1,400 lakhs which are outstanding as on December 31, 2019. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances.
 - c) Note no. 10(b) of the statement regarding non-provision of interest to the extent stated therein.
 - d) Note No. 10(a) and (c) of the Statement regarding certain reconciliations/confirmations with respect to balances of borrowing from lenders pending final determination of amount in this respect and certain other balances and adjustments arising therefrom, the impact whereof is presently not determinable.

5. Based on our review conducted as above, we report that because of the significance of the matters stated in Para 4 above especially those relating to non-provision of amount given as Inter-Corporate Deposits which as stated in Para 4(a) have been considered doubtful of recovery, together with the consequential impact of these matters on the financial results for the period, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
6. Attention is drawn to Note no. 7 of the Statement dealing with going concern assumption for preparation of the accounts of the Company. The Company's current liabilities exceeded its current assets. Funds obtained by borrowing and utilised for providing funds to other group companies has become unserviceable due to non-repayment of outstanding amounts by those companies. This has resulted in insufficiency of company's resources for meeting its obligations. These conditions indicate the existence of a material uncertainty about the Company's ability to continue as a going concern. However, the financial statements of the Company due to the reasons stated in the Note no. 7 has been prepared by management on going concern basis, based on the assessment of the expected successful outcome of the steps and measures including those concerning rationalisation of costs, restructuring of borrowings and other proposals under consideration as on this date.
7. (a) The comparative financial information of the Company for the corresponding quarter and nine months ended December 31, 2018 were reviewed by the predecessor auditor who expressed unmodified opinion vide their reports dated February 14, 2019.
- (b) The comparative financial information of the Company for the year ended March 31, 2019 were audited by the predecessor auditor who expressed an adverse opinion vide their report dated June 29, 2019.
- (c) We have placed reliance on the reports given by the predecessor auditor for the purpose of these financial results and our report thereupon.

Our conclusion is not qualified in respect of matters stated in Para 6 and 7 above.

6. In respect of Inter-Corporate Deposits (ICDs) given to Promoter group and certain other companies, the amount outstanding aggregates to Rs. 2,84,609 Lakhs as at December 31, 2019 (net of provision of Rs. 1,098 Lakhs). Interest accrued upto March 31, 2019 and remaining unpaid as on December 31, 2019 aggregates to Rs. 6,358 Lakhs (net of provision of Rs. 7,559 Lakhs). Interest on such ICDs has not been accrued during the period. Steps are being taken to restructure the borrowings and related financial obligations of the company as well as of various group companies so that to make them sustainable over a period of time and ensure repayment/reduction of outstanding amounts. The management believes that the outstanding dues, net of provision for amount considered doubtful, as mentioned above, shall be recovered/ adjusted in due course of time and no further provision is required at this stage.
7. Operational earnings and performance of the company even though has improved over the period, the Company's financial position has continued to be under stress. The Inter-Corporate Deposits given to various group companies to provide them funds for strategic reasons for meeting their various obligations are outstanding as on this date and interest against these remain substantially unrealised. These have resulted in mismatch of company's current resources vis-à-vis its commitments and obligations and liquidity constraints, causing hardship in servicing the short term and long-term debts and meeting other liabilities.

One of the banker has issued a notice of default and recalled the amount granted under various facilities and has commenced the proceeding before Debt recovery Tribunal (DRT) for realisation of their debt to the company. The said banker and one other lender have filed petitions under Insolvency and Bankruptcy Code, 2016 (IBC) with Hon'ble National Company Law Tribunal, Kolkata (NCLT). These petitions are however yet to be admitted by NCLT. Further, certain lenders including those concerning another group company have obtained injunction against disposal of the Company's assets, pending settlement of their dues.

The company has taken various measures to overcome the financial constraints currently faced by it which inter-alia include reduction in operational costs, monetising the Company's/group's assets including holding of other group companies and also proposal for restructuring/reducing the

borrowings so that to make them sustainable and rationalising the costs thereof and infusing liquidity in the system over a period of time.

The Resolution process of stressed assets vide circular dated June 07, 2019 issued by the Reserve Bank of India has been initiated by the lenders. The lenders have appointed an Independent professional for carrying out Techno Economic Viability (TEV) study and valuers for carrying out the valuation of the company. Further SBI Capital Markets Limited, one of the leading investment banker and adviser has been appointed by the lender to work out and recommend resolution plan and possible course of action on the matter. The professionals so appointed have submitted their reports including the Draft Resolution Plan which is pending before lenders for their consideration and decision.

The management is confident that with the lenders support in restructuring their debt and related and other cost reductions, etc. and other ameliorative measures taken, the company will be able to generate sufficient cashflow to meet it's obligations and strengthen it's financial position over a period of time. Considering that these measures are under implementation and/or under active consideration as on this date, the financial statements have been prepared on going concern basis.

8. The predecessor auditors' have issued an adverse opinion on the financial statements for the year ended March 31, 2019. These matters include the issues relating to Inter-Corporate Deposits to companies including certain cases considered by them to be in the nature of book entries, being in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act'). This includes amounts given to group companies whereby applicability of Section 185 and related non-compliances, if any could not be ascertained and commented upon by them. Approvals sought from the shareholders under Section 186 of the Act could not be obtained and will therefore be required to be regularised in due course of time. Information required by relevant authorities including Registrar of Companies are being provided and directions, if any received on conclusion of the proceeding will be dealt with appropriately to ensure necessary compliances. These matters are procedural in nature and/or are subject to decision by the authorities and do not have any impact as such on the profit or loss for the period.

Auditors' other observations regarding non-recoverability of inter-corporate deposits and accounts being prepared on going concern basis which have bearing on the financial results have been dealt with in Note no. 6 and 7 above.

9. Remuneration to the extent of Rs. 677 Lakhs (of which Rs. 100 lakhs have since been repaid) paid to Managing Director for the period from April 01, 2017 to December 31, 2019 has become in excess of the limit laid down under the Companies Act, 2013, since required shareholders' approval could not be obtained. Accordingly, the said amount being held in trust has been recognised as advances under "Loans" pending recovery/adjustment in due course of time.
10. (a) Interest on borrowings have been provided for considering the rates and terms and conditions as per term sheet or otherwise stipulated/advised from time to time excluding penal interest in this respect. Interest payable by the company is subject to determination on confirmation by lenders and/or on completion of the Debt Resolution Process as stated in Note 7 above and consequential agreement with the lenders. These are, therefore, subject to confirmation and consequential reconciliation thereof. Adjustments, if any required in this respect will be given effect to on ascertainment of the amount thereof.

(b) Pending finalisation of the debt resolution process as stated in (a) above, interest of Rs. 1,454 Lakhs as advised by the lenders to be on account of penal interest till September 30, 2019 has not been recognised in these financial results. Such interest for the subsequent period being not charged/advised by the bankers are currently not determinable.

(c) Besides, certain debit and credit balances including inter-unit such ledger balances are subject to confirmation, reconciliation and adjustments on determination thereof at the end of the year. Impact in this respect are currently not ascertainable.

11. Other expenses for the quarter ended December 31, 2019 are net of Rs. 1,892 Lakhs being provision made in earlier quarter against expected additional charge on account of pay revision and other expenses, which being no longer required has been written back and adjusted during the quarter.
12. In view of Sale of Specified Assets pertaining to Tea Estates in the previous year as well as in current period (Note no. 3), figures of the previous periods are not comparable with those of the current period. Figures for the previous period have however, been regrouped/ rearranged, wherever necessary.

 - c) Note no. 11(b) of the Statement regarding non-provision of interest to the extent stated therein.
 - d) Note No. 11(a) and (c) of the Statement regarding certain reconciliations/confirmations with respect to balances of borrowing from lenders pending final determination of amounts in this respect and certain other balances and adjustments arising therefrom, the impact whereof is presently not determinable.
 - e) Note no. 2(a) regarding non-availability of figures pertaining to certain subsidiary/associate companies as stated in the said note for the purpose of arriving at the consolidated figures of corresponding previous quarters and nine months ended December 31, 2018. In absence of details, impact in this respect as such cannot be ascertained and commented upon by us.
7. Based on our review conducted and procedures performed as stated in paragraph 4 above and based on the consideration of the review reports of other auditors referred to in paragraph 10 below, we report that because of the significance of the matters stated in Para 6 above especially those relating to non-provision of amounts given as Inter-Corporate deposits which as stated in Para 6(a) have been considered doubtful of recovery and non-availability of figures for certain subsidiary/associate companies for the purpose of consolidation as given in Para 6(e) above, together with the consequential impact of these matters on the consolidated financial results for the period, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India and has not disclosed fairly the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, including the manner in which it is to be disclosed.
8. Attention is drawn to Note no. 8 of the Statement dealing with going concern assumption for preparation of the accounts of the Group. The Parent Company's current liabilities exceeded its current assets. Funds obtained by borrowing and utilised for providing funds to other group companies has become unserviceable due to non-repayment of outstanding amounts by those companies. This has resulted in insufficiency of company's resources for meeting it's obligations. These conditions indicate the existence of a material uncertainty about the Parent Company's ability to continue as a going concern. However, the consolidated financial statements of the Group due to the reasons stated in the Note no. 8 has been prepared by management on going concern basis, based on the assessment of the expected successful outcome of the steps and measures including those concerning rationalisation of costs, restructuring of borrowings and other proposals under consideration as on this date.

9. The comparative financial information of the Group for the year ended March 31, 2019 were audited by the predecessor auditor who expressed an adverse opinion vide their report dated June 29, 2019. We have placed reliance on the reports given by the predecessor auditor for the purpose of these reports.
10. We did not review the unaudited consolidated financial statement of Subsidiaries (including four stepdown subsidiaries) whose consolidated unaudited financial statements reflect total revenues of Rs. 8,437 lakhs and Rs. 23,056 lakhs, total net profit/(loss) after tax of (314 lakhs) and (Rs. 300 lakhs) and total comprehensive income of (Rs. 314 lakhs) and (Rs. 300 lakhs) for the quarter and nine months ended December 31, 2019 respectively as considered in the consolidated unaudited financial results. The consolidated unaudited financial results also include the Group's share of net profit after tax of Rs. 40 lakhs and total comprehensive income of Rs. 40 lakhs for the nine months ended December 31, 2019, as considered in the consolidated unaudited financial results, in respect of one associate. These consolidated financial statements have been reviewed by the auditor of Borelli Tea Holdings Limited (Step one subsidiary) whose report have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Our conclusion on the Statement is not modified in respect of the matters stated in Para 9 and 10 above.

7. In respect of Inter-Corporate Deposits (ICDs) given to Promoter group and certain other companies, the amount outstanding aggregates to Rs. 2,84,609 Lakhs as at December 31, 2019 (net of provision of Rs. 1,098 Lakhs). Interest accrued upto March 31, 2019 and remaining unpaid as on December 31, 2019 aggregates to Rs. 6,461 Lakhs (net of provision of Rs. 7,559 Lakhs). Interest on such ICDs has not been accrued during the period. Steps are being taken to restructure the borrowings and related financial obligations of the company as well as of various group companies so that to make them sustainable over a period of time and ensure repayment/reduction of outstanding amounts. The management believes that the outstanding dues, net of provision for amount considered doubtful, as mentioned above, shall be recovered/ adjusted in due course of time and no further provision is required at this stage.
8. Operational earnings and performance of the Parent Company even though has improved over the period, the Parent's financial position has continued to be under stress. The Inter-Corporate Deposits given to various group companies to provide them funds for strategic reasons for meeting their various obligations are outstanding as on this date and interest against these remain substantially unrealised. These have resulted in mismatch of company's current resources vis-à-vis its commitments and obligations and liquidity constraints, causing hardship in servicing the short term and long-term debts and meeting other liabilities.

One of the banker has issued a notice of default and recalled the amount granted under various facilities and has commenced the proceeding before Debt recovery Tribunal (DRT) for realisation of their debt to the company. The said banker and one other lender have filed petitions under Insolvency and Bankruptcy Code, 2016 (IBC) with Hon'ble National Company Law Tribunal, Kolkata (NCLT). These petitions are however yet to be admitted by NCLT. Further, certain lenders including those concerning another group company have obtained injunction against disposal of the Company's assets, pending settlement of their dues.

The Parent Company has taken various measures to overcome the financial constraints currently faced by it which inter-alia include reduction in operational costs, monetising the Parent Company's/group's assets including holding of other group companies and also proposal for restructuring/reducing the borrowings so that to make them sustainable and rationalising the costs thereof and infusing liquidity in the system over a period of time.

The Resolution process of stressed assets vide circular dated June 07, 2019 issued by the Reserve Bank of India has been initiated by the lenders. The lenders have appointed an Independent professional for carrying out Techno Economic Viability (TEV) study and valuers for carrying out the valuation of the company. Further SBI Capital Markets Limited, one of the leading investment banker and advisor has been appointed by the lender to work out and recommend resolution plan and possible course of action

4

on the matter. The professionals so appointed have submitted their reports including the Draft Resolution Plan which is pending before lenders for their consideration and decision.

The management is confident that with the lenders support in restructuring their debt and related and other cost reductions, etc. and other ameliorative measures taken, the Parent will be able to generate sufficient cashflows to meet its obligations and strengthen its financial position over a period of time. Considering that these measures are under implementation and/or under active consideration as on this date, the consolidated financial statements have been prepared on going concern basis.

9. The predecessor auditors' have issued an adverse opinion on the consolidated financial statements for the year ended March 31, 2019. These matters include the issues relating to Inter-Corporate Deposits to companies including certain cases considered by them to be in the nature of book entries, being in excess of the limit prescribed under Section 186 of the Companies Act, 2013 ('the Act'). This includes amount given to group companies whereby applicability of Section 185 and related non-compliances if any could not be ascertained and commented upon by them. Approvals sought from the shareholders under Section 186 of the Act could not be obtained and will therefore be required to be regularised in due course of time. Information required by relevant authorities including Registrar of Companies are being provided and directions received on conclusion of the proceeding if any will be dealt with appropriately to ensure necessary compliances. These matters are procedural in nature and/or are subject to decision by the authorities and do not have any impact as such on the profit or loss for the period.

Auditors' other observations regarding non-recoverability of inter-corporate deposits and accounts being prepared on going concern basis which have bearing on the consolidated financial results have been dealt with in Note no. 7 and 8 above.

10. Remuneration to the extent of Rs. 677 Lakhs (of which Rs. 100 lakhs have since been repaid) paid to Managing Director for the period from April 01, 2017 to December 31, 2019 has become in excess of limit laid down under the Companies Act, 2013, since required shareholders' approval could not be obtained. Accordingly, the said amount being held in trust recognised as advances under "Loans" pending recovery/adjustment in due course of time.
11. (a) Interest on borrowings have been provided for considering the rates and terms and conditions as per term sheet or otherwise stipulated/advised from time to time excluding penal interest in this respect. Interest payable by the company is subject to determination on confirmation by lenders and/or on completion of the Debt Resolution Process as stated in Note 8 above and consequential agreement with the lenders. These are, therefore, subject to confirmation and reconciliation thereof. Adjustments, if any required in this respect will be given effect to on ascertainment of the amount thereof.
