Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Ind AS Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
TeamLease Services Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Ind AS Financial Results of TeamLease Services Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter ended December 31, 2021 and year to date from April 01, 2021 to December 31, 2021 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following subsidiary entities:

 - ii) IIJT Education Private Limited (Subsidiary till December 1, 2021)
 - iii) Keystone Business Solutions Private Limited
 - iv) TeamLease Education Foundation

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The accompanying Statement includes the unaudited interim Ind AS financial results and other financial information, in respect of seven subsidiaries, whose unaudited interim Ind AS financial results include total revenues of Rs. 16,097.24 Lakhs and Rs. 44,756.48 Lakhs, total net profit after tax of Rs. 598.32 Lakhs and Rs. 1,024.95 Lakhs, total comprehensive income of Rs. 585.57 Lakhs and Rs. 986.88 Lakhs, for the quarter ended December 31, 2021 and the period ended on that date respectively, as considered in the Statement which have been reviewed by their respective independent auditors. The independent auditor's reports on interim financial results of these entities have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of such auditors and procedures performed by us as stated in paragraph 3 above.

Statement of unaudited consolidated financial results for the quarter and nine months ended December 31, 2021

- 3 The Company has its own Provident Fund Trust i.e. "TeamLease Services Ltd. Employees Provident Fund Trust" ("PF Trust") through which it manages provident fund liability for its employees. Accordingly, the PF Trust is considered as a defined benefit plan. The Company is responsible for meeting the shortfall in the value of the assets of the PF Trust, if any, in meeting its obligations, to settle PF dues of the employees.

As at March 31, 2021 and June 30, 2021, the aggregate fair value of the investments held by the PF Trust (including unrealised MTM gains) was adequate to settle the PF liabilities at those dates. The PF Trust's investments included investments of Rs. 17,220 lakhs in two non-banking financial companies ('NBFCs' i.e. DHFL and IL&FS) with maturities between FY 2020-21 to FY 2026-27 which were under severe liquidity stress and undergoing insolvency proceedings. Notwithstanding the uncertainties relating to recoverability of these investments, management was reasonably confident that the PF Trust would be able to realise sufficient gains on other equity / bond investments of the PF Trust over a long-term tenure to mitigate the impact of any likely losses that might arise from investments in these NBFCs and hence no liability would eventually devolve on the Company.

However, during the quarter ended September 30, 2021, investment in one of the NBFC was realised through NCLAT proceedings and the PF Trust recovered Rs. 5,458 lakhs resulting into a realised loss of Rs. 5,894 lakhs on such investments.

Basis such recoveries, the management has also estimated additional loss of Rs. 1,606 lakhs, that may arise on realisation of the investments in other NBFC, which is still pending resolution / settlement, on a prudent basis, without considering impact of any future anticipated gains on the overall investment portfolio of the PF Trust.

- 4 During the quarter ended June 30, 2021, the Company entered into a definitive agreement and acquired additional equity stake of 14.96% in TeamLease Regtech Private Limited ('TRPL') (formerly known as Avantis Regtech Private Limited) at an agreed consideration of Rs. 538.46 lakhs, thereby increasing the total stake in TRPL to 59.71% on fully diluted basis. Accordingly, TRPL has been accounted as a subsidiary with effect from April 03, 2021. During the quarter ended September 30, 2021, the Company subscribed to 7,117 equity shares via rights issue for total value of Rs. 136.87 lakhs. During the current quarter, the Company has further subscribed to 9,029 equity shares via rights issue for Rs. 173.65 lakhs, thereby increasing the total stake in TRPL to 61.50% as on date.
- 5 The Board of directors of TeamLease Digital Private Limited (TDPL) and Evolve Technologies and Services Private Limited (ETSPL), in their respective meetings held on November 16, 2020 approved the Scheme of Amalgamation ("Scheme") of Evolve with TDPL pursuant to Sections 230 to 232 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act, to the extent applicable, with appointed date being April 01, 2020. The Scheme has been filed with the relevant jurisdictional office of National Company Law Tribunal (NCLT) on December 12, 2020.

During the current quarter, TDPL and Evolve has received NCLT approval for the Scheme with appointed date of April 1, 2020. TDPL has accounted for the said amalgamation in accordance with the approved scheme.

- 6 Exceptional items for the period ended December 31, 2021 includes:
- (a) Provision of Rs. 7,500.00 lakhs in respect of PF Trust in September 2021 quarter (also refer note 3 above).
 - (b) Fair value gains of Rs. 437.58 lakhs arising in respect of previously held equity stake in TRPL, consequent to TRPL becoming a subsidiary in June 2021 quarter.
 - (c) Write off of Rs. 180.25 lakhs towards old TDS receivables of prior years, basis reconciliation done by the management in June 2021 quarter.
- 7 On December 2, 2021, the company has entered into a sale agreement with a third party, for sale of 100% equity stake in IIJT Education Private Limited ('IIJT') at an agreed consideration of Rs. 470 lakhs. Accordingly, IIJT ceases to be a subsidiary of the Company w.e.f. December 2, 2021.
- 8 Changes in group structure due to investments/ acquisitions during the previous quarter/ year are as under:
- (a) TeamLease Regtech Private Limited (TRPL), erstwhile Joint venture, has been accounted as a 61.50% subsidiary effective from April 03, 2021.
 - (b) TeamLease Edtech Limited (TLEL), erstwhile associate company, has been accounted as a 78.43% subsidiary effective from September 09, 2020.
 - (c) IIJT Education Private Limited ceased to be subsidiary w.e.f. December 02, 2021.

Accordingly the unaudited consolidated financial results for the quarter ended December 31, 2021 may not be exactly comparable with prior periods.

Further, it includes the unaudited financial results of subsidiaries TeamLease HRTech Private Limited (formerly known as TeamLease E-Hire Private Limited), TDPL(merged entity), Keystone Business Solutions Private Limited, TeamLease Education Foundation, I.M.S.I. Staffing Private Limited.

- 9 On recommendation of the Nomination and Remuneration Committee, the Board in its meeting held on June 9, 2021, approved the grant of 89,150 stock options appreciation rights to eligible employees under Employee Stock Appreciation Rights Plan 2019 ("the ESAR Scheme"). The grant date of these stock options is July 01, 2021. The stock options would vest after a period of five years.

Further, no stock options have been granted, forfeited or exercised under TeamLease Employees Stock Option Plan 2015, during the current quarter.

- 10 The group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investments. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the group, as at the date of approval of these financial results has used internal and external sources of information including credit reports and related information and economic forecasts. Basis such evaluation, the management does not expect any adverse impact on its future cash flows and shall be able to continue as a going concern and meet its obligations as and when they fall due. The impact of COVID-19 on the group's financial results may differ from that estimated as at the date of approval of these financial results. The group will continue to monitor future economic conditions for any significant change.

TeamLease Services Limited**

1. We have reviewed the accompanying statement of unaudited standalone Ind AS financial results of TeamLease Services Limited (the "Company") for the quarter ended December 31, 2021 and year to date from April 1, 2021 to December 31, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Statement of unaudited standalone financial results for the quarter and nine months ended December 31, 2021

3 The Company has its own Provident Fund Trust i.e. "TeamLease Services Ltd. Employees Provident Fund Trust" ("PF Trust") through which it manages provident fund liability for its employees. Accordingly, the PF Trust is considered as a defined benefit plan. The Company is responsible for meeting the shortfall in the value of the assets of the PF Trust, if any, in meeting its obligations, to settle PF dues of the employees.

As at March 31, 2021 and June 30, 2021, the aggregate fair value of the investments held by the PF Trust (including unrealised MTM gains) was adequate to settle the PF liabilities at those dates. The PF Trust's investments included investments of Rs. 17,220 lakhs in two non-banking financial companies ('NBFCs' i.e. DHFL and IL&FS) with maturities between FY 2020-21 to FY 2025-27 which were under severe liquidity stress and undergoing insolvency proceedings. Notwithstanding the uncertainties relating to recoverability of these investments, management was reasonably confident that the PF Trust would be able to realise sufficient gains on other equity / bond investments of the PF Trust over a long-term tenure to mitigate the impact of any likely losses that might arise from investments in these NBFCs and hence no liability would eventually devolve on the Company.

However, during the quarter ended September 30, 2021, investment in one of the NBFC was realised through NCLAT proceedings and the PF Trust recovered Rs. 5,458 lakhs resulting into a realised loss of Rs. 5,894 lakhs on such investments.

Basis such recoveries, the management has also estimated additional loss of Rs. 1,006 lakhs, that may arise on realisation of the investments in other NBFC, which is still pending resolution / settlement, on a prudent basis, without considering impact of any future anticipated gains on the overall investment portfolio of the PF Trust.

4 During the quarter ended June 30, 2021, the Company entered into a definitive agreement and acquired additional equity stake of 14.96% in TeamLease Regtech Private Limited ('TRPL') (formerly known as Avantis Regtech Private Limited) at an agreed consideration of Rs. 538.46 lakhs, thereby increasing the total stake in TRPL to 59.71% on fully diluted basis. Accordingly, TRPL has been accounted as a subsidiary with effect from April 03, 2021. During the quarter ended, September 30, 2021, the Company subscribed to 7,117 equity shares via rights issue for total value of Rs. 136.87 lakhs. During the current quarter, the Company has further subscribed to 9,029 equity shares via rights issue for Rs. 173.65 lakhs, thereby increasing the total stake in TRPL to 61.50% as on date.

5 Exceptional items for the period ended December 31, 2021 includes:

- (a) Provision of Rs. 7,500.00 lakhs in respect of PF Trust in in September 2021 quarter (also refer note 3 above).
- (b) Write off of Rs. 180.25 lakhs towards old TDS receivables of prior years, basis reconciliation done by the management in June 2021 quarter.

6 On recommendation of the Nomination and Remuneration Committee, the Board in its meeting held on June 9, 2021, approved the grant of 89,150 stock options appreciation rights to eligible employees under Employee Stock Appreciation Rights Plan 2019 ("the ESAR Scheme"). The grant date of these stock options is July 01, 2021. The stock options would vest after a period of five years.

Further, no stock options have been granted, forfeited or exercised under TeamLease Employees Stock Option Plan 2015, during the current quarter.

7 The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investments. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources of information including credit reports and related information and economic forecasts. Basis such evaluation, the management does not expect any adverse impact on its future cash flows and shall be able to continue as a going concern and meet its obligations as and when they fall due. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results. The Company will continue to monitor future economic conditions for any significant change.

8 On December 2, 2021, the company has entered into a sale agreement with a third party, for sale of 100% equity stake in IIJT Education Private Limited ('IIJT') at an agreed consideration of Rs. 470 lakhs. Accordingly, IIJT ceases to be a subsidiary of the Company w.e.f. December 2, 2021.

9 The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/ interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect, including amounts recoverable from its customers and will record any related impact in the period when the Code becomes effective.

10 The figures of the previous periods have been regrouped/ reclassified, wherever necessary.

11 The above standalone financial results of the Company are available on the Company's website (www.teamleasegroup.com) and also on the website of BSE (www.bseindia.com) and NSE (www.nseindia.com), where the shares of the Company are listed.
