**Notes:**

- 1) The above results were reviewed and approved by the Audit Committee and approved by the Board Directors at their respective meetings held on 12th November, 2019.
  - 2) The Statutory Auditors have carried out Limited Review of above financial results for the quarter / halfyear ended September 30, 2019.
  - 3) The Corresponding Cash Flow statement for the period ended 30th September 2018 is approved by the Board of Directors and are not subjected to limited Review.
  - 4) The financial results comprise the combined operations of the Company relating to Fertilizer, Micro Irrigation and Agri Services businesses. The financial results of Micro Irrigation and Agri Services being below the reportable thresholds, and since they do not have similar economic characteristics and do not share any of the aggregation criteria, are neither disclosed as separate segments nor are combined as "all other segments" for the purposes of disclosures under Ind AS 108 - Operating Segments.
  - 5) Due to inadequate working capital and financial stress, Company had approached lenders for Resolution plan which amongst other terms include infusion of equity. In the meantime, the lenders have permitted 'Holding on Operations' (HOO) from December 2018 till July, 2019 which has facilitated operating one Urea Plant from December 2018. The Company had requested for extension of HOO till October 31, 2019 and further till January 31, 2020, and lenders approval is awaited. The Company is in discussions with lenders and investors for early completion of Resolution plan which will facilitate restart of second plant. The Management is hopeful of positive outcome of Resolution process and accordingly the results have been drawn up on a going concern basis.
  - 6) In relation to some of the contracts, international Arbitration Awards have been passed against the Company
    - (i) in September 2016 for USD 14,398,188 and GBP 690,630 and interest as applicable apart from costs based on a claim filed by one of the Suppliers of Fertilizers to the Company. The Company is of the view that the Award has been obtained based on documents tampered with and mis-representations of facts by said supplier. The Company has been legally advised that the award is not maintainable and has also filed a Criminal Complaint before the Metropolitan Magistrate of Hyderabad against the supplier and its officials.
    - (ii) in October 2017, for USD 877,500, EUR 455,000 and INR 221.39 Lakhs and interest as applicable apart from costs based on a claim filed by one of the Vendors based on the work orders issued for proposed Project -Plant 3. The Company is of the view that as per the contract entered, the amounts are payable only upon (a) the announcement of a fertilizer policy and (b) that the fertilizer policy being found favourable for the Project of the Company. Since the policy announced by the Government of India was not favourable / conducive for the project, the Company could not proceed further and hence the said award is not maintainable.
- While the Company is contesting the enforcement of the Awards in the Courts in India a sum of Rs. 557 lakhs have been provided for in the books in FY 2018-19 in respect of matter stated in para 6 (ii) above. Further, since the matter being sub-judice, the said claims have been treated as contingent liability.
- 7) Government of India announced New Urea Policy (NUP)-2015 and Gas Pooling Policy for Fertilizer (Urea) Sector which are effective from June 1, 2015 to 31st Mar 2019. Government of India extended the NUP -2015 from 1st April, 2019 until further orders. Income from Urea Operations has been accounted in accordance with the said policies. Income towards freight subsidy, Reimbursement claims towards additional fixed cost, Input escalation / de-escalation, have been accounted during the quarter in terms of the said policies based on prescribed norms, provisional pricing and Management estimates. Adjustments, if any, required will be considered on notification of final prices.
  - 8) The Company has reviewed the requirements of IND AS 116 in respect of its lease arrangements entered into prior to application of the standard. The Company is of the view that all the leases are having a residual period of 12 months or less on the date of application of the said standard and hence no adjustments are required to be made in the accounts.
  - 9) The figures for the corresponding previous periods have been regrouped, wherever necessary, to make them comparable.

**Independent Auditor's Report on Review of the Interim Standalone Ind AS Financial results  
To the Board of Directors  
Nagarjuna Fertilizers and Chemicals Limited**

1. We have reviewed the accompanying statement of Unaudited Standalone Ind AS Financial Results of **Nagarjuna Fertilizers and Chemicals Limited**("the company") for the Quarter ended 30<sup>th</sup>September,2019 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation'), read with SEBI Circular No. CIR/CFD/CMD1/80 /2019 dated July19, 2019 ('the Circular).

This statement is the responsibility of the Company's management, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant Rules issued there under and other accounting principles generally accepted in India and has been approved by its Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is drawn to Note 3 of the Statement which states that the Standalone Statement of Cash flows for the corresponding six months ended September 30, 2018, as reported in the accompanying Statement have been approved by the Company's Board of Directors, but have not been subjected to review.

3. **Emphasis of Matter**

We draw attention to the following notes to the Statement

- a) Note 4 of the Statement regarding inadequate working capital and financial stress, and the consideration by lenders of a Long Term Resolution Plan. The Company during the quarter ended September 30, 2019, has incurred losses and, was unable to discharge its obligations for repayment of Loans and other financial liabilities including statutory liabilities due to continued losses.

The ability of the Company to continue as going concern is solely dependent on the approval of resolution plan.

The financial results of the Company for the quarter have been prepared by the management on a going concern basis in view of the reasons mentioned in the said note notwithstanding the continued losses and inability to discharge financial liabilities.

- b) Note 5 of the Statement regarding Arbitration awards passed against the Company for USD 15,275,688 and GBP 690,630, EUR 455,000 and INR 221.39 Lakhs and interest thereon as applicable in relation to contracts; the impact of which has not been recognised in the Financial Results, for reasons stated in the said note;
- c) Note 6 of the Statement regarding Income from urea operations including reimbursement claims for additional fixed cost, input escalation/de-escalation, freight subsidy and for production beyond reassessed capacity being accounted as per New Urea Policy 2015, pending notification of final prices and consequential adjustments, if any that may arise.

Our conclusion is not modified in respect of the above matters.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards and other recognized accounting principles and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.
