INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF GTPL HATHWAY LIMITED

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **GTPL HATHWAY LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its associate and joint ventures for the quarter ended June 30, 2022 ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the Parent, Subsidiaries, Associate and Joint ventures as given in the Annexure to this Report.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. (a) We draw attention to Note 5 to the Consolidated Financial Results which describes in detail the status of the demand from DOT in connection with the levy of license fee aggregating to Rs. 9,754.15 million on the Parent. Basis its assessment of the recent developments and legal position on the matter as well as based on the opinion of legal experts, the Company is confident that it has good grounds on merit to defend itself in this matter. Accordingly, no provision has been recognized in respect of the aforesaid matter in the financial results and the same has been considered as a contingent liability.

(b) We draw attention to Note 6 of the Consolidated Financial Results which describes the status of ongoing litigation between Internet Service Providers and Department of Telecommunications in connection with the levy of license fee on pure internet services in case of GTPL Broadband Private Limited a subsidiary of the Parent.

Our conclusion is not modified in respect of the above matters.

7. We did not review the interim financial information of 45 subsidiaries included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of Rs. 1734.90 million for the quarter ended June 30, 2022, total net profit after tax of Rs. 93.02 million for the quarter ended June 30, 2022 and total comprehensive Income of Rs. 94.02 million for the quarter ended June 30, 2022, as considered in the Statement. The consolidated unaudited financial results also includes the Group's share of profit after tax of Rs. 0.19 million and total comprehensive income of Rs. 0.19 million for the quarter ended June 30, 2022, as considered in the Statement in respect of one associate and 22 joint ventures whose interim results have not been reviewed by us. These interim results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associate and joint ventures , is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Notes to Results

- 1 The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 14, 2022 and have been reviewed by the statutory auditors of the Company.
- 2 Previous year, On account of fire at the warehouse on January 11, 2019, GTPL Broadband Private Limited ("GTPL Broadband") had accounted for insurance receivables of Rs. 123.88 million during the year ended March 31, 2019. During the year ended March 31, 2022, the insurance company has communicated to GTPL Broadband that the claim is not admissible. GTPL Broadband is in process of filing legal suit and as per available documents with GTPL Broadband, there are fair chances of recovery. However, on principles of prudence, GTPL Broadband had charged off insurance receivable as an exceptional item.
- 3 Previous year, GTPL Broadband Private Limited ("GTPL Broadband") has elected to exercise the option permitted under Section 115BAA of the Income Tax Act, 1961. Accordingly, GTPL Broadband has recognized the provision for income tax for the year ended March 31, 2022 and re-measured its deferred tax basis the rate prescribed in the said section.
- 4 The Company had 25.00% stake in equity share capital of GTPL Rajwadi Network Private Limited upto March 31, 2022 and has further acquired 47.00% on April 01, 2022 at Rs.585/- per share having face value of Rs.10/- each. From April 01, 2022, the investee is considered to be a subsidiary of the Company. As per Ind AS 103, purchase consideration has been allocated on a provisional basis, pending determination of the final fair value of the assets and liabilities acquired.
- 5 The Department of Telecommunications, Ministry of Communications, Government of India ("DoT") has raised demand of Rs 9,754.15 Million on the Company consisting of Principal amount of Rs. 2,286.50 Million and interest, penalty and interest on penalty (as of July 31, 2020) of Rs 7,467.65 Million towards license fee by including the revenue generated from its cable television business.

These demands are mainly based on Hon'ble Supreme Court's Judgment in the matter of Union of India v/s AUSPI & Ors. bearing C.A. Nos.6328 – 6399 on AGR dues from telecom operators ("AGR Judgment"). Subsequently, vide order dated June 11 and June 18, 2020, the Supreme Court clarified that the AGR judgement pertaining to telecom companies could not have been basis for raising demands in the non-telecom PSUs and accordingly DoT withdrew the demands on the non-telecom PSUs. The Company, in line with the observations made by the Supreme Court has made representations to DoT against said demands, which DoT has taken on record.

Further, the Ministry of Information & Broadcasting has in February 2021 written to DoT that it grants permission to MSOs for cable tv operations and does not levy and license fee on the revenue, and hence the revenues earned by MSO from cable tv business may not be clubbed with the revenue earned by them under ISP license. Additionally, TDSAT in February 2022 set aside the demands raised by DoT in matter relating to another ISP license holder by treating them at par with some PSUs who held similar license. Also, All India Digital Cable Federation for all its member companies has filed an intervention petition in TDSAT in the matter of Asianet Satellite Communications Private Limited versus Union of India bearing TP No. 54 of 2020 challenging the demands raised on such member companies (the Company being a member too) by including its non-licensed income for computation of license fees.

Based its assessment of the legal position as stated above and based on the opinion of legal experts, the Company is confident that it has good grounds on merit to defend itself. Accordingly, the Company is of the view that no provision is necessary to be made in the financial results in relation to the demands and the same has been considered as contingent liability.

- 6 GTPL Broadband Private Limited (GBPL), has been granted Unified License from Department of Telecommunication ("DoT"), under which GBPL is required to pay annual license fee at the rate of 8% of the adjusted gross revenue ("AGR"). The definition of "Gross Revenue" under the ISP license issued prior to 2013 excluded revenue from Pure Internet Services ("PIS"). However, the Unified License introduced in 2013 removed the exclusion / exemption granted to revenue from PIS without following the due process of law as required under Section 11(1) of the TRAI Act. This discrimination was challenged by the Internet Service Providers Association of India ("ISPAI") before the Telecom Disputes Settlement and Appellate Tribunal ("TDSAT") in Telecom Petition No. 169 of 2014 and GBPL vide another petition alleging disparity and non-level playing field among similarly placed license holders. The TDSAT passed an order dated 18.10.2019 ("ISPAI judgment") holding the clause to be discriminatory and contrary to the concept of a level playing field and also stated that the decision of DoT to remove the exclusion / exemption granted to ISPs was not in conformity with the requirements of fairness and transparency inherent in Section 11(1) of the TRAI Act. Accordingly, all demands by DoT upon Unified Licensees on the basis of revenue from PIS were quashed and none of the unified license holders are required to pay license fees on PIS. The said TDSAT order has been challenged by DoT and a civil appeal is pending before Hon'ble Supreme Court. Additionally, TDSAT, following ISPAI judgement, has also allowed the petition filed by GBPL challenging inclusion of PIS for computation of AGR and set aside the letter of DOT seeking inclusion of revenue from PIS for computation of AGR. This judgement has not been challenged before the Hon'ble Supreme Court of India.

On March 31, 2021, DOT through amendment dated 31.03.2021 ("DoT Amendment") amended the definition of AGR for ISP Licenses granted under the old regime, thereby including the revenue from PIS as part of AGR for calculating licenses fee payable by ISP Licenses. The said DoT Amendment has been stayed by the TDSAT in relation to cases filed by the licenses holders of the old regime.

Considering the nature of above disputes / litigations, it is difficult to reliably ascertain the amount or timing of outflow.

Notes to results

- 1 The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 14, 2022 and have been reviewed by the statutory auditors of the Company.
- 2 The Department of Telecommunications, Ministry of Communications, Government of India ("DoT") has raised demand of Rs 9,754.15 Million on the Company consisting of Principal amount of Rs. 2,286.50 Million and interest, penalty and interest on penalty (as of July 31, 2020) of Rs 7,467.65 Million towards license fee by including the revenue generated from its cable television business.

These demands are mainly based on Hon'ble Supreme Court's Judgment in the matter of Union of India v/s AUSPI & Ors. bearing C.A. Nos.6328 – 6399 on AGR dues from telecom operators ("AGR Judgment"). Subsequently, vide order dated June 11 and June 18, 2020, the Supreme Court clarified that the AGR judgement pertaining to telecom companies could not have been basis for raising demands in the non-telecom PSUs and accordingly DoT withdrew the demands on the non-telecom PSUs. The Company, in line with the observations made by the Supreme Court has made representations to DoT against said demands, which DoT has taken on record.

Further, the Ministry of Information & Broadcasting has in February 2021 written to DoT that it grants permission to MSOs for cable tv operations and does not levy and license fee on the revenue, and hence the revenues earned by MSO from cable tv business may not be clubbed with the revenue earned by them under ISP license. Additionally, TDSAT in February 2022 set aside the demands raised by DoT in matter relating to another ISP license holder by treating them at par with some PSUs who held similar license. Also, All India Digital Cable Federation for all its member companies has filed an intervention petition in TDSAT in the matter of Asianet Satellite Communications Private Limited versus Union of India bearing TP No. 54 of 2020 challenging the demands raised on such member companies (the Company being a member too) by including its non-licensed income for computation of license fees.

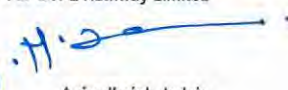

Basis its assessment of the legal position as stated above and based on the opinion of legal experts, the Company is confident that it has good grounds on merit to defend itself. Accordingly, the Company is of the view that no provision is necessary to be made in the financial results in relation to the demands and the same has been considered as a contingent liability.
