Independent Auditor's Report on Consolidated Financial Results of Aster DM Healthcare Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

The Board of Directors of Aster DM Healthcare Limited

1. We have audited the consolidated annual financial results of Aster DM Healthcare Limited ('the Company') and its subsidiaries (collectively referred to as 'the Group') and its associates for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures up to the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit.
2. These consolidated annual financial results have been prepared from the consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.
3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
4. (i) We did not audit the financial statements of 46 subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of Rs 9,687.92 crore as at 31 March 2019 (Rs 5,893.99 crore after giving effect to consolidation adjustments) as well as total revenues of Rs 7,882.30 crore (Rs 7,195.01 after giving effect to consolidation adjustments) for the year ended 31 March 2019. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors.

- (a) Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries ('local GAAP'). The Company's management has converted the financial statements of such subsidiaries from local GAAP to accounting principles generally accepted in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the consolidated annual financial statements under the generally accepted accounting principles in India. The reporting packages made for this purpose have been audited by the other auditors and the audit reports of those other auditors have been furnished to us. Our opinion in so far as it relates to the balances and affairs of such subsidiaries is based on the report of such other auditors.
- (b) Further, for certain other subsidiaries located outside India, the financial statements and other financial information have been prepared in accordance with local GAAP which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial statements of such subsidiaries from local GAAP to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and audited by us.
- (ii) The financial statements/ financial information of 19 subsidiaries, whose annual financial statements reflect total assets of Rs 226.56 crore as at 31 March 2019 (Rs 116.98 crore after giving effect to consolidation adjustments) as well as total revenues of Rs 45.25 crore (Rs 38.44 crore after giving effect to consolidation adjustments), as considered in the consolidated annual financial results, have not been audited either by us or by other auditors. The consolidated annual financial results also include the Group's share of net loss (and other comprehensive income) of Rs 0.25 crore for the year ended 31 March 2019 in respect of 5 associates, whose financial statements/ financial information have not been audited by us or by other auditors.
