Attention is drawn to the fact that the figures for the quarter ended 31st March 2019 as reported in these consolidated financial results, are the balancing figures between audited consolidated figures in respect of the full financial year and the published consolidated year to date figures up to the end of the third quarter of the financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These consolidated financial results are based on the consolidated financial statements for the year ended 31st March 2019 prepared in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 (the 'Act') and published consolidated year to date figures up to the end of the third quarter of the financial year prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, Interim Financial Reporting, specified under Section 133 of the Act, and SEBI Circular CIR/CFD/FAC/62/2016 dated 5th July 2016, which are the responsibility of the Holding Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the consolidated financial statements for the year ended 31st March 2019 and our review of consolidated financial results for the nine months period ended 31st December 2018.
- We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
