However, the effect of enhancement of License Fee for the period from 27.11.2021 to 31.12.2021 has not been ascertained & recognized on account of increase in catering tariff as per the CC-60 of 2019 issued by the Railway Board, since due to Pandemic, the sales assessment by the Company is pending.
- In respect of PPP plants of Railneer, the management has decided that compensation in lieu of the commitment of minimum assured level of sales shall not be payable to the operators. But 6 certain DCOs have not accepted the decision of the Company and the financial implication calculated net of License Fee waived off works out to ₹ 221.52 lakhs upto 31st March, 2021 and ₹ 156.26 lakhs for the nine months ended 31st December, 2021 which have not been provided in the books of accounts.

No provision has been made for charges for use of PRS of Indian Railways by the Company for Tejas Trains for the year ended 31st March, 2021 and for the nine months ended 31st December, 7 8

INDEPENDENT AUDITOR'S REVIEW REPORT ON UNAUDITED STANDALONE FINANCIAL STATEMENTS

To the Board of Directors of Indian Railways Catering and Tourism Corporation Limited New Delhi

- We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Indian Railways Catering and Tourism Corporation Limited (the "Company") for the quarter ended December 31, 2021, (the "Statement") being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as stated in paragraph 3 above, except as stated in Para 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement read with the Notes thereon, prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Ind As 34 and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. We draw attention to:
 - (i) Note No.4 regarding representation made to the Railway Board for waiver of fixed haulage and custody charges for non-operational period of three trains amounting to Rs.2,793 Lakhs till March 31, 2021 wherein the response is still awaited. However, the Company has made provision for the above amount in the books of account as on March 31,2021.
 - (ii) Note No.5 regarding: (a) treatment of catering contracts awarded prior to March 22, 2020 as Zero period due to pandemic which resulted in neither recognition of income nor accrual of Railways share payable till November 26, 2021 and (b) pending sale-assessment by the Company, enhancement of license fee w.e.f. 27.11.2021 has not been ascertained & recognised in the financial results.
 - (iii) Note No. 6 regarding waiver sought for shortfall compensation not accepted by certain operators of PPP Railneer plants amounting to Rs.156.26 Lakhs for 9 months period ended December 31, 2021 (Rs.221.52 Lakhs till March 31, 2021).

- (iv) Note No. 7 regarding non-provision of charges till December 31, 2021 for use of IR PRS for online ticketing by the Company for running 2 private trains as the terms are yet to be agreed with the party.
- (v) Railways share of 15% on the revenue earned, from supply of food from base kitchens which are in the nature of departmentally managed units operated by the Company, of Rs.296 Lakhs for the financial year ended March 31, 2020 was not charged to revenue. Further, pending clarification from the Railways, share on trains operated under partial unbundling model in previous financial years amounting to Rs.1,849 Lakhs was also not charged to revenue.
- (vi) Non-refundable Integration Charges received from the booking agents have been recognized over the initial contract period of one to three years whereas, in our opinion, these integration charges shall be recognized revenue over the contract period (estimated based on past trend of contract life) rather than accruing the entire amount in the initial period of the contract. The impact of the same on the period under review could not be quantified.
- (vii) GST liabilities and input credit balances are subject to reconciliation with the GST returns filed.
- (viii) Financial impact is yet to be ascertained by the Company of: (i) large number of legacy debit & credit balances including those pertaining to the period of transfer of operations from / to the Railways which are pending for confirmation & reconciliation, (ii) reconciliation issues between transactions executed through 3rd party applications / portals and (iii) transaction by transaction matching of certain bank accounts at internet ticketing.
