Independent Auditor's Review Report on Unaudited Consolidated Quarterly Financial Results pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Antony Waste Handling Cell Limited

1. We have reviewed the accompanying statement of consolidated unaudited financial results ('the Statement') of **Antony Waste Handling Cell Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended **30 June 2022**, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

Antony Waste Handling Cell Limited
Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

4. As explained in Note 4 to the accompanying Statement, the Holding Company's non-current trade receivables as at 30 June 2022 include certain long outstanding receivables aggregating ₹ 805.13 lakhs due from various municipal corporations, which are under dispute but considered good and recoverable by the management. However, in the absence of sufficient appropriate audit evidence to corroborate the management's assessment of recoverability of these balances, we are unable to comment on adjustments, if any, that may be required to be made to the carrying amounts of such receivables as at 30 June 2022 and the consequential impact, on the accompanying Statement. Our audit report dated 26 May 2022 on the consolidated financial statements for the year ended 31 March 2022 and review report dated 11 August 2021 on the consolidated financial results for the quarter ended 30 June 2021 were also qualified in respect of this matter.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to:
- i) **COVID 19 pandemic outbreak**

Note 7 to the accompanying Statement, with respect to the COVID-19 pandemic outbreak and management's evaluation of its impact on the Group and on the accompanying Statement for the quarter ended 30 June 2022.
 - ii) Note 5 to the accompanying Statement, regarding uncertainty relating to recoverability of current trade receivables and other current financial assets aggregating to ₹ 733.03 lakhs and ₹ 4,800.76 lakhs respectively as at 30 June 2022, which represents various amounts and claims recoverable from a municipal corporation which are overdue for substantial period of time and are currently under review with the municipal corporation. Based on the legal opinion obtained by the management and past experience with respect to similar claims, management is of the view that the aforementioned balances are fully recoverable.
 - iii) Note 6 to the accompanying Statement, regarding uncertainty relating to recoverability of current trade receivables aggregating ₹ 2,353.66 lakhs as at 30 June 2022, which represents amounts recoverable from a municipal corporation which are overdue for substantial period of time. Based on the assessment by the management and past experience, management is of the view that the aforementioned balances are fully recoverable.

Our conclusion is not modified in respect of above matters.

The Group has considered the possible effects that may result from the pandemic on the carrying amounts of assets and liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions, the Group, as at the date of approval of these financial results has used internal and external sources of information on the expected future performance of the Group. The eventual outcome of impact of COVID-19 on the Group's financial results may be different from those estimated as at the date of approval of these financial results depending on how long the pandemic lasts and time period taken for the economic activities to return to normalcy.
- 8 The financial results does not include financial results of Mazaya Waste Management LLC, a joint venture, due to non availability of financial results for the respective periods. 2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

However, in absence of sufficient appropriate evidence to corroborate the management's assessment of recoverability of these balances, we are unable to comment on adjustments, if any, that may be required to be made to the carrying amounts of such receivables as at 30 June 2022 and the consequential impact, on the accompanying Statement. Our audit report dated 26 May 2022 on the standalone financial statements for the year ended 31 March 2022 and review report dated 11 August 2021 on the standalone financial results for the quarter ended 30 June 2021 were also qualified in respect of this matter.

5. Based on our review conducted as above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to:
