Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Antony Waste Handling Cell Limited

- 1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Antony Waste Handling Cell Limited ('the Company') for the quarter ended 31 December 2020 and the year to date results for the period 01 April 2020 to 31 December 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), read with the National Stock Exchange of India ('the NSE') letter dated 31 December 2020, including relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the figures for the preceding quarter ended 30 September 2020 and corresponding quarter and year-to-date period ended 31 December 2019 have been approved by the Company's Board of Directors, but have not been subjected to audit or review.
- 2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. As explained in Note 5 to the accompanying Statement, the Company's non-current trade receivables as at 31 December 2020 include certain long outstanding receivables aggregating ₹ 805.13 lakhs due from various municipal corporations, which are under dispute but considered good and recoverable by the management. However, in absence of sufficient appropriate evidence to corroborate the management's assessment of recoverability of these balances, we are unable to comment on adjustments, if any, that may be required to be made to the carrying amounts of such receivables as at 31 December 2020 and the consequential impact, on the accompanying Statement. Our opinion on the standalone financial statements for the year ended 31 March 2020 was also qualified in respect of this matter.

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

5. Based on our review conducted as above, except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to:

- i. Note 6 to the accompanying Statement, regarding uncertainty relating to recoverability of current trade receivables and other current financial assets aggregating ₹ 1,603.20 lakhs and ₹ 3,975.12 lakhs respectively as at 31 December 2020, which represents various amounts and claims recoverable from a municipal corporation which are overdue for substantial period of time and are currently under review with the municipal corporation. Based on the legal opinion obtained by the management and past experience with respect to similar claims, management is of the view that the aforementioned balances are fully recoverable.
- ii. Note 8 to the accompanying Statement, which describes the uncertainties relating to COVID-19 pandemic outbreak on the operations of the Company and management evaluation of its impact on the accompanying Statement as at the reporting date, the extent of which is significantly dependent on future developments.

Our conclusion is not modified in respect of the above matters.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Antony Waste Handling Cell Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Antony Waste Handling Cell Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended 31 December 2020 and the consolidated year to date results for the period 01 April 2020 to 31 December 2020, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), read with National Stock Exchange of India ('the NSE') letter dated 31 December 2020, including relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the consolidated figures for the preceding quarter 30 September 2020 and corresponding quarter ended 31 December 2019 and the corresponding period from 01 April 2019 to 31 December 2019 as reported in the Statement have been approved by the Holding Company's Board of Directors but have not been subjected to audit or review.
- 2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

- 4. As explained in Note 5 to the accompanying Statement, the Holding Company's non-current trade receivables as at 31 December 2020 include certain long outstanding receivables aggregating ₹ 805.13 lakhs due from various municipal corporations, which are under dispute but considered good and recoverable by the management. However, in the absence of sufficient appropriate evidence to corroborate the management's assessment of recoverability of these balances, we are unable to comment on adjustments, if any, that may be required to be made to the carrying amounts of such receivables as at 31 December 2020 and the consequential impact, on the accompanying Statement. Our opinion on the consolidated financial statements for the year ended 31 March 2020 was also qualified in respect of this matter.
- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above except for the possible effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to:

- i. Note 6 to the accompanying Statement, regarding uncertainty relating to recoverability of current trade receivables and other current financial assets aggregating ₹ 1,603.20 lakhs and ₹ 3,975.12 lakhs respectively as at 31 December 2020, which represents various amounts and claims recoverable from a municipal corporation which are overdue for substantial period of time and are currently under review with the municipal corporation. Based on the legal opinion obtained by the management and past experience with respect to similar claims, management is of the view that the aforementioned balances are fully recoverable.
- ii. Note 7 to the accompanying Statement, which describes the uncertainties relating to COVID-19 pandemic outbreak on the operations of the Group and management's evaluation of its impact on the accompanying Statement as at the reporting date, the extent of which is significantly dependent on future developments.

Our conclusion is not modified in respect of the above matters.
