7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

4. Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial results/financial information/financial statements of the entities within the Group and its associates, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
9. We communicate with those charged with governance of the Holding Company and such other entities included in the Statement, of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our business team continue to work closely with customers to ensure that the increase in input cost is passed on quickly and our supply chain team ensures the uninterrupted supplies and timely deliveries.

Due to advancement in our new product pipelines & CDMO projects, we are pleased to revise our investment plan for growth projects to Rs. 2050 Crore, out of this we have already committed investment in projects worth Rs. 800 Crore till date and now we plan to invest about Rs. 1,250 Crore. to be committed between FY'23 & FY'24. Chairmen's Message on Q4'FY22 Financial Results

Mr. Shyam S Bhartia
Chairman

Mr. Hari S Bhartia
Co-Chairman

"We are pleased to announce that we delivered record financial performance during FY'2022 despite facing severe second wave of pandemic at beginning of the year and then headwinds and volatility in key input raw material and energy prices since last three quarters. We also maintained steady growth in Q4'FY22.

*In our **Specialty Chemicals segment** we delivered strong growth led by healthy demand across industry segment. We are also pleased to share that we successfully commissioned Phase-1 of Diketene and Derivatives manufacturing unit at our Gajraula facility. In **Nutrition & Health Solution** we improved our profitability due to higher price realization and improved volume in North America. In **Chemical Intermediates Segment**, we continued the higher sales with Pharmaceutical and Agrochemical customers and recorded healthy growth in the EU. Though profitability of the Acetyls business during Q4 was impacted due to sharp and consistent correction in Acetic Acid prices impacting our inventory, the overall impact of Acetic Acid price on profitability for full year FY'22 was not significant. Our business team continue to work closely with customers to ensure that the increase in input cost is passed on quickly and our supply chain team ensures the uninterrupted supplies and timely deliveries.*

Due to advancement in our new product pipelines & CDMO projects, we are pleased to revise our investment plan for growth projects to Rs. 2050 Crore, out of this we have already committed investment in projects worth Rs. 800 Crore till date and now we plan to invest about Rs.1,250 Cr. to be committed between FY'23 & FY'24. These investments will be funded through internal accruals and all these new facilities should be ready for operations by FY'25.

We are also glad to share that the Board has recommended a final dividend of 250% i.e. Rs 2.5 per equity share of face value of Re 1 each for the FY'22. This shall result in cash outflow of Rs 39.8 Crore. During the year company has already declared an interim dividend of 250% i.e. Rs. 2.5 per equity share of Rs 1 each and the total dividend for FY'22 works out to be 500% i.e Rs 5.0 Per equity share of Rs 1 each amounting to Rs 79.6 Crore of Cash outflow.

We remain fully committed towards the growth aspirations envisioned for the company, and are excited to realise the emerging opportunities going forward in our business segments".
