Independent Auditor's Review Report on the Quarterly Unaudited Consolidated Financial Results of the Shyam Metalics and Energy Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors Shyam Metalics and Energy Limited

- We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Shyam Metalics and Energy Limited (the "Parent Company") and its subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group"), its associate and joint ventures for the quarter ended June 30,2022 (the "Statement") attached herewith, being submitted by the Parent Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. The Parent Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Parent Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

- 4. The Statement includes the results of the entities mentioned in Annexure 1.
- 5. We draw attention to Note 3 to the Consolidated Financial Statement for the quarter ended June 2022, which state that the group has completed acquisition of a company but there are pending litigations due to which the said company has not been consolidated. As stated in the said note, there is no material impact due to non-inclusion of the financial results of the said company in the Statement.

Our conclusion is not modified in respect of this matter.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information

required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 7. We did not review the interim financial statements of:
 - 9 step down subsidiaries, whose unaudited interim financial results and other unaudited financial information include total revenues of ₹ 0.52 crores, total net profit after tax of ₹ (3.06) crores and total comprehensive income of ₹ (3.06) crores for the quarter ended June 30, 2022, as considered in the Statement.
