Independent Auditor's Review Report on the Quarterly Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
TVS Supply Chain Solutions Limited

- 1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of TVS Supply Chain Solutions Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and joint venture for the quarter ended June 30, 2023 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

- 4. The Statement includes the results of the entities listed in Annexure 1.
- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 6. The accompanying Statement includes the interim reviewed financial results in respect of:
 - 5 subsidiaries (including 28 step subsidiaries), whose unaudited interim financial results include total revenues of Rs 560.87 Crores, total net loss after tax of 15.08 Crores and total comprehensive loss of Rs.14.28 Crores for the quarter ended June 30, 2023, as considered in the Statement which have been reviewed by their respective independent auditors.
 - 1 joint venture, whose unaudited interim financial results include Group's share of net profit
 of Rs. 0.80 Crores for the quarter ended June 30, 2023, as considered in the Statement whose
 interim financial results, other financial information have been reviewed by their independent
 auditor.

The independent auditor's reports on interim financial results of these entities have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries and joint venture are based solely on the report of such auditors and procedures performed by us as stated in paragraph 3 above.

7. Certain of these subsidiaries are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion on the Statement in respect of matters stated in paragraphs 6 and 7 above is not modified with respect to our reliance on the work done and the reports of the other auditors.

 The Statement includes the results for the quarter ended June 30, 2022, which have not been subjected to audit or review by us or any other auditor and are approved by the Holding Company's Board of Directors.

Press release

Strong momentum in Integrated Supply Chain Solutions segment highlights TVS SCS Q1 FY24

Adjusted EBITDA Margins expand with Q1 FY24 Adjusted EBITDA of 179.4 Crores

Chennai, 11th **September, 2023**: TVS Supply Chain Solutions Limited (NSE: TVSSCS BSE: 543965), a global supply chain solutions provider and one of the largest and fastest growing integrated supply chain solutions providers in India, today announced its consolidated unaudited financial results for the quarter ended 30th June 2023.

In INR Cr	Q1 FY23	Q4 FY23	Q1 FY24
Integrated Supply Chain Solutions ("ISCS") Segment:			
ISCS Segment Revenue	1,097.7	1,255.2	1,318.9
ISCS Segment Adjusted EBITDA	95.3	115.0	139.8

QoQ Growth	YoY Growth
5.1%	20.1%
21.6%	46.7%

Business performance was driven by a very strong growth momentum in the Integrated Supply Chain Solutions segment (ISCS). ISCS revenue was INR 1,318.9 Cr, up 20.1% YoY from 1,097.7 Cr in Q1 FY23 and up 5.1% QoQ from 1,255.2 Cr in Q4 FY23. ISCS Segment revenue grew in all geographies (India, Europe, North America) both sequentially and YoY. Expansion in existing engagements and new business development drove revenue growth. During the quarter, the company commenced a seven-year transformational engagement with Centrica PLC. Some of the other key new customer wins / renewals included contracts with a German multi-national technology company focusing on mobility, a specialized glass & materials company in India and a leading American solar technology company. Operating leverage helped deliver an Adjusted EBITDA margin expansion of 190 bps YoY to 10.6% in Q1 FY24 from 8.7% in Q1 FY23 and of 140 bps QoQ from 9.2% in Q4 FY23. ISCS segment Adjusted EBITDA was 139.8 Cr, up 46.7% YoY from 95.3 Cr in Q1 FY23 and up 21.6% QoQ from 115.0 Cr in Q4 FY23.

In INR Cr	Q1 FY23	Q4 FY23	Q1 FY24			
Network Solutions ("NS") Segment:						
NS Segment Revenue	1,577.7	1,125.1	1,023.5			
NS Segment Adjusted EBITDA	81.0	44.9	38.2			

QoQ Growth	YoY Growth
-9.0%	-35.1%
-15.0%	-52.9%

In the Network Solutions segment, the Integrated Final Mile ("IFM") business continued to be resilient while the global forwarding business showed a decline in line with global trends. Freight revenues were impacted by delay in volume uptake in air and ocean freight and subdued freight rates. NS revenue was INR 1,023.5 Cr, down 9.0% QoQ from 1,125.1 Cr in Q4 FY23 and down 35.1% YoY from 1,577.7 Cr in Q1 FY23. Adjusted EBITDA margins were 3.7% in Q1 FY24 compared to 4.0% in Q4 FY23 and 5.1% in Q1 FY23. NS segment Adjusted EBITDA was 38.2 Cr, down 52.9% YoY from 81.0 Cr in Q1 FY23 and down 15.0% QoQ from 44.9 Cr in Q4 FY23. Delay in volume uptake resulted in decline in the Adjusted EBITDA margin.

Summary consolidated financial performance:

In INR Cr	Q1 FY23	Q4 FY23	Q1 FY24
Revenue from operations	2,675.5	2,380.2	2,342.4
Adjusted EBITDA	167.2	173.8	179.4
PBT before exceptional items & JV profit	7.5	-10.9	-25.6
Profit Before Tax	8.1	-19.5	-47.9
Profit After Tax	-1.8	-12.3	-65.3

QoQ Growth	YoY Growth
-1.6%	-12.4%
3.3%	7.3%

The mix of business has shifted towards the higher margin ISCS segment. ISCS contributed to 56.3% of consolidated revenue in Q1 FY24 compared to 41.0% in Q1 FY23. This favourable change in business mix towards the ISCS segment and increase in ISCS margins has driven consolidated Adjusted EBITDA margin expansion.

Profit before tax declined due to increase in interest on borrowings by INR 19.2 Cr over Q1 FY23 and a one-time non-cash exceptional P&L impact of INR 23.2 Cr on account of conversion of compulsorily convertible preference shares issued prior to the IPO and thereafter converted to equity at a discount to the IPO price.

Commenting on the performance, **Mr. Ravi Viswanathan**, Managing Director of TVS Supply Chain Solutions Ltd. said, "We are witnessing a trend of increasing outsourcing of supply chain activities across industries that are resulting in expansion of existing engagements and a strong pipeline of new opportunities. This trend is a tailwind for growth of the ISCS segment where we have strong demand drivers in all geographies that we are present. India's ISCS revenue has grown by 14.3% YoY reflecting the company's ability to capitalize on the opportunities which the increased economic activity in India is presenting. Inflationary pressures are seen to ease off in both UK / Europe and North America. Our sectoral mix of revenue has enabled us to grow YoY in double digits in both North America and Europe."

Commenting on the performance, **Mr. Ravi Prakash Bhagavathula**, Global CFO of TVS Supply Chain Solutions Ltd. said, "Q1 FY24 showcased the inherent strengths in our portfolio and business mix. Our growth in the ISCS segment balanced the impact of subdued freight rates and delay in volume uptake in ocean and air freight. Our focus was on operational efficiency and cost reduction initiatives resulting in expansion of Adjusted EBITDA margins by 140 bps YoY. Overall profitability showed a decline because of higher interest cost and a one-time exceptional expense."

Non-GAAP measures

Adjusted EBITDA is calculated as the sum of restated profit/ (loss) for the period from continuing operations, total tax expenses, finance costs, share based payments, loss on foreign currency transactions and translations, depreciation and amortisation expense reduced / added by exceptional items, share of profit of equity accounted investees (net of income tax) and other income.
