Management's Responsibility for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.

Auditor's Responsibilities for Audit of the Standalone Financial Results (contd...)

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis
 of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to
 events or conditions that may cast significant doubt on the appropriateness of this assumption. If we
 conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the
 related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our
 conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future
 events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- Due to COVID-19 related lockdown, we were unable to observe physical verification of inventory carried out by the Management subsequent to the year-end. We have performed alternate procedures to audit the existence and condition of inventory as per the guidance provided in Standard on Auditing 501 "Audit Evidence - Specific Considerations for Selected Items", which includes inspection of supporting documentation, on test check basis, relating to purchases, production, sales, results of cyclical counts performed by the Management through the year and such other third party evidences as applicable, and have obtained sufficient appropriate audit evidence to issue an unmodified opinion on these Standalone Financial Results. Our report on the Statement is not modified in respect of this matter.
- The Statement includes the results for the quarter ended 31 March 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year to date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Business Overview of Hester India

The year FY20 has been below expectations in terms of sales and profitability.

- 1. During FY20, we invested in sales and marketing in order to drive increase in sales, by covering larger territories and expanding our presence in the market through additional field force. The investment did not provide commensurate growth, resulting into high costs which have impacted the bottom line.
- 2. Poultry Health division showed a de-growth by 5%. The division was directly impacted due to the poultry industry which remained in a recessionary condition throughout the year. Things seemed to improve in Jan 2020 but was subject to a set back from mid Feb 2020.
- 3. Animal Health division registered a growth of 6%. Supplies under tenders which were expected to be executed in Q4 have got delayed due to reasons beyond our control.
- 4. Exports grew by 63% in FY20.
- 5. The company has been successful in maintaining the GP ratio.
- <u>Going further for FY21</u> we have taken several measures to align ourselves, to changing business realities and pursue growth that will allow us to maintain our historical net margins. Some of these initiatives are:
- 1. Cost cutting and efficiency improving measure are being implemented. A policy for Work From Home has been implemented. We are expecting the same to help reinstate business volumes in the near future.
- 2. Both the divisions would continue to focus on the health products segment which will help towards improving the top line.
- 3. We have rationalised our product mix and pricing, for optimising growth and profitability.
- 4. We are in the process of establishing laboratory services for nutritional products. This will complement the efforts of the marketing team.
- 5. The company has set up the Manufacturing Science & Technology Division to focus on implementing innovation and best practices and solutions for vaccine manufacturing. One of the objectives of this division is to work on the improvisation of production yields and performances of the vaccines in the field.
- 6. The National Animal Disease Control Program of the Government of India is expected to be implemented for Brucella vaccine (which was supposed to have been started from Feb 2020). Hester is one of the two suppliers for this vaccine.
- 7. Necessary infrastructure is being created in Africa to ensure that exports grow by over 100% in this financial year.
- 8. Hester has initiated the development of a vaccine against COVID-19 disease. A recombinant vaccine is being developed in collaboration with IIT Guwahati. We hope to get into animal trials by the end of this calendar year.
- 9. Hester has entered into a technical collaboration agreement with Novapharma in EGYPT. Under this agreement, Hester would transfer technology to manufacture veterinary vaccines. Hester would also have exclusive international marketing rights for the full range of vaccines manufactured at Novapharma, including the Avian Influenza disease vaccine for poultry, which is an emerging disease in the poultry sector.

Dividend for the year FY20
