Notes to financial result:

1	The Financial Results have been prepared in accordance with the principles and procedures of Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015, as specified in Section 133 of the Companies Act, 2013.
2	As the Company has only one Operating Segment, disclosure under Ind AS 108-Operating Segment is not applicable.
3	The above results were reviewed by the audit committee and approved by the Board of Directors in their meeting held on February 10, 2024 and the Statutory Auditors of the Company have carried out limited review of said financial results for the quarter and nine months ended December 31, 2023.
4	Trade Payables, Trade Receivables and other Loans and Advances given or taken continued to be subject to reconciliation and confirmation. Further Term Loan Accounts with the banks are also subject to reconciliation / confirmation.
5	The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. It has to be noted that the company has accumulated losses and negative net worth as on 31/12/2023. The current liabilities are exceeding the current assets due to the reason that the outstanding term/Working Capital loans including accrued interest are accounted under the Head of Current liabilities as the same has been termed as NPA by the lenders. The Company is in active discussion with the lenders for resolution of the debt. Considering the continuity of the operations, positive EBITDA, Central Government thrust on the development of Infrastructure projects in the country and the encouraging order book of the company, maintaining a going concern basis of accounting is appropriate.
6	The Company has outstanding loans Rs. 44740.44 Lakhs including interest accrued and due thereon from Banks & Financial Institutions which have been declared as nonperforming assets (NPA) by these lenders in earlier years as the repayments and interest against these loans have become overdue. The company is in active discussion with its lenders for resolution of their debts. Further, the Company has classified all its borrowings from Banks & Financial Institutions as current liabilities.
7	The Board of Directors in its meeting held on July 31, 2023 and the Shareholders in the 34th Annual General Meeting (AGM) held on 29th August, 2023 considered and approved the Variation/alteration of preference shareholders rights by issue and allotment of 6,21,00,000 1% Compulsorily Convertible Preference Shares (CCPS) of Rs. 10 each. The impact of the same has been disclosed under exceptional items in the above financial results.
8	During the period, the Company has written off old debit balances, the impact of which has been shown under exceptional items.
9	The figures for the previous period have been re-grouped/re-classified to make them comparable with the figures for the current period.
10	The Un audited Financial Results for the Quarter and nine months ended December 31, 2023 is available on the website of the Company https://aiml.in and the website of BSE i.e. www.bseindia.com .

1. Introduction

We have reviewed the accompanying statement of standalone unaudited financial results of Alliance Integrated Metaliks Limited ("the Company") for the quarter ended December 31, 2023 and the year-to-date results for the period April 1, 2023 to December 31, 2023, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.

This statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the accounting principles laid down in the Indian Accounting Standard 34, Interim Financial Reporting ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.

2. Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit.

Accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion

As stated in note no. 4 to the accompanying Statement, trade payables, trade receivables and other loans and advances given or taken continued to be subject to reconciliation and confirmation. Further term loan accounts with the banks are also subject to reconciliation / confirmation.

The opinion expressed by us on the standalone financial statements for the year ended March 31, 2023 vide our report dated May 26, 2023 and the conclusion expressed by us in the review report dated July 31, 2023 and November 09, 2023 on the standalone financial results for the quarter and period ended June 30, 2023 and September 30, 2023 was also qualified in respect for the said matter.

4. Qualified Conclusion

Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Material uncertainty related to going concern

As stated in note no. 5 to the accompanying Statement, the Company has incurred a net loss of Rs. 1,807.83 lakhs and Rs. 6,904.04 lakhs (before adjustments of exceptional items) for the quarter and period ended December 31, 2023 respectively resulting in erosion of its net worth, the same stands at Rs. 17,069.16 lakhs (debit balance) as on December 31, 2023. Further, the Company's current liabilities far exceeds its total current assets. The entire bank & financial institution borrowing has been classified as non-performing assets (NPA). These events and conditions indicate that a material uncertainty exists which may cast significant doubt about the Company's ability to continue as a going concern.

Our report is not modified in respect of the above-mentioned matter.
