Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To
The Board of Directors
Hubtown Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ('Statement') of the HUBTOWN LIMITED ('the Company') for the quarter ended 30th June, 2022 being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principle laid down in Indian Accounting Standard 34, Interim Financial Reporting ('IndAS34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), SEBI Circular CIR/CFD/FAC/62/2016 dated 5th July 2016 (herein after referred to as 'the SEBI Circular') and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Basis of qualified conclusion:
 - a. As stated in Note 15 to the standalone financial result of the Company for the quarter ended 30th June, 2022, with regards the Company not having provided for Interest amounting to Rs. 12051.72 Lakhs on certain inter-corporate deposits and Advances in current quarter. Consequent to above, finance cost for the quarter ended 30th June, 2022 has been understated.

that the accompanying statement prepared in accordance with applicable Indian Accounting Standards specified under section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November, 2015 and CIR/CFD/FAC/62/2016 dated 5th July, 2016, and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to:

- a. Note no.9 of the standalone financial results, regarding non-receipt of financial results of one of its partnerships /AOP's and one Joint venture for the quarter ended 30th June, 2022. However, the Company is of the opinion that the aggregate of the reviewed quarterly financial results of such partnership firms are not expected to have any material impact on the quarterly financial results of the Company. Our Conclusion is not modified in respect of this matter.

The above financial results, which have been subjected to limited review by the Auditors of the Company as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, were reviewed by the Audit and Compliance Committee of Directors and subsequently approved and taken on record by the Board of Directors of the Company in its meeting held on August 13, 2022.

3. The figures for the quarter ended March 31, 2022 are the balancing figures between the audited figures in respect of the full financial year and the figures published year to date up to the third quarter of the respective financial year.
4. Given the nature of real estate business, the profit / losses do not necessarily accrue evenly over the period and as such, the results of a quarter / year may not be representative of the profits / losses for the period.
5. As the Company's business activity falls within a single primary business segment viz. "Real Estate Development", the disclosure requirements as per IND AS – 108 'Operating Segments' are not applicable.
6. Costs of the projects are based on the management's estimate of the cost to be incurred up to the completion of the project, which is reviewed periodically.

8. The Company has advanced certain amounts to entities in which it has business interest with a view to participate in the earnings of the Projects being implemented by the recipient entities and hence the Company has not charged any interest on these advances. Considering the nature of the businesses in which these entities operate, the amounts so advanced are considered to be repayable on call / demand as the recovery period of such amounts so advanced are not measurable precisely.
9. Income from operations includes share of profit / (loss) (net) from partnership firms, AOPs as stated hereunder:

(₹ in lakhs)

However, the Company is of the opinion that the aggregate of the reviewed quarterly financial results of such partnership firm is not expected to have any material impact on the quarterly financial results of the Company.

10. Loans and advances, other receivables, debtors and creditors are subject to confirmations and are considered payable / realizable, as the case may be.
11. With respect to Auditors' observations in their report on the Financial Statements for the year ended March 31, 2022 regarding:
 - (a) The Company not having provided interest amounting to ₹ 43,939.90 lakhs on certain inter-corporate deposits and advances as the Company is in process of re-negotiating the terms / waiver of interest by respective lenders; and
 - (b) In respect of the investment made by the company in deep discount bonds of amounting to Rs.97,412.85 lakhs in a joint venture with negative net worth, the management of both the parties have mutually agreed that Hubtown Limited shall not charge/claim any interest on the outstanding amount of Rs.97,412.85 lakhs till such time the company receives commencement certificate for development of the project.
12. In respect of the corporate guarantees issued by the Company to bankers and others on behalf of the group companies, associates and joint ventures for facilities availed by them (amounting to Rs.54,368.81lakhs), the management is of the view that it was necessary to provide the corporate guarantees to further the business interest of the Company in the entities on whose behalf such guarantees have been provided and the management is of the view that there would be no sustainable claims on the Company in respect of these corporate guarantees.
13. The Company has compiled a list of contingent liabilities based on the information and records available with it. Further, the Company is of the view that these liabilities will not result in any financial liability to the Company.
14. The Company has investments in certain subsidiaries, jointly controlled entities and associates and has outstanding loans and advances as at June 30, 2022. While such entities have incurred losses and have negative net worth as at the year end, the underlying projects in such entities are at various stages of real estate development and are expected to achieve adequate profitability on substantial completion and / or have current market values which are in excess of the carrying values. Accordingly, no provision is considered necessary towards diminution in the value of the Company's investments in such entities or in respect of loans and advances advanced to such entities, which are considered good and fully recoverable.
15. The Company has not provided interest amounting to Rs.12,051.72 lakhs for the quarter ended June 30,2022 on certain inter-corporate deposits. The Company is in process of re-negotiating the terms / waiver of interest by respective lenders.
